PUBLIC QUESTION TO BE VOTED UPON

Public Question

Should the Borough of Point Pleasant Beach consider acquiring 113-115 Channel Drive, which is waterfront property along the Manasquan River, for open space and recreation purposes, including the establishment of a public park?

Interpretive Statement

The Borough Council has authorized this ballot question to obtain the public sentiment of voters pursuant to N.J.S.A. 19:37-1, making this a non-binding referendum.

A "yes" vote would indicate support for the Borough of Point Pleasant Beach acquiring 113-115 Channel Drive, which is waterfront property along the Manasquan River, for open space and recreation purposes, including the establishment of a public park.

The proposed acquisition cost of \$2.86 million is anticipated to be defrayed by a \$1 million matching grant from the Department of Environmental Protection's Green Acres Program. The Borough also continues to seek further sources of grant funding which, if obtained, would be utilized to further defray the acquisition costs to the Borough.

A "no" vote would indicate opposition to acquiring 113-115 Channel Drive.

Your vote will inform the Borough's consideration of this issue but will not require the Borough to adopt any particular policy or position on the matter.
