# Ocean County Parks & Recreation Golf Courses

**Ocean County Golf Course at Atlantis**  
261 Country Club Boulevard  
Little Egg Harbor, NJ 08087  
(609) 296-2444

In 1988, the County of Ocean purchased Atlantis Golf Course from a private owner. This par 72 championship course was designed by George Fazio in 1962. The course is quite challenging to golfers of all levels and has been touted one of the best laid out courses in New Jersey.

Ocean County Golf Course at Atlantis offers long sprawling fairways through the beautiful South Jersey pines. The rough makes the course even tighter so the goal off the tee is not just keeping the ball between the tree lines, but to keep the ball in the fairway for an easier approach shot. Dog-legs and the fact that traps at times narrow the fairways, rather than just define them, make the course one that demands some skill off the tee. The large and speedy greens are always in immaculate condition and will test the putting skills of all golfers. The sixth, Atlantis' signature hole, is a challenging par 3 that makes the golfer hit over a pond while demanding precise distance control and accuracy.

Some other features of Atlantis the public will enjoy taking advantage of are a full driving range, large and well-manicured putting green and a chipping green with sand trap. The course also has made some improvements by adding forward tee boxes, this allows golfers of any level to an enjoyable experience and test their skill levels within their means.

Atlantis also offers a first class restaurant, Cuisine on the Green, that is open to golfers and the general public. There is also a half-way snack bar that is part of our newly renovated pro shop.

Ocean County Golf Course at Atlantis offers very affordable rates while it still compares to many private golf course settings. So whether you're a full time Ocean County resident, Atlantis is the place to be for your next golf experience.

**Ocean County Golf Course at Forge Pond**  
301 Chambers Bridge Road,  
Brick, NJ 08723  
732-920-8899

In 1985, The Ocean County Board of Chosen Freeholders accepted a parcel of land from the Township of Brick with the understanding that it would develop the 300 acres, a portion of which is environmentally sensitive, into a golf course for the residents and those visiting Ocean County to enjoy. Five years later, Ocean County Golf Course at Forge Pond opened its fairways to the public. The course, a challenging par 60 "executive" course is designed by golf architect Hal Purdy to offer a challenge to the experienced golfer while affording the novice a course on which to improve their skills.

Ocean County Golf Course at Forge Pond in Brick offers dramatic elevation changes, undulating fairways and greens, sculpted bunkers and strategic layouts. The narrow, tree-lined fairways add to the excitement of this delightful course. The eighth, Forge Pond's signature hole, is a particularly challenging uphill par 3. Players of all levels will enjoy a tough, yet enjoyable golf experience.

One of the unique features of Forge Pond Golf Course is the natural areas through which the cart paths meander. Alive with songbirds and small animals as well as an abundance of wildflowers, the area is a refreshing contrast to the sculptured fairways and greens. The breathtaking beauty of the Metedeconk Watershed, the soothing sound of the surrounding wildlife and the natural vegetation only add to this truly amazing golf course.

Forge Pond is also the base for the popular "Night Golf Tournament." This unique sport features glow-in-the-dark balls, resulting in an unforgettable golfing experience.

Overall, Ocean County Golf Course at Forge Pond has much to offer golfers of all abilities. So, if you are looking for an affordable alternative to many private courses in Ocean County, dust off your clubs and head out to Forge Pond.
