### Ocean County Vaccine Clinic Information:

Please note that the OCHD COVID-19 vaccination clinics are now being restricted to Ocean County residents. (Out of county residents that have a second dose appointment scheduled with us will be honored. Ocean County residents will be required to have ID showing proof of residency)

- You **MUST** have an appointment to receive a COVID-19 vaccine at any of the Ocean County Health Department's (OCHD) vaccination sites. Please note that the OCHD does not have any reserve (leftover) vaccine at the end of the day. Therefore, anyone who shows up at the end of the day without an appointment will be turned away.
- Appointments are **NONTRANSFERABLE!** Only the person named on the appointment will be able to receive the COVID-19 vaccine at that specific date/time. Please do **NOT** send anyone else in your place – they will be turned away.
- Anyone who received their first dose of the COVID-19 vaccine at one of the OCHD vaccination sites can expect to receive their second dose email within 2 weeks of receiving their first dose. The second email will direct you to a link to schedule a second dose appointment.

Please visit [www.ochd.org](http://www.ochd.org) for available appointments. Please be reminded that appointments are **LIMITED DUE TO A SHORTAGE OF VACCINE!** The OCHD advises you check in frequently as appointments will only open at this moment in time when there is a cancellation and then the schedule page window will close. We appreciate your patience as we await additional vaccine.
