Proclamation

February 19, 2014

WHEREAS, BLACK HISTORY MONTH will be observed across America and abroad during February 2014; and

WHEREAS, in 1926, historian Carter Goodwin Woodson founded Negro History Week as a way to celebrate the achievements of Black Americans and the contributions they had made to America as well as the world; and

WHEREAS, Dr. Woodson knew that to become “full citizens” Black Americans must be made aware of their past and to that end he organized the Association for the Study of Negro Life and History in 1915; and

WHEREAS, through this association, black scholars found an environment where they were encouraged to study and write about black history; and

WHEREAS, the observance of Black History Month, an outgrowth of Woodson’s Negro History Week, affords an opportunity to become more knowledgeable about black heritage; and

WHEREAS, such knowledge can strengthen the insight of all our citizens regarding the issues of human rights, the great strides that have been made in the crusade to eliminate the barriers to equality for minority groups, and the continuing struggle against racial discrimination and poverty.

NOW, THEREFORE, I, JOSEPH H. VICARI, DIRECTOR of the *BOARD OF CHOSEN FREEHOLDERS* of the *COUNTY OF OCEAN, STATE OF NEW JERSEY* do hereby proclaim the month of February 2014 as:

RESOLUTION

FEBRUARY 19, 2014

WHEREAS, communities throughout Ocean County are still rebuilding nearly 18 months after Superstorm Sandy devastated the County leaving many of our residents homeless or with severe damage to their homes; and

WHEREAS, many of these homeowners are battling rising debt as they try to rebuild their lives; and

WHEREAS, the Biggert-Waters Act, as it now stands, will raise flood insurance premiums for homeowners by 20 to 25 percent per year. This increase would be an intolerable burden for homeowners ravaged by Superstorm Sandy, putting them at risk of never being able to afford to rebuild and live in their homes. This burden would not only affect all those misfortunate citizens affected by the Storm but would have a devastating effect on the economy of the entire County; and

WHEREAS, unless legislation is adopted, these premium increases would affect not only those citizens

WHEREAS, Senate Bill 1846, past by a bipartisan vote in the Senate, would delay for four years certain premium increases included in the Biggert-Waters Act, thus allowing these struggling residents the time needed to put their lives, homes and finances in order; and

WHEREAS, it is now necessary for the House of Representatives to pass a companion bill

NOW THEREFORE, BE IT RESOLVED that the **BOARD OF CHOSEN FREEHOLDERS** of the **COUNTY OF OCEAN, STATE OF NEW JERSEY** hereby calls upon Congress to support and pass Senate Bill 1846 thus giving the residents of Ocean County and all those residents of the region a fighting chance to regain their lives.

BE IT FURTHER RESOLVED that certified copies of this Resolution shall be forwarded to Senator Robert Menendez, Senator Cory Booker, all New Jersey U.S. Congressmen, Governor Chris Christie, Members of the 9th 10th 12th and 30th Ocean County Legislative Districts and the Mayors of all Ocean County Municipalities.

RESOLUTION

FEBRUARY 19, 2014

WHEREAS, on December 21, 2010, Governor Christie signed into law reforms to the arbitration process that took effect January 2, 1011; and

WHEREAS, the reforms capped arbitration awards on economic factors to no more than 2%, provided for random selection of arbitrators, expedited the determination of awards, required the arbitrator to provide a written report detailing the weight accorded to each of the required considerations and expedited the appeal process; and

WHEREAS, these reforms marked a dramatic change to the arbitration process and have helped municipalities to control the never-ending rise in public safety personnel costs; and

WHEREAS, a key element of the reforms, capping arbitration awards on economic factors to no more than 2% of the property tax levy will expire on April 1, 2014; and

WHEREAS, while municipalities are statutorily limited to raise their property tax levy by no more than 2%, with very limited exceptions, failure to extend the 2% cap on interest arbitration awards will force municipalities throughout the State to further reduce or even eliminate crucial services, personnel and long-overdue infrastructure important projects in order to fund an arbitration award; and

WHEREAS, the 2% Interest Arbitration cap has controlled one of the largest municipal and County expense, public safety salaries, not only through arbitration awards but through contract negotiations; and

WHEREAS, absent further action by the Legislature, any contract that expires on or after April 1, 2014, will be subject to all new procedures and requirements, EXCEPT the 2% awards cap; and

WHEREAS, without those limits, arbitrators will be able to impose awards that do not account for the 2% limit on the property tax levy, which would immediately threaten funding for all other municipal services; and

WHEREAS, without the 2% cap on Interest Arbitration Awards but with the 2% cap on property tax levy local and County budgets makers could be forced to reduce other essential services to fund an arbitration award.

NOW, THEREFORE, BE IT RESOLVED that the **BOARD OF CHOSEN FREEHOLDERS** of the **COUNTY OF OCEAN, STATE OF NEW JERSEY** strongly urges the Legislature to permanently extend the 2% cap on interest arbitration awards prior to the April 1, 2014 sunset.

BE IT FURTHER RESOLVED that certified copies of the Resolution shall be forwarded to Governor Chris Christie, Senate President Stephen Sweeney, Assembly Speaker Vincent Prieto, the Members of the 9th, 10th, 12th and 30th Legislative Districts and the New Jersey State League of Municipalities.

CLERK OF THE BOARD
OF FREEHOLDERS

Director Vicari introduced Jane Maloney to provide an update and review of our senior programs, noting that each year the County makes programs for our seniors a top priority. A key program is the County's home delivered meals program. Director Vicari noted that the amount spent for one day in the emergency room could feed a senior for one full year. Approximately 98 percent of seniors participate in these programs. The Director noted that Ocean County has made a commitment to always take care of our seniors. Ms. Maloney stated there are 35 area contracts and special contracts related to Sandy relief listed on the agenda that total approximately \$2.4 million. Ms. Maloney noted that Ocean County had

over 9,300 calls and walk-ins at the County offices and 12,000 visitors to the County website in 2013. A new Superstorm Sandy relief program through the Board of Social Services has been successful. This is a repair program for seniors 63 or older with a cap of \$5,000 for repairs not covered by FEMA or insurance. Director Vicari stated that this is a two year program. The County's senior population is over 100,000.

Director Vicari reviewed with the Board the Pump Out Boat Program for this year, noting that this program was started by Freeholder Lacey. Funding for this program is through the Clean Vessel Act. Director Vicari stated that since the inception of the program in 1998, over 1 million gallons of wastewater has been treated. There is no cost to the County. The program begins on Memorial Day weekend and runs through the end of October. Director Vicari stated that the State promised to get the debris out of the Barnegat Bay after Superstorm Sandy and they did, the channels were clear for the summer season. The Freeholder noted that the Barnegat Bay is very important to the local economy and it is most important to keep the Barnegat Bay Clean; this Board led the initiative and the NJDEP was very responsive. The State took full responsibility for the cleanup of the Barnegat Bay. Freeholder Lacey stated that boat traffic is a huge part of our economy.

Freeholder Kelly stated that the cleanup was very important and the County was ready to make the argument with the NJDEP about responsibility; however, the County did not have to, the NJDEP immediately agreed to be the agency responsible and the NJDEP did an excellent job. Freeholder Lacey noted a NJTPA article that featured the Mantoloking Bridge one year later as well as pictures of Seaside Heights. Administrator Block noted that the NJDEP provided daily updates on the cleanup activities in the Bay which appeared on the County's website. David McKeon, Planning Director was in attendance and advised that the County passed a milestone last year when over 1 million gallons of wastewater was pumped out of the Bay since the inception of the Pump Out Board Program started. Director Vicari thanked Mr. McKeon for all his work with this program.

Mr. Scarantino reviewed the items listed on the attached Engineering Department agenda which included the recommended award of the Construction of Clean Water Barnegat Bay Watershed Project which is 50 percent grant funded for the dredging of Twilight Lake in Bay Head. There were no questions or comments, and all items will be listed on the agenda for the January 22, 2014 Board meeting.

Ms. Vasil reviewed the Clerk of the Board's agenda for the Board meeting of January 22, 2014. Freeholder Vicari noted the Senior Services contracts listed on the agenda. There were no questions or other comments.

Director Kelly asked the Board members for comments.

Freeholder Lacey stated that the County has had its fair share of cold, rain, sleet and snow this year. Director Vicari noted that he felt the rain this week was more dangerous than the snow. Freeholder Lacey stated that the ground is very cold and it can ice up quickly; noting that drivers think that if they have four wheel drive they are invincible. This

is not true on ice. The County received a huge amount of 911 calls from people falling own their on property. The Freeholder stated that ice is a very difficult thing to fight.

There were no additional comments.
