

OCEAN COUNTY RECYCLING GUIDE

SPRING AND SUMMER
2016

From its parks to its natural lands, and from Barnegat Bay to Little Egg Harbor, Ocean County is host to environmental jewels enjoyed by residents and visitors alike.

The protection of these areas and watersheds continues to be a priority for the Ocean County Board of Chosen Freeholders. Through a series of programs and services including pumpout boats on the bay, rain gardens, specialized treatment devices and litter abatement programs supported by the Board, these areas will be preserved for generations to come.

Through its award winning recycling programs, Ocean County is noted for excellence because its recycling programs provide environmental and economical benefits.

During the year, thousands of tons of newsprint, plastics, glass, aluminum and a host of other products are processed in the Ocean County Materials Processing Center and made ready for market. As a result of the efforts of residents, revenues from the processed materials are returned to municipalities so that recycling efforts can be increased.

With recycling, landfill space, often at a premium, is saved in Ocean County and municipalities that recycle save money by avoiding landfill tipping fees.

And, proper disposal of recyclables by using available programs means less harm to the environment, less trash making its way into the waterways and overall a better quality of life.

Dear Citizen,

It is with great pleasure that I join with my colleagues on the Ocean County Board of Chosen Freeholders in presenting to you the annual Ocean County Recycling Directory.

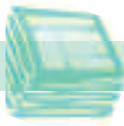

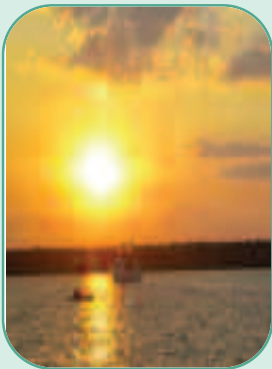

Recycling continues to be an integral part of Ocean County's programs and services allowing each of us to play a role in the stewardship of our environment.

As a Board, we want to make certain that recycling in Ocean County is convenient to you the residents and that it also is cost effective. Inside this guide you will find a wealth of information that will make your recycling efforts easy and convenient. With your help, Ocean County will continue to be a true leader in recycling. The program, under the leadership of Freeholder Gerry P. Little allows us to protect the environment and reduce the cost of disposing solid waste through a host of programs - from single stream to household hazardous waste collections.

I hope this guide provides you with all the information you need so that recycling programs in Ocean County remain viable for both the economy and the environment.

Thank you for your efforts. It makes a difference everyday.

Jol F. Kelly

NORTHERN & SOUTHERN RECYCLING CENTERS

The Ocean County Northern Recycling Center consists of a 60 acre site which includes a single stream facility with state of the art processing equipment, an education center, two large compost fields, a backyard compost demonstration area, 24-hour resident drop-off recycling center and a special waste drop-off area. The 24-hour resident recycling center and special waste area is located at 601 New Hampshire Ave., Bldg. #68 Lakewood Township. The leaf and brush drop-off areas as well as the compost and wood chip pick-up areas are located at the 535 Oberlin Avenue entrance. If you have any questions please call **732-367-0802**.

The Ocean County Southern Recycling Center located in Stafford Township consists of a recyclables transfer station, a 24-hour resident drop-off recycling center, a special waste building and a compost facility. The resident recycling drop-off center is located at 350 Haywood Road and the special waste, leaves, brush, compost and woodchips is located at 379 Haywood Road Building #105. If you have any questions please call **609-978-0913**.

DESIGNATED MANDATORY RECYCLABLE MATERIALS IN OCEAN COUNTY

Residential Areas

Commingled - Bottles (neck is smaller than the base of container) & Cans
Newspaper
Mixed Paper - (Magazines, Catalogs, Junk Mail, Used Writing Paper)
Leaves
White Goods
Tires
Motor Oil, Auto Batteries
Televisions & Computers

Commercial, Industrial & Institutional Sectors

Commingled - Bottles & Cans
Newspaper
Cardboard, High Grade Office Paper
Concrete, Asphalt, Brick, Block
Stumps, Tree Parts, Leaves
Automobile Batteries
Motor Oil, White Goods
Tires
Ferrous & Non-Ferrous Scrap Metal
Televisions & Computers

RECYCLING COLLECTION

The New Jersey Mandatory Recycling and Source Separation Act and the Ocean County Recycling Plan require municipalities to make provisions for the collection of residential recyclables including: bottles and cans, newsprint, cardboard and mixed paper.

The curbside collection of recyclables varies significantly with many municipalities providing weekly collection and others providing bi-weekly collection. All municipalities are required to make provisions to collect the mandatory recyclable material from residential areas. Many coastal communities have a summer and winter collection schedule to accommodate increases in quantities generated by summer vacationers. A number of municipalities also provides a drop-off center where residents can bring recyclables. Please review the table on pages 6 and 7 for details on drop-off centers. In addition, municipalities are responsible for the collection of bulky items and appliances. Please contact your municipal recycling coordinator to obtain information on procedures and fees.

MUNICIPAL FINANCIAL ASSISTANCE

2015 Recycling Revenue Sharing Program:

Ocean County shares 50/50 with the municipalities from the sales of recyclables processed at the Materials Processing Facility at the Ocean County Northern Recycling Center in Lakewood Township. The County returns revenues to each municipality that participates in the County's recycling Program. Since the Ocean County Board of Chosen Freeholders began the recycling revenue sharing program in 1995 over **\$16 million** has been returned to the municipalities. The more your town recycles the greater the economic benefit will be. Total savings for 2015 to the towns for voiding tipping fees at the landfill was more than **\$5.6 million!!!!** The money can be used to fund existing recycling programs such as improvements to existing recycling drop-off centers, purchase roll-off containers, recycling education or other projects deemed appropriate by the town. Towns received revenue checks that totaled anywhere from **\$516.00** for Mantoloking and to **\$88,625** for Toms River for their recycling efforts. For **2015** Ocean County returned over **\$510,000** to its municipalities through recycling revenue sharing. The average payout for municipalities for **2015** was **\$6.51 per ton**, and Ocean County municipalities recycled almost **79,000** tons of material!

SINGLE STREAM RECYCLING PROGRAM

When the Single Stream Recycling program began early in the summer of 2010, (where you could place your bottles, cans, glass containers, mixed paper, newspaper and corrugated in one bin), it was with the idea that it would increase recycling tonnage and make it easier for residents to recycle. Although recycling percentages have increased, we've also seen an increase in unacceptable materials and garbage that is ending up in resident's recycling containers. One of the major **DON'Ts** is plastic bags. **DO NOT PUT MATERIALS IN PLASTIC BAGS AND/OR LOOSE PLASTIC BAGS IN THE RECYCLING BIN.** Plastic bags wreak havoc on the machinery at the Ocean County Northern Recycling Processing plants in Lakewood. It causes down time due to the removal of the bags getting caught up in the equipment. The entangled bags also reduce the sorting efficiency of the equipment, resulting in plastic bottles winding up in the paper product. (See picture on left).

Just because something is made of plastic **DOESN'T** mean it is accepted in the county's single stream recycling program. Do not go by the recycling symbol on the container or product. ♻️ Plastic grocery or retail shopping bags, Ziploc, bread, cereal, salt, ice, produce & dry cleaning bags, newspaper sleeves, case-over wraps & bubble wrap can be brought to local grocery and retail stores such as Target, A & P, Kohls, Pathmark, Stop & Shop & Super Fresh to be recycled into decking lumber and other products. Look for the recycling bin near the entrance or customer service desk.

ACCEPTED MATERIALS ONLY: PLASTIC CONTAINERS where the neck is smaller than the base of the container. i.e. beverage, shampoo, laundry/dish detergent, milk jugs, condiments. **CANS:** aluminum, steel & tin, empty aerosol. **CORRUGATED:** cardboard & pizza boxes (clean & flattened) **MIXED PAPER:** magazines, catalogs, junk mail, envelopes, office, computer & school papers, newspapers plus inserts, brown paper bags, construction & wrapping paper, greeting cards. **DO NOT TIE OR BUNDLE PAPER. NO PHONE BOOKS.** They are collected separately. **IF IT IS NOT LISTED HERE IT DOES NOT BELONG IN YOUR RECYCLING BIN OR AT THE COUNTY'S TWO RECYCLING DROP OFF CENTERS. REMOVE ALL CAPS, LIDS & PUMPS AND THROW IN TRASH.**

UNACCEPTABLE: dairy tubs, (i.e. margarine, yogurt, sour cream); motor oil bottles, fast food containers, restaurant containers. Chip board or gray board (i.e. cereal, spaghetti, gift boxes.) **NO MIXED RIGID PLASTICS** (collected separately - see list below.)

MIXED RIGID PLASTIC RECYCLING PROGRAM

ACCEPTABLE PLASTIC

- Buckets *with* metal handles
- Milk/soda crates
- Laundry baskets
- Lawn furniture
- Landscape & microwave trays
- Totes - any size (*with metal*)
- Toys & playhouses
- Car seats
- Pet carriers
- Pallets
- Closet organizers
- Shelving
- Dish drainers
- Empty garbage cans (*any size*)
- 5 gallon water bottles
- Computer housing (no circuits)
- Automotive plastics
 - > Bumpers
 - > Bed liners (pickup trucks)
 - > Grills
 - > Side-view mirrors (no glass)
 - > Headlights & Rear lights
 - > Hubcaps, etc (no glass)
- Traffic signs

NON-ACCEPTABLE PLASTIC

- PVC Pipe/tubing, Vinyl Siding
- Plastic film (Grocery bags & Stretch film)
- Styrofoam of any kind
- Poly-coated Paper (Orange juice & milk cartons)
- Flexible Water Hoses, Hazardous material, Medical waste
- Narrow-neck liquid containers- Used small-mouth containers
 - > Small plastic containers (Yogurt cups, PET/HDPE Bottles, etc.)
 - > Oil/Chemical containers (HDPE)
- Coolers
- Flower pots
- Drums

Items must be brought to the Northern Recycling Center or the Southern Recycling Center Monday-Sat. 7:00AM-3:00PM.

Do not place at the curb with your single stream recyclables. For more information call 732-506-5047

SOLID WASTE DISPOSAL

For many years solid waste generated in Ocean County has been disposed of at the Ocean County Landfill Corporation Inc. facility. The Ocean County Landfill is privately owned, and utilizes a double composite liner system that is seven feet thick. The Ocean County Landfill is located on Route 70 in Manchester Township.

OCEAN COUNTY LANDFILL

Phone: 732-323-8528 Hours: Monday - Friday, 7:00 A.M. - 3:30 P.M., Saturday, 7:00 A.M. - 12:00 P.M.

Closed on Sundays, New Year’s Day, Martin Luther King Day, Presidents’ Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. Closes at 2:00 P.M. - Columbus Day and Veteran’s Day

FEES

Municipal Waste (Type 10).....	\$71.21
Bulky Waste (Type 13).....	\$81.21
Construction and Demo (Type 13C).....	\$110.00
Animal/Food Processing Waste (Type 25).....	\$102.65
Asbestos (Appointment Only).....	Please Call
Grass Clippings (Type 23).....	\$102.65

All payments must be made in cash or by the establishment of a pre-paid account. An NJDEP permit is required for solid waste disposal from all cars or trucks with a weight of more than 9,000 pounds. This permit must be secured from the NJDEP Division of Solid and Hazardous Waste — call (609) 292-7081.

SOLID WASTE AND RECYCLING HAULING COMPANIES

The services provided by the following companies will vary. All the companies provide roll off containers for solid waste or recycling. The larger companies have collection contracts with municipalities or retirement communities for solid waste or recyclables.

is required.
Registration is on a
first-come
first-served basis.

Hazardous waste will not be accepted from businesses, school boards or government agencies. Only Ocean County residential households and farmers are eligible for this free program. A driver's license or tax bill will be adequate proof of residence. Our staff can advise you about any materials you are unsure of.

Acceptable Materials: paints/thinners/boat paint, solvents, pool chemicals, pesticides and herbicides, aerosol cans, auto products, toilet and drain cleaners, silver polishes, oven cleaners, photographic chemicals, rug and upholstery cleaners, polishes and bleaches, waste oil and used gasoline.

ALL THE ABOVE MATERIALS, EXCEPT OIL AND GASOLINE, MUST BE IN ORIGINAL CONTAINERS

Maximum volume per household is limited to 200 pounds of dry materials and 20 gallons of liquid. Please, no containers larger than 5 gallons.

Unacceptable Materials: radioactive materials, dioxins, infectious waste ("Red Bag" wastes), explosives, unknown or unidentified materials.

No CONSTRUCTION WASTE OR ASBESTOS.

COMMERCIALLY-GENERATED COOKING GREASE

Cooking grease can be a hard on septic and local sewer systems. The following companies collect grease from restaurants and food service establishments for recycling:

Thermostat Recycling Corporation

To find participants in your area that accept mercury containing devices

866-266-0550 www.thermostat-recycle.org

PROPANE TANKS

BlueRhino collects and recycles the standard 20lb tanks. To find a BlueRhino nearest you go to BlueRhino.com Propane tanks are NOT accepted at the County's two recycling centers. Check with your local public works yard (see table page 6 & 7) OR ask your local Home Depot, Lowes or propane distributor about their trade-in policy. Scrap dealers may also accept them (see page 8) Ocean County **ONLY** accepts them as part of the Household Hazardous Waste Disposal Program.

Book Recycling

Better World Books accepts all books, soft or hard covered in good condition. There are 4 drop-off box locations in Ocean County. Two at the county's northern & southern recycling centers and two in Lakewood and Brick. Go to www.betterworldbooks.com to get locations. Also consider donating them to local charities or check out these other websites: www.donatetextbooks.org donationtown.org/news/donate-books.html www.recyclingnj.com/recycle/books.html

Needles, Syringes & Proper Disposal of Unwanted Household Medication

Do not set out your needles and syringes with your RECYCLABLES. For proper disposal visit <http://www.state.nj.us/health/eoh/phss/syringe.pdf> or call 609-984-6620. Do NOT flush unwanted medications or pour down sinks or drains. Traces of certain medications have been found in local waterways such as Barnegat Bay. They harm fish and wildlife. Improper disposal in your trash allows others to divert the substance medication not prescribed to them. Contact the NJ Dept. of Environmental Protection Solid & Hazardous Waste Program at 609-633-1418 or go to www.state.nj.us/dep/dshw/rtrp/disposal.pdf for more information.

There are currently 14 permanent prescription medicine drop-off boxes at police stations in Ocean County for residents to dispose of unwanted or expired prescriptions. These boxes are available 24 hours per day, 7 days a week. Do not deposit any type of sharps, syringes, or needles.

Barnegat Police Dept., Brick Twp. Police Dept., Jackson Twp. Police Dept., Lacey Twp. Police Dept., Lakewood Twp. Police Dept., Little Egg Harbor Police Dept., Long Beach Twp. Police Dept., Manchester Twp. Dept., Ocean Twp. Police Dept., Pt. Pleasant Boro Police Dept., Seaside Heights Police Dept., Stafford Twp. Police Dept., and Toms River Police Dept. For further questions please contact the Ocean County Health Department 732-341-9700 www.ochd.org/sharps-disposal.

Ocean County Paint Management Program

Full, partially full and empty paint cans are accepted at the following locations.

The limit is 20 paint cans per day.

The program is for Ocean County residents and taxpayers ONLY. Paint will not be accepted from businesses such as paint contractors.

Monday through Saturday 8:00 A.M. - 3:00 P.M.

1. **Ocean County Northern Recycling Center**, 601 New Hampshire Avenue, Lakewood Township, Building #68
2. **Ocean County Southern Recycling Center**, 379 Haywood Rd., Bldg. #105, Stafford Township
3. **Point Pleasant Beach Recycling Center**, Cooks Road, Point Pleasant Beach
4. **Toms River Township Recycling Center**, Church Road, Toms River
5. **Lacey Township Recycling Center**, Municipal Lane, Lacey Township
6. **Brick Township Recycling Center**, 836 Ridge Avenue, Brick Township
7. **Little Egg Harbor Township Recycling Center**, Route 539, Little Egg Harbor Township
8. **Berkeley Township Recycling Center**, Pinewald-Keswick Road, Berkeley Township
9. **Tuckerton Public Works Garage**, 445 Green Street, Tuckerton

Monday through Friday 9:00 A.M. - 3:00 P.M.

10. **Seaside Park Public Works Garage**, Barnegat Avenue, Seaside Park

This program is for latex, oil based and boat paints only, no stains, no varnishes, **NO POLYEURETHANE** or wood preservatives.

Ocean County

Electronics and Computer Recycling Program

OCEAN COUNTY NORTHERN RECYCLING CENTER
601 New Hampshire Ave. Bldg. #68
Lakewood Township

OCEAN COUNTY SOUTHERN RECYCLING CENTER
379 Haywood Road, Building #105
Stafford Township

Monday through Saturday 7:30 A.M. - 3:00 P.M.

The County accepts the following electronics from residents ONLY for recycling.

- | | |
|------------------------------------|--------------------------------|
| 1. Computer Monitors | 4. Televisions |
| 2. Central Processing Units | 5. Cell Phones |
| 3. Laptops | 6. Laser/Ink Cartridges |

As of January 1, 2011, due to the new **ELECTRONIC WASTE** recycling laws, televisions and computers can no longer be landfilled. Municipalities are required to make provisions to collect these items for recycling or residents may bring them to the County's two Recycling Centers.

OCEAN COUNTY 2016 RESIDENTIAL DOCUMENT SHREDDING PROGRAM

sponsored by
THE OCEAN COUNTY BOARD OF CHOSEN FREEHOLDERS
and

THE OCEAN COUNTY DEPARTMENT OF SOLID WASTE MANAGEMENT

- The Residential Document Shredding program is to provide residents and taxpayers with the opportunity to recycle their old documents and files safely and securely. Commercial and business documents are not accepted!
- The service representatives are uniformed, bonded and insured. Papers are shredded by pierce and tear method.
- The shredding unit features an automatic feeding and dumping system, eliminating human contact with your documents and forms.
- Each vehicle is limited to 6 boxes or bags of documents each day.

The program is for all paper documents and paper forms.

Paper clips and staples DO NOT have to be removed.

Unacceptable items are : X-Rays, CDs, floppy disks, micro film and file folders.

This FREE service is sponsored by the Ocean County Board of Chosen Freeholders

Questions:

Please call the Ocean County Department of Solid Waste Management at 732-506-5047

2 Good 2 Waste

Ocean County launched an internet-based waste exchange program in 2011 called **2Good2Waste Ocean County**. This is the first and only program of its kind to be launched in New Jersey. This exchange website is a great resource to help keep household and reusable items out of our waste stream and also save you money. It is very easy to sign up and post a listing. This exchange is **FREE** to all Ocean County residents. All listings must be \$99.00 or less. Each new listing goes to the exchange administrator for approval. No money is exchanged between the County and the members. <http://www.2Good2Waste.org/oceancountynj>

REUSE MARKETPLACE

The Reuse Marketplace is a free regional network for businesses, institutions, governments and organizations to find, sell, trade, or give away reusable and surplus items that would otherwise be disposed of as trash. The website is administered by the Northeast Recycling Council (NERC), a regional non-profit dedicated to an environmentally sustainable economy through source and toxicity reduction, reuse, recycling, and green purchasing. <http://www.reusemarketplace.org/>

OCEAN COUNTY MASTER COMPOSTER PROGRAM

The Ocean County Master Composter Program, which began in 2000, is sponsored by the Ocean County Board of Chosen Freeholders and the Ocean County Dept of Solid Waste Management. The premise of this program is to train a core of individuals to help educate Ocean County residents on how to manage the organic portion of their solid waste. Training classes, which are offered annually and free to Ocean County residents, are held in the spring or fall and are subject to demand. Although a gardening background would be helpful, it is not a requirement. Once training is completed, volunteers then agree to provide a total of 24 hours of outreach, education and service to promote the benefits of home composting.

Ocean County residents can learn the basics of backyard home composting in "How to" Compost Workshops that are held in the spring or fall each year. These workshops are offered free to Ocean County residents and taxpayers and are taught by the Ocean County Master Composters. Registration is required. Classes limited to 25 people.

For further information please contact

Mary Jerkowicz, Senior Program Monitor, at 732-506-5047.

COMPOST, MULCH & WOOD CHIPS - Are available to Ocean County resident and municipalities free of charge from the County's two recycling centers. Contact the recycling centers to check availability of these materials and where to pick up.
