Help for Sandy Storm Survivors

The World Renew Disaster Response Services will be conducting community assessments of unmet needs for Ocean County residents. These interviews will be very important in documenting the current unmet needs and assist in moving forward to gain the resources to help meet those needs. So we encourage those who still have unmet needs to come out to The People's Pantry.

The People's Pantry

1001 Fischer Blvd

Toms River, NJ

Monday June 17th 10am – 6pm

Tuesday June 18th 10am – 6pm
