BARNEGAT PINES

A lake development among the pines

IF YOU RIDE:—You will find the winding, graveled roads and bridle paths a source of never ending delight. Here you may leave your home, and in a flash be in Nature's own countryside.

IF YOU SWIM:—The wide, sparkling expanse of Barnegat Bay will tempt you and give you an opportunity for the most delightful salt-water swimming you have ever enjoyed. The clean sandy bottomed lakes and rivers on the property offer you fresh water bathing, if you prefer.

IF YOU FISH:—Barnegat Bay offers unlimited sports, and inland lakes will taunt the most enthusiastic angler with their prizes. A great variety of fish abounds in this section.

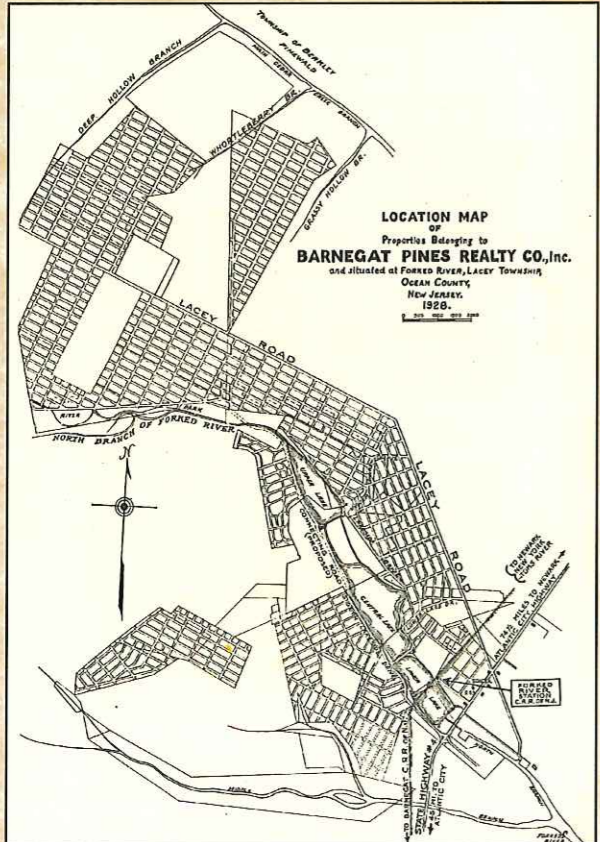

COME TO BARNEGAT PINES

HERE YOU CAN enjoy the cool salt-laden breezes which blow continually from the ocean. Its sweet aroma not only has a tang that puts "pep" into your being, but acts as an excellent nerve tonic for the worn-out man or woman. The pine-scented air adds vigor to your being and makes you take on a new lease on life.

Think of the pleasure to be derived from spending the long summer days with your family and friends in your own home in the country on the famous shores of New Jersey.

Literally, Barnegat is a sportsman's paradise. The broad expanse of Barnegat Bay, the many inland lakes, the woodlands, furnish the opportunity for every sort of out-of-door sport.

THOMAS T. GRAHAM, President

"My entire thought and energy is being devoted to making Barnegat Pines the greatest resort in the Country, where thousands of people will enjoy the many advantages which nature has so abundantly bestowed in that section, with the thought of blazing the trail to where thousands of men, women and children will find health, happiness and wealth in a natural playground. This is the monument I wish to leave as my life's work."

The Barnegat Branch Trail logo was explicitly designed with history in mind: Lady Liberty's silhouette is reminiscent of the Central Railroad of NJ (CNJ) logo, adopted by the railroad in 1944 to reflect the close proximity of the CNJ terminal in Jersey City to the Statue of Liberty. The BBT logo also includes a ghost locomotive, as well as Ocean County's most recognizable environmental features.
