Dear Recording Customer:

I would like to invite you to attend a seminar our office will be conducting on e-Recording.

Your participation will allow you to see how over 1,000 National and Local companies are saving time, increasing accuracy and saving money by e-Recording! This informative seminar will unveil a new additional e-Record Service which features the electronic recording of Deeds in Level II.

The seminar will take place on Wednesday, June 20th starting at 9:00 AM and will be held at the Ocean County Library (Mancini Meeting Room) located at 101 Washington Street in Toms River. A flyer containing information on the seminar is enclosed with this letter.

This seminar is perfect for companies new to e-Recording and beneficial as a refresher for current users as well as a valuable educational resource for title companies, mortgage companies, law firms, financial institutions and government agencies.

If you are interested in attending you need to register in advance by e-mailing the enclosed form to our office. Seating is limited and the deadline to register is Friday, June 15th. A Continental Breakfast will be available. We look forward to the opportunity to interact with you and hear your comments and suggestions on our e-Recording services.
