

OCEAN COUNTY RECYCLING DIRECTORY

SHREDDED
PAPER
ONLY
NO BOXES
OR BAGS

Dear Citizen,

Recycling continues to play an important role in our daily routines and Ocean County makes every effort to provide convenient recycling programs allowing each of us to have a role in the stewardship of our environment.

With that in mind, it is with great pleasure that I join with my colleagues on the Board of Chosen Freeholders in presenting to you the annual Ocean County Recycling Directory.

This guide helps you navigate Ocean County's many recycling programs. Our two County operated regional recycling centers and the many municipal centers provide you with an opportunity to drop off a host of items like old paints, plastic lawn furniture, and tires. In addition, single stream recycling allows for bottles, cans, and newspapers to be placed in one bin for curbside pickups.

The program, under the leadership of Freeholder Gerry P. Little, allows us to protect the environment and reduce the cost of disposing solid waste at the landfill. With your help, Ocean County will continue to be a true leader in recycling.

Joseph H. Vicari

Freeholder Director Joseph H. Vicari

PLEASE RECYCLE ONLY LISTED ITEMS
IN THIS CONTAINER
NEWSPAPER - MAGAZINES - CATALOGS -
JUNK MAIL - ENVELOPES
CANS (ALUMINUM, STEEL, TIN)
GLASS JARS & BOTTLES
PLASTIC MILK JUGS & BOTTLES

NORTHERN & SOUTHERN RECYCLING CENTERS

The Ocean County Northern Recycling Center consists of a 60 acre site which includes: a single stream facility with state of the art processing equipment, an education center, two large compost fields, a backyard compost demonstration area, 24-hour resident drop-off recycling center and a special waste drop-off area. The 24-hour resident recycling center and special waste area is located at 601 New Hampshire Ave., Bldg. #68 Lakewood Township. The leaf and brush drop-off areas as well as the compost and woodchip pick-up areas are located at the 535 Oberlin Avenue entrance. If you have any questions please call **732-367-0802**.

The Ocean County Southern Recycling Center located in Stafford Township consists of a recyclables transfer station, a 24-hour resident drop-off recycling center, a special waste building and a compost facility. The resident recycling drop-off center is located at 350 Haywood Road and the special waste, leaves, brush, compost and woodchips is located at 379 Haywood Road Building #105. If you have any questions please call **609-978-0913**.

DESIGNATED MANDATORY RECYCLABLE MATERIALS IN OCEAN COUNTY

Residential Areas

Commingled - Bottles Plastic (neck is smaller than the base of container) & Glass Containers, Cans - (Aluminum, Tin, Steel)

 Newspaper
 Cardboard, High Grade Office Paper
 Concrete, Asphalt, Brick, Block
 Stumps, Tree Parts, Leaves
 Automobile Batteries
 Motor Oil, White Goods
 Tires
 Ferrous & Non-Ferrous Scrap Metal
 Televisions & Computers

RECYCLING COLLECTION

The New Jersey Mandatory Recycling and Source Separation Act and the Ocean County Recycling Plan require municipalities to make provisions for the collection of residential recyclables including: bottles and cans, newsprint, cardboard and mixed paper.

Curbside collection of recyclables varies significantly in Ocean County with many municipalities providing weekly collection and others providing bi-weekly collection. All municipalities are required to make provisions to collect the mandatory recyclable material from residential areas. Many coastal communities have a summer and winter collection schedule to accommodate increases in quantities generated by summer vacationers. A number of municipalities also provide a drop-off center where residents can bring recyclables. Please review the table on pages 6 and 7 for details on drop-off centers. Municipalities are also responsible for the collection of bulky items and appliances. Please contact your municipal recycling coordinator to obtain information on procedures and fees.

MUNICIPAL FINANCIAL ASSISTANCE

2016 Recycling Revenue Sharing Program:

Ocean County shares 50/50 with the municipalities from the sales of recyclables processed at the Materials Processing Facility at the Ocean County Northern Recycling Center in Lakewood Township. The County returns revenues to each municipality that participates in the County's recycling program. Since the Ocean County Board of Chosen Freeholders began the recycling revenue sharing program in 1995 almost **\$17 million** has been returned to municipalities. The more your town recycles the greater the economic benefit will be. Total savings for 2016 to the towns for voiding tipping fees at the landfill was more than **\$5.8 million!!!** Money received from the revenue share program can be used to fund existing recycling programs such as improvements to existing recycling drop-off centers, purchase roll off containers or other projects deemed appropriate by the town. Towns received revenue checks that totaled anywhere from \$790.00 for Mantoloking and to \$121,000 for Toms River for their recycling efforts. For 2016 Ocean County returned over **\$695,000** to its municipalities through recycling revenue sharing. The average payout for municipalities in 2016 was **\$8.23 per ton**, and Ocean County municipalities recycled almost **81,000 tons** of material!

SINGLE STREAM RECYCLING PROGRAM

Acceptable/Unacceptable Materials

In 2010, Ocean County began a single stream recycling program (placing all containers, paper, cardboard, etc. in the same bin) in the hopes it would become easier for residents to recycle, which in turn would increase recycling participation. Recycling participation **HAS** increased. However, we have seen an increase in unacceptable materials and garbage coming into our processing facilities. Worst among these materials is plastic bags. Please **DO NOT PUT FILLED OR LOOSE PLASTIC BAGS IN YOUR RECYCLING BINS**. Plastic bags wreak havoc on sorting machinery and require hours of downtime for their removal. Bags can entangle themselves in equipment, reducing sorting efficiency and causing materials to mix with one another. It's important to remember all plastics are not created equally and not all plastics can be recycled by our facilities, including and especially plastic garbage and grocery bags. Many supermarkets and "big box stores" (Walmart, Target, Lowe's, Home Depot et al.) have programs for grocery bag recycling; check for recycling bins near the main entrance or ask customer service.

For a list of businesses in your area with plastic bag recycling programs, visit www.plastic-filmrecycling.org and enter your area code in the search bar (Note: Stop & Shop supermarkets do not appear in the listings, however all Stop & Shop locations participate in plastic bag recycling).

ACCEPTABLE MATERIALS FOR CURBSIDE COLLECTION BINS:

Plastic containers (neck smaller than base), cans (aluminum, steel & tin, empty aerosol), corrugated cardboard (shipping boxes, flattened/clean pizza boxes), mixed paper (magazines, mail, office papers, paper bags, wrapping paper, cards), newspaper, glass jars & bottles. **IF IT ISN'T LISTED AS ACCEPTABLE HERE IT DOES NOT BELONG IN YOUR RECYCLING BIN.**

UNACCEPTABLE MATERIALS FOR CURBSIDE COLLECTION BINS: Phone books (collected separately at recycling centers), Dairy tubs (yogurt, butter, sour cream, etc.), anything Styrofoam, motor oil, plastic cups (solo cups) and utensils, chip/gray board boxes i.e. cereal/tissue/cookie/gift, **Mixed Rigid Plastics** (collected separately at recycling centers, see page 3), **shredded paper** (collected separately at recycling centers), wood of any kind, *propane tanks, garden hoses, bowling balls, bikes, bats, brake rotors, blinds, VHS tapes, etc. (yes we have received all of these).*

PLEASE DO NOT TIE OR BUNDLE TOGETHER PAPER. PLEASE REMOVE ALL BOTTLE CAPS, JAR LIDS, ETC. FROM BOTTLES AND CONTAINERS AND DISPOSE OF THEM IN YOUR REGULAR TRASH.

SOLID WASTE DISPOSAL

For many years solid waste generated in Ocean County has been disposed of at the Ocean County Landfill Corporation Inc. facility. The Ocean County Landfill is privately owned, and utilizes a double composite liner system that is seven feet thick. The Ocean County Landfill is located on Route 70 in Manchester Township.

OCEAN COUNTY LANDFILL

Phone: 732-323-8528 Hours: Monday - Friday, 7:00 A.M. - 3:30 P.M., Saturday, 7:00 A.M. - 12:00 P.M.

Closed on Sundays, New Year's Day, Martin Luther King Day, Presidents' Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. Closes at 2:00 P.M. - Columbus Day and Veteran's Day

FEES

Municipal Waste (Type 10)	\$71.21
Bulky Waste (Type 13)	\$81.21
Construction and Demo (Type 13C)	\$110.00
Animal/Food Processing Waste (Type 25)	\$102.65
Asbestos (Appointment Only)	Please Call
Grass Clippings (Type 23)	\$102.65

All payments must be made in cash or by the establishment of a pre-paid account. A NJDEP permit is required for solid waste disposal from all cars or trucks with a weight of more than 9,000 pounds. This permit must be secured from the NJDEP Division of Solid and Hazardous Waste — call (609) 292-7081.

SOLID WASTE AND RECYCLING HAULING COMPANIES

Services provided by the following companies will vary. All companies provide roll off containers for solid waste or recycling. Some larger companies have collection contracts with municipalities or retirement communities for solid waste or recyclables.

1-800-GOTJUNK	1-800-468-5865

Ocean County Paint Management Program

Full, partially full and empty paint cans are accepted at the following locations.

The limit is 20 paint cans per day.

The program is for Ocean County residents and taxpayers **ONLY**.
Paint will not be accepted from businesses or paint contractors.

Monday through Saturday 8:00 A.M. - 3:00 P.M.

1. Ocean County Northern Recycling Center, 601 New Hampshire Avenue, Lakewood Township, Building #68
2. Ocean County Southern Recycling Center, 379 Haywood Rd., Bldg. #105, Stafford Township
3. Toms River Township Recycling Center, Church Road, Toms River
4. Lacey Township Recycling Center, Municipal Lane, Lacey Township
5. Brick Township Recycling Center, 836 Ridge Avenue, Brick Township
6. Little Egg Harbor Township Recycling Center, Route 539, Little Egg Harbor Township
7. Berkeley Township Recycling Center, Pinewald-Keswick Road, Berkeley Township
8. Tuckerton Public Works Garage, 445 Green Street, Tuckerton

Monday, Tuesday, Thursday, Friday and Saturday 9:00 A.M. - 2:00 P.M.

9. Point Pleasant Beach Recycling Center, 301 Cooks Road, Point Pleasant Beach

Monday through Friday 9:00 A.M. - 3:00 P.M.

10. Seaside Park Public Works Garage, Barnegat Avenue, Seaside Park

This program is for latex, oil based and boat paints only, no stains, no varnishes, **NO POLYURETHANE** or wood preservatives.

COMMERCIALLY-GENERATED COOKING GREASE

Cooking grease can be hard on septic and local sewer systems. The following companies collect grease from restaurants, food service establishments and municipal governments for recycling.

MIXED RIGID PLASTIC RECYCLING PROGRAM

ACCEPTABLE PLASTIC

- Buckets *with* metal handles
- Milk/soda crates
- Laundry baskets
- Lawn furniture
- Landscape & microwave trays
- Toys & playhouses (*NO metal*)
- Empty garbage cans (*any size*)
wheels & axles removed
- Bed liners (pickup trucks)
- Totes - any size (*NO metal*)
- Pallets (Plastic **ONLY**)

NON- ACCEPTABLE PLASTIC

- PVC Pipe/tubing, Vinyl Siding
- Plastic film (Grocery bags & Stretch film)
- Styrofoam of any kind
- Coolers
- Poly-coated Paper (Orange juice & milk cartons)
- Flexible Water Hoses
- Hazardous material
- Medical waste
- Plastic flower pots
- Narrow-neck liquid containers -
Used small-mouth containers
 - > Small plastic containers (Yogurt cups, PET/HDPE Bottles, etc.)
 - > Oil/Chemical containers (HDPE)
- Plastic Shelving
- Plastic pet carriers
- Plastic drums (any size)
- Plastic car seats
- Automotive plastics
 - > Bumpers
 - > Grills
 - > Side-view mirror housing
 - > Headlights & Rear Light covers
 - > Hub-caps, etc.
- Plastic closet organizers
- Plastic traffic signs
- 5 gallon water bottles
- Computer housing (no circuits)
- Plastic Dish Drains

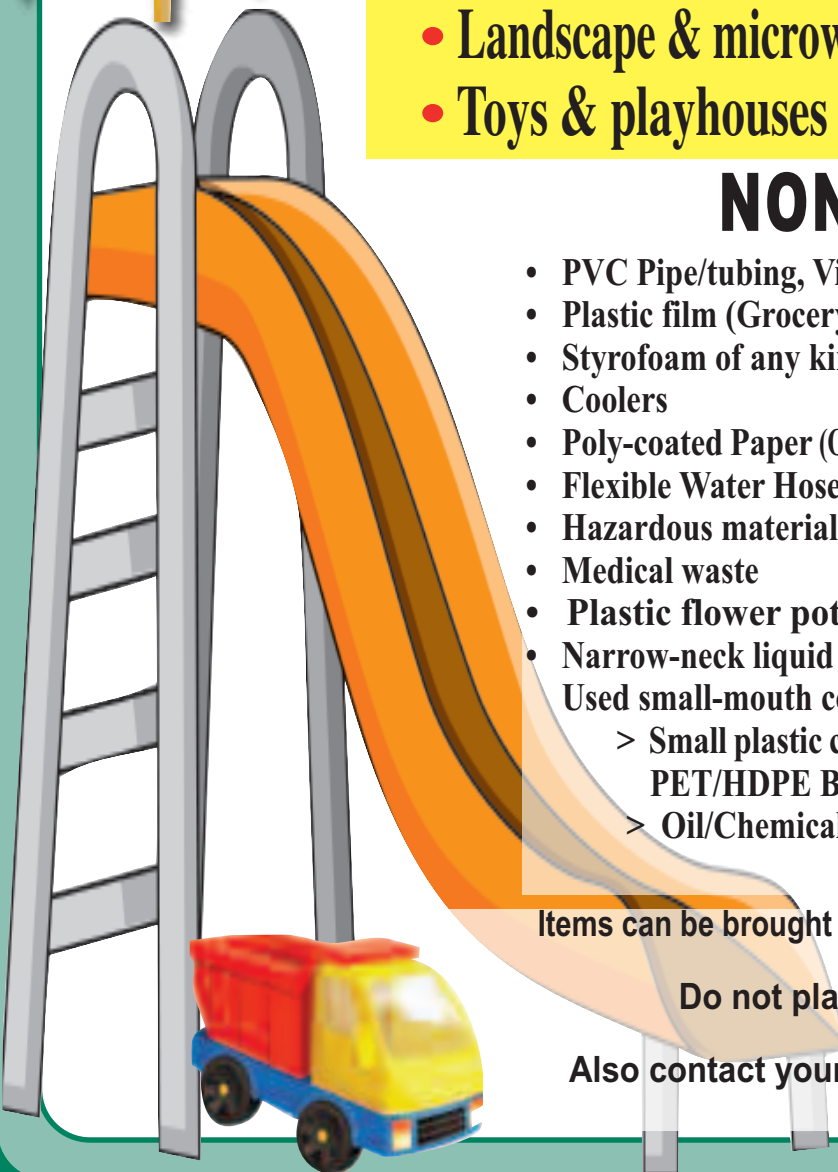

Items can be brought to the Ocean County Northern and Southern Recycling Centers
Monday - Saturday 7:30 AM - 3:00 PM.

Do not place at the curb with your single stream recyclables.

For more information call 732-506-5047.

Also contact your local public works yard to see if this material is accepted.

(see page 3, 6 & 7)

2017 HOUSEHOLD HAZARDOUS WASTE COLLECTION PROGRAM

Rid your home of potential hazards and protect the environment by participating in the

HOUSEHOLD HAZARDOUS WASTE DISPOSAL PROGRAM

Many common household products pose a potential threat to your family, and to Ocean County's clean air and water. You can dispose of these materials at the sites listed below, free of charge by calling the County to pre-register.

Call: 732-367-0802 to pre-register for Point Pleasant

Call: 609-978-0913 to pre-register for Long Beach Twp.

LONG BEACH TWP.

Public Works Garage
7910 Long Beach Blvd.,
Beach Haven Crest
NJ, 08008

Saturday, September 23
9:00AM – 3:00PM

POINT PLEASANT BORO.

Municipal Building
2233 Bridge Avenue,
Point Pleasant
NJ, 08742

Saturday, October 7
9:00AM – 3:00PM

Pre-registration is required.

Registration is on a first-come first-served basis.

Hazardous waste will not be accepted from businesses, school boards or government agencies. Only Ocean County residential households and farmers are eligible for this free program. A driver's license or tax bill will be adequate proof of residence. Our staff can advise you about any materials you are unsure of.

Acceptable Materials: paints/thinners/boat paint, solvents, pool chemicals, pesticides and herbicides, aerosol cans, auto products, toilet and drain cleaners, silver polishes, oven cleaners, photographic chemicals, rug and upholstery cleaners, polishes and bleaches, waste oil and used gasoline.

ALL THE ABOVE MATERIALS, EXCEPT OIL AND GASOLINE, MUST BE IN ORIGINAL CONTAINERS

Maximum volume per household is limited to 200 pounds of dry materials and 20 gallons of liquid. Please, no containers larger than 5 gallons.

Unacceptable Materials: radioactive materials, dioxins, infectious waste ("Red Bag" wastes), explosives, unknown or unidentified materials. **No Electronics.**

NO CONSTRUCTION WASTE OR ASBESTOS.

2017 RESIDENTIAL DOCUMENT SHREDDING PROGRAM

- The Residential Document Shredding program is to provide residents and taxpayers with the opportunity to recycle their old documents and files safely and securely. Commercial and business documents are not accepted.
- The service representatives are uniformed, bonded and insured. Papers are shredded by pierce and tear method.
- The shredding unit features an automatic feeding and dumping system, eliminating human contact with your documents and forms.
- Each vehicle is limited to 6 boxes or bags of documents each day.

SEPTEMBER

301 Cooks Rd.
Saturday, September 30
9 a.m. - 1 p.m.

OCTOBER

MANCHESTER TWP.

Public Works Yard,
1360 Route 70
Saturday, October 14
9 a.m. - 1 p.m.

EAGLESWOOD TWP.

Municipal Complex,
146 Division Street
Saturday, October 21
9 a.m. - 1 p.m.

BEACHWOOD BORO.

Municipal Complex,
1600 Pinewald Rd.
Saturday, October 28
9 a.m. - 1 p.m.

All events will run the complete scheduled time or until the truck is full; whichever occurs first.

The truck has an 8,000 lb. capacity.

The program is for all paper documents and paper forms.

Paper clips and staples DO NOT have to be removed.

Unacceptable items are :

X-Rays, CDs, floppy disks, micro film and file folders.

These programs are a FREE service sponsored by the Ocean County Board of Chosen Freeholders.

Questions: Please call the Ocean County Department of Solid Waste Management at 732-506-5047

2Good2Waste is an internet based waste exchange program whose primary role is to promote the reuse of household items that would otherwise end up in the landfill. This exchange works like the classified ad section of a newspaper. This is a free service to Ocean County residents. Some common items exchanged are furniture, sporting goods, appliances, toys, electronics, lawn equipment, educational material. Each new listing is approved by the exchange administrator so nothing inappropriate is posted. There is a maximum listing price of \$99 and no money exchanged between the county and the websites members.

Ocean County is the first (and only) county in NJ to launch a **2Good2Waste** Exchange to serve its residents. Before you consider tossing something out, why not consider Selling it, Swapping it, or Donating it.....think of it as yet another way to Reduce, Reuse, and Recycle. Go to www.2good2waste.org/oceancountynj to see the Exchange in action, and learn how you might be able to earn some extra cash and help the environment all in one place.

Recyclopedia.org is yet another resource for residents of Ocean County, one that provides recycling and disposal info on a variety of materials. Think of it as a “what to do with it when you’re done with it” website, with accessible information to guide residents through the proper and safe disposal options for a wide array of household items.

REFRIGERATOR/FREEZER RECYCLING

Municipalities and private haulers will not collect appliances containing Freon unless a receipt indicating the Freon was removed is present. Residents can contact an appliance dealer to remove the Freon if your town doesn’t offer this service. You will need to contact your local public work’s office (see page 3)

Another option is to contact the NJ Clean Energy program. They will recycle your old refrigerator and freezer. Call 877-341-2192 to schedule a FREE pickup and receive a check for \$50.00! Go to NJcleanenergy.com/REFRIGERATOR for more information and check out the ENERGY STAR program to receive rebates by buying ENERGY STAR appliances 866-NJSMART (657-6278)

PROPANE TANKS

BlueRhino collects and recycles the standard 20lb tanks. To find a BlueRhino nearest you, please go to BlueRhino.com Propane tanks are NOT accepted at the County's two recycling centers. Check with your local public works yard (see table page 6 & 7) OR ask your local Home Depot, Lowes or propane distributor about their trade-in policy. Scrap dealers may also accept them (see page 8) Ocean County **ONLY** accepts them as part of the Household Hazardous Waste Disposal Program.

Needles, Syringes & Proper Disposal of Unwanted Household Medication

Do not set out your needles and syringes with your RECYCLABLES.

For proper disposal visit http://www.state.nj.us/health/ceohs/documents/phss/safe_syringe_disposal.pdf or call 609-292-7081 option 4.

DO NOT flush unwanted medications or pour down sinks or drains. Traces of certain medications have been found in local waterways, such as Barnegat Bay, which can harm fish and wildlife.

Improper disposal in your trash allows others to divert medications not prescribed to them.

Contact the NJ Dept. of Environmental Protection, Bureau of Recycling & Hazardous Waste at 609-984-3438 or go to: www.state.nj.us/dep/dshw/rrtp/disposal.pdf for more information.

There are currently 19 permanent prescription medicine drop-off boxes at police stations in Ocean County for residents to dispose of unwanted or expired prescriptions. These boxes are available 24 hours per day, 7 days a week. Do not deposit any type of sharps, syringes, or needles.

Barnegat Boro, Berkeley Twp., Brick Twp., Harvey Cedars, Jackson Twp., Lacey Twp., Lakewood Twp., Little Egg Harbor Twp., Long Beach Twp., Manchester Twp., Ocean Twp., Ocean Gate, Plumsted, Pt. Pleasant Boro, Seaside Heights Boro, Stafford Twp., Toms River Twp., Tuckerton, and Ocean County Justice Complex, 120 Hooper Avenue, Toms River.

For further questions please contact the Ocean County Health Department 732-341-9700 www.ochd.org/Resources/Page/303. See page 16 under websites for additional information.

Ocean County Waives Tire Recycling Fees To Combat Mosquitoes

Ocean County has temporarily waived tire recycling fees at its recycling centers, in an effort to reduce mosquito populations by reducing breeding grounds. The county will partner with its Mosquito Extermination Commission and utilize funding from the 2017 Center for Disease Control ELC Capacity Building Efforts federal grant to waive the \$2 tire recycling fee at both of its regional recycling centers. This grant is distributed throughout the state by the NJDEP's Office of Mosquito Control Coordination, and the free tire recycling program in Ocean County will continue until all funds from the grant are depleted. The Ocean County Mosquito Extermination Commission was awarded the grant to support activities in identifying and controlling mosquitoes, with a particular emphasis on monitoring/controlling populations of exotic mosquitoes known to transmit Zika virus.

This free program started on August 1st. Residents who have questions or concerns about mosquitoes may contact the Ocean County Mosquito Extermination Commission by calling 609-698-8271 (M-F, 7 a.m. to 3:30 pm). And for additional tips, please visit the commission's website at www.oceancountymosquito.org."

OCEAN COUNTY MASTER COMPOSTER TRAINING PROGRAM

The Ocean County Master Composter Program, which began in 2000, is sponsored by the Ocean County Board of Chosen Freeholders and the Ocean County Dept. of Solid Waste Management. The premise of this program is to train a core of individuals to help educate Ocean County residents on how to manage the organic portion of their solid waste. Training classes, which are offered annually and free to Ocean County residents, are held in the spring or fall and are subject to demand. Although a gardening background would be helpful, it is not a requirement. Once training is completed, volunteers then agree to provide a total of 24 hours of outreach activities. Examples would be conducting backyard composting education programs at the County's Recycling Education Center and composting demonstration site for local schools, community groups and organization. Staff booths at environmental festivals, the county fair or garden shows. Whatever your preference or individual strengths are, in general being an advocate to promote the benefits of home composting.

Ocean County residents can learn the basics of backyard home composting in “**How to Compost Workshops**” that are held in the spring or fall each year. These workshops are offered free to Ocean County residents and taxpayers and are taught by the Ocean County Master Composter volunteers. Registration is required. Classes limited to 25 people. For further information, please contact Mary Jerkowicz, Senior Program Monitor, Ocean County Dept. of Solid Waste Management at 732-506-5047

OCEAN COUNTY BACKYARD COMPOSTING SITE

To increase awareness and educate residents about the benefits of composting, residents can visit the backyard composting demonstration site located at the Northern Recycling Center next to the Ocean County Recycling Education Center or you can request a tour by one of our Ocean County Master Composter volunteers. It is open to the public Monday through Saturday 7:30 am to 3:00 pm. The site displays various types of home composting units in a garden setting.

LEAVES, BRUSH & VEGETATIVE WASTE - The following materials are accepted at the Ocean County Recycling Centers during regular business hours - 7:30 am to 3:00 Monday through Saturday. Saturdays for residents only, no landscapers or municipalities.

Unbagged leaves, light brush - 4” in diameter or less. Leaves are banned from New Jersey landfills.

Construction wood, stumps and grass clippings **ARE NOT** accepted at either center.

Compost and Wood Chips are available to County Residents, municipalities and landscapers free of charge. Christmas Trees are accepted during the holiday season at both county recycling centers and many of the county's parks. Please contact <http://www.oceancountyparks.org/> for list of locations

For more information about the availability and directions, please call the Ocean County Northern Recycling Center 732-367-0802 and the Southern Recycling Center at 609-978-0913

For your local recycling centers on these materials check pages 6, 7 & 8
