### INTRODUCTION

The New Jersey "Local Fiscal Affairs Law", specifically N.J.S.A. 40A:5-14, as amended by P.L. 1997, c.148 on June 30, 1997, requires that every local unit shall adopt a "Cash Management Plan." This plan lists the GUDPA approved depository banks, any broker/dealers, and the approved investment instruments selected by the local unit's governing body.

In addition, the cash management plan is to be adopted by resolution, usually at the reorganization meeting, or the first meeting of the year and will guide the investment of a local unit's idle cash during periods that it is not needed to meet obligations.

The County of Ocean has a formal Cash Management Plan which was initially adopted on July 6, 1983 and revised on February 4, 1998.

The purpose of the current revision is to modify the procedures currently followed under the current Cash Management Plan to comply with the provisions of P.L. 1997, c.148 as enacted on June 30, 1997.

This new act revises and expands the responsibility of the governing body and the role of the Chief Financial Officer in cash management as well as expanding the range of the allowed investment vehicles used by a local unit to invest its idle cash.

## I. GENERAL AUTHORITY

The Board of Commissioners for the County of Ocean authorizes the Chief Financial Officer of the County of Ocean to administer the Cash Management Plan in order to deposit and invest the County of Ocean's idle cash pursuant to the stipulations contained in the Cash Management Plan.

## II. ELIGIBLE DEPOSITORIES FOR PUBLIC FUNDS

Eligible depositories for County funds are New Jersey banks or savings and loans specifically approved by the New Jersey Department of Banking and Insurance under the Government Unit Depository Protection Act (GUDPA) and maintain a banking presence in the County of Ocean. Deposits of County funds in institutions other than those covered by GUDPA are prohibited by law.

As part of the County's Cash Management Plan, annually The Board of Commissioners shall adopt a list of the approved depositories for the County (ATTACHMENT A).

### **RFP – Request for Proposal**

While P.L. 1997, c.148 formally exempts banking services and investment purchases from the bidding provisions of the Local Public Contracts Law N.J.S.A. 40A:11, all investment and banking services for the County of Ocean may be selected through a Request For Proposal (RFP) process.

When the need for banking and investment services exists, the County Chief Financial Officer may solicit RFP's from the eligible banking and investment institutions.

Upon receipt of the RFP's, the County Chief Financial Officer will then review each proposal. After the review, the County Chief Financial Officer will make recommendations to the Board of Commissioners. If necessary, the County Auditor may be asked to aid in the review process.

Once an investment or banking institution has been selected, the County's Cash Management Plan will be revised and adopted by resolution by the Board of Commissioners for the County of Ocean.

### III. CASH MANAGEMENT POLICY

It shall be the policy of the Board of Commissioners for the County of Ocean to adopt the Cash Management Plan by resolution at the annual reorganization meeting or during the year as deemed necessary to reflect changes in laws, depositories, investments or funds.

The Chief Financial Officer for the County of Ocean is directed to invest and deposit funds pursuant to the cash management plan as adopted by resolution of The Board of Commissioners of the County of Ocean.

It is the objective of the Cash Management Policy to maximize the investment and interest income earned on idle County funds while providing adequate liquidity to meet the obligations of the County.

#### **Timely Deposit of all County Funds:**

As required by N.J.S.A. 40A:5-15, all monies collected or received from any source by or on behalf of the County or any board or Department thereof shall be paid to the "Treasurer, County of Ocean", who shall deposit all such funds within 48 hours after receipt, to the credit of the County of Ocean in one of the designated legal depositories.

All deposits forwarded to the Chief Financial Officer of the County of Ocean shall be accompanied by a revenue transmittal form listing cash and individual checks and will include a revenue account to which funds will be credited upon deposit.

#### **Deposits to Interest Bearing Accounts:**

It is the explicit policy of the County of Ocean that all funds be deposited into interest bearing accounts except as noted below.

All Departments and/or agencies of the County who collect monies for the County in the normal course of its activities must deposit said monies in an interest bearing account until such time as these monies are turned over to the County Treasurer or designee.

## **Exceptions to Interest Bearing Account Requirements:**

The following types of funds are not required to be placed in Interest Bearing Accounts:

1. Petty Cash and Change Funds under \$5,000.00
2. Cash drawn from a Federal agency under a letter of credit, which cash is to be paid out within 5 working days to a vendor.
3. Amounts derived from the sale of bonds or notes, only to the extent that a specific written opinion of counsel states that the earning of (full) interest would result in the bonds or notes being classified as an arbitrage (not federally tax-exempt) issue pursuant to Federal regulations. To the extent that some interest is allowable, it shall be deposited at such a rate if such a rate is obtainable.

## **Treasurer's Report:**

It shall be the responsibility of the County Treasurer to provide to the Board of Commissioners a Treasurer's Report on a monthly basis which shall detail the following information as required by N.J.S.A. 40A:5-14.e. as amended by P.L. 1997, c.148 on June 30, 1997:

1. All investments made or redeemed over the past month;
2. Each financial institution holding local unit funds;
3. The amount of securities purchased or sold, class or type of securities purchased, book value, earned income, fees incurred, and market value of all investments as of the report date and;
4. Other information that may be required by the Board of Commissioners or deemed appropriate by the Chief Financial Officer.

## **Cash Flow Analysis:**

An important part of establishing the County investment program includes detailed study of "cash flow" – when money comes in, when it goes out, and how much cash lies available for how long. Such an analysis provides the information needed to plan a viable investment procedure, including the projected length of time that funds can be invested in order to take full advantage of maturity periods with the highest yields.

Analysis of cash flow will alert the Treasurer to possible rescheduling of payments that will result in extending the life of short term investments. The Treasurer's calendar, compiled by the Division of Local Government Services and the Division of Taxation is an excellent source of specific dates regarding the above information.<sup>(1)</sup>

## **Reconciliation of Cash Deposits:**

On a monthly basis, the Chief Financial Officer or designee shall forward revenue reports to all departments and agencies of the County of Ocean who collect monies for the County detailing cash deposits made to their revenue accounts.

The individual departments and agencies are required to then reconcile the County's reports to the records maintained by the departments.

A form provided by the Chief Financial Officer will be returned by the department or agency either agreeing with the County's records, or listing any discrepancies to be researched by the Chief Financial Officer or designee.

## **Bank Reconciliations:**

It is the policy of the County of Ocean that all bank statements be reconciled to the County's records when received or within a reasonable time thereafter.

## IV. INVESTMENT POLICY

The investment objectives of the County of Ocean, listed in order of importance from greatest to least, are as follows:

1. The ability of the investment instrument to provide for the security and safety of County funds.
2. Liquidity of the investment instrument necessary to provide for County operations and obligations.
3. Yield or return on the investment instrument (only after the first two considerations are met).
4. Investments requiring the payment of a premium should not be purchased without the written consent of the Chief Financial Officer.

Therefore, with these objectives in mind and in compliance with the allowable investments detailed in N.J.S.A. 40A:5-14 as modified by P.L. 1997, c.148, the County Chief Financial Officer will decide on the investment vehicles to be included as approved in the County's Cash Management Plan adopted by resolution by the Board of Commissioners for the County of Ocean and reflected in ATTACHMENT B.

Additionally, the County Chief Financial Officer will select approved investment vehicles to achieve the maximum rate of return while minimizing costs and fees and providing for investment portfolio diversification by spreading idle County funds among a number of these approved investments as listed in ATTACHMENT B.
