B. ROLL CALL

C. STATEMENT Compliance with the Open Public Meetings Act

Gerry P. Little, Freeholder Director, read the following statement of compliance with the Open Public Meetings Act:

"In compliance with the 'Open Public Meetings Act', this notice has been advertised in the manner as prescribed by law."

D. THE PLEDGE OF ALLEGIANCE AND PRAYER

DIRECTOR LITTLE: "We're going to ask in a second for everyone to please stand for the Pledge of Allegiance and a prayer. And then we're going to have a moment of silence for our dear friend, Freeholder John Bartlett. And then I'm going to read a statement on behalf of the Board of Freeholders. And then we're going to have a special presentation by our wonderful friends from OCUA. So would everyone please stand now for the Pledge?"

E. MOMENT OF SILENCE in Honor of Freeholder John C. Bartlett, Jr.

DIRECTOR LITTLE: "Thank you Clerk of the Board. And now we will have a moment of silence for Freeholder Bartlett.

(Moment of silence observed)

Thank you all. Please be seated. When Freeholder Bartlett passed away we had a statement prepared for the Board, and we entered this into the official record at our workshop last Wednesday. But we wanted to also enter this in our public record for our public meeting today. So I will read this statement.

'One week ago, on Wednesday, Dec. 12, our friend and colleague, Freeholder John C. Bartlett, Jr. passed away following his hard fought battle with cancer. This Board, joined with his family and friends at services Saturday to mourn the loss of a special man who dedicated most of his adult life to public service. Freeholder Bartlett leaves an indelible mark on Ocean County and we are so very sorry that he will no longer be with us to serve our citizens and work with us as a Board.

There are few areas of Ocean County that have not been impacted by Freeholder Bartlett's work. For 39 years, he has served as a steward of our environment, the architect of the County budget, a champion of Ocean County College and a man truly dedicated to public service. Born and raised in Ocean County, Freeholder Bartlett started his public service in 1974 when he was elected to the Pine Beach Council. A few short years later, he was elected to the Board of Freeholders. He often said that being a Freeholder was the best-elected position you can have doing the most good for your constituents because you always remained close to them.

Freeholder Bartlett took his work on the Board seriously and helped citizens through the most difficult of times like the aftermath of Superstorm Sandy. Yet he also enjoyed his time on the Board as he talked about his family and his love for gardening and history. Freeholder Bartlett always spoke with great delight about his wife, Peg, his children and his beloved grandchildren. They all became our family too.

John's passing is a profound and deep loss for all of us on the Board of Freeholders. While he was the longest-serving Freeholder in the State of New Jersey, we all had the privilege to call him our longest-serving friend. Saying goodbye is difficult for all of us. We will forever keep his family in our thoughts and prayers.'

And with that, if there are any other members of the Board who would like to comment, we have all commented on several occasions on this now. Would anyone like to comment? Freeholder Haines."

FREEHOLDER HAINES: "No I just wanted to say...thank you Freeholder Director. I just want to say that John's going to be truly missed by each and every one of us up here and I know by the Ocean County family as well as the citizens of Ocean County. But I do have to compliment his son Jay on an outstanding eulogy that he gave the other day. He just talked about John's life fully. Just hit every part of his life and he did it in such a beautiful way. It was a very good tribute that Jay did for John and I know John, looking down, he was very, very proud of his son Jay for what he did. And as I said, John's going to be sorely missed by all of us. Thank you."

DIRECTOR LITTLE: "Thank you Freeholder. Anyone else? We don't usually do this but I would also like to thank two of our reporters that cover us – Jennifer and Erik. They both have written several, actually very, very wonderful articles about John and we do appreciate it from both of you."

F. PRESENTATION

DIRECTOR LITTLE: "Now we have a good friend, a dear friend of Ocean County, and he looks like he's brought along half of the Ocean County Utilities Authority with him. And we're so happy to see them – familiar faces. We don't usually get to see most of you at our Freeholder meetings. It's usually some kind of another event. But we would invite our Chairman and Mayor Emeritus, John Parker, to please come forward. And is Alan coming up with you? Is that the plan or what?"

JOHN PARKER: "Only if he behaves himself."

DIRECTOR LITTLE: "Only if he behaves himself." (Laughter)

JOHN PARKER: "I brought Keith Marcoon."

1. To the Board by OC Utilities Authority Chairman John C. Parker.

DIRECTOR LITTLE: "Okay, very good. Chairman of the Ocean County Utilities Authority, John Parker."

JOHN PARKER, CHAIRMAN, OCEAN COUNTY UTILITIES AUTHORITY: "Thank you very much."

DIRECTOR LITTLE: "You're welcome."

JOHN PARKER: “If I’d have given that it would’ve been a lot more colorful I think. Keith come on up here. You all know who I am, John C. Parker. I’m Chairman of the OCUA and Keith Marcoon is our newest Executive Director and he’s doing a fine job. The County’s safe with this gentleman there, believe me.

When you talk about John Bartlett and we’re here to honor him, we did so down at the park that day. But we’re here today to honor him from the Ocean County Utilities Authority which he was liaison for many, many years. And I was very close to John. We were political allies, but I was a dear friend of his also. And not many people know it but he used to work for me in the construction business. When he was a college student he’d work for me in the summer months. So we got to be very, very good friends and you all know his favorite statement. If you met him on the street he’d say, ‘John, is it still running downhill?’ That’s all he wanted to know. Is it still running downhill? So, yes it is running downhill and we are very, very proud. We have 264 employees at the OCUA and it was all created by this Board of Freeholders. I remember many of the ones that are gone now. But they all put this together. And I had the honor of making a motion to form the OCUA. It was a sewerage authority then. But I had the honor to make the motion as a young mayor from Lacey Township. We were very close. John was very close. And I remember when he first took office in Pine Beach, I said to him, ‘John, I’m going to give you a little advice. Easiest thing in the world is create an Ordinance. The hardest thing in the world is to get rid of it.’ And then he came back years later and he said, ‘Parker, you’re down there at that OCUA. Don’t embarrass me.’ He said, ‘Whatever you do, whatever you foul up, make sure you tell me before it hits this boardroom.’ So he kind of got even with me.

At this moment, I’d like to have everybody from the Authority stand up.”

DIRECTOR LITTLE: “And would each of you introduce (yourself) to the public, real quickly. Just start over there.”

FRANK SEDEGHI: “I’m a Commissioner.”

HELEN FAYAD: “I’m a Commissioner.”

CAROL SCULL: “I’m a Commissioner.”

DAN HENNESSY: “I’m...”

DIRECTOR LITTLE: “We never...you’re not familiar with this room.” (Laughter)

DAN HENNESSY: “Yes, I’m a Commissioner as well.”

KATHERINE BALASSONE: “Executive Assistant.”

DAVID STUPAR: “The Director of Information Services.”

ROBERT SHERTENLIEB: “Senior Director of Operations and Maintenance.”

HARRY NOGOWSKI: “Division Manager of Central Division.”

JIM IRONS: “I’m the Manager of the Southern Division.”

RAY BUDIN: “Director of the Northern Division.”

MARGARET HANSEN: “Director of Human Resources.”

PETER KUSION: “Director of Fertilizer Manufacturing Division.”

WILLIAM DEMAND: “Director of Finance.”

OSCAR CRADLE: “Commissioner.”

ALAN AVERY: “Commissioner.”

WATSON PHARO: “Commissioner.”

DIRECTOR LITTLE: “Alright.”

(Applause)

JOHN PARKER: “One gentleman that’s not here today is Jesse Tantillo. A lot of people don’t realize but he represents Monmouth County Board of Freeholders in the southern part of Monmouth County because we handle all their effluent. So a lot of people forget that. And at this time I’d like to have Keith Marcoon say a couple of words and present this beautiful plaque.”

KEITH MARCOON, EXECUTIVE DIRECTOR OF THE OCEAN COUNTY UTILITIES AUTHORITY: “Yes, thank you. Thank you Mr. Chairman, Board of Chosen Freeholders. Thank you for this opportunity to present this resolution on behalf of our Chairman and the Board of Commissioners of the OCUA. I’d just like to briefly say that the leadership principles of your colleague and friend, John Bartlett, Jr., his financial approach to financial management and his communication style with the constituents, resounds with me and members of the Authority for years to come. I’m pleased to present this wonderfully framed resolution from the Board of Commissioners, dated November 20, 2018, along with a nice aerial photograph of the newly renamed park in Berkeley Township.”

DIRECTOR LITTLE: "Thank you very much."

(Applause)

JOHN PARKER: "I hope you'll put this up in this building somewhere as an honor to John."

DIRECTOR LITTLE: "Well, we'd like to put it in here, I think."

FREEHOLDER HAINES: "Yeah, I think it would be very good."

DIRECTOR LITTLE: "In this room."

FREEHOLDER HAINES: "Yes, down there."

DIRECTOR LITTLE: "And on behalf of the Board we thank all of you for the work that you do. It's a good organization and it's a very important job to keep our environment clean. And safely and appropriately handle our municipal waste. So, thank you very much."

JOHN PARKER: "Are we allowed to exit the building at this time?" (Laughter)

DIRECTOR LITTLE: "We will pause while you get out of here." (Laughter)

JOHN PARKER: "Okay. Good. Alright troops." (Laughter)

FREEHOLDER KELLY: "Thank you all."

JOHN PARKER: "Don't spend all my money now."

FREEHOLDER VICARI: "Okay, we don't have to."

FREEHOLDER KELLY: "You can all be home in time for dinner."

DIRECTOR LITTLE: "Dan. Dan can you find your...thank you...can you find your...Watson good to see you - Mayor. Dan, can you find your way out at all? I mean, do you get lost in this building?"

DAN HENNESSY: "I did once before."

DIRECTOR LITTLE: "Alright."

DAN HENNESSY: "I remember that day very well. I took a walk in Beaver Dam Park this morning with the dog so just to think about some of the things that John did."

DIRECTOR LITTLE: "Alright, with that we shall now move into our regular agenda, and would our Clerk of the Board proceed please."

G. RESOLUTION - PUBLIC HEARING

CLERK CILENTO: "Director, we have three resolutions for Public Hearing. They're all Natural Lands."

1. Accepting the recommendation of the OC Natural Lands Trust Fund Advisory Committee to participate in the acquisition of property identified as Block 40, Lots 2, 767, 768 and 1291-1313 in the Township of Toms River totaling approximately 6.99 acres located on Cleveland Street, in a total amount not to exceed \$155,000.00 plus up to \$1,270.00 for property tax adjustments.

Clerk Cilento read the Ocean County Natural Lands Trust Fund Advisory Committee recommendation resolution by title, which was scheduled for Public Hearing at this time.

DIRECTOR LITTLE: “Okay, this is the property that has been recommended by our Natural Lands Trust Advisory Committee. Again, it is 14.4 acres in Toms River. And this is the area here. (Shows map). And this is the headwaters of the Toms River running through here. And this is to protect the watershed of this area. And this is already a conservation area. And these are the two sites right here. So this...do I have the right one up? This has two appraisals and this is well within the appraised value and it is...we eventually would like to put a trail system – a walking and hiking trail system through there. So, and it also has approvals for an 18 lots sub-division. And so it’s very important to conserve this area. And it is, again, a forested area. So with that, we will open the Public Hearing. Would anyone wish to comment on this particular acquisition? Seeing none, we’ll close the Public Hearing and ask for a motion to approve.”

On motion duly made by Freeholder Vicari, seconded by Freeholder Haines, the Ocean County Natural Lands Trust Fund Advisory Committee recommendation resolution was adopted on final reading.

CLERK CILENTO: “And Director, was that, the acreage for that was 6.99? Is that correct?”

DIRECTOR LITTLE: “Yes. I gave the wrong number, yes. 6.9 Instead of 14.4.”

2. Accepting the recommendation of the OC Natural Lands Trust Fund Advisory Committee to participate in the acquisition of property identified as Block 40, Lots 756 and 766 in the Township of Toms River totaling approximately 4.98 acres located on Sayreville Street, in a total amount not to exceed \$110,000.00 plus up to \$467.00 for property tax adjustments.

Clerk Cilento read the Ocean County Natural Lands Trust Fund Advisory Committee recommendation resolution by title, which was scheduled for Public Hearing at this time.

DIRECTOR LITTLE: “And again, this is the same map. These two acquisitions are adjacent to each other. And the first one was right here and the second one is right here. And again, this is a wooded tract and it’s adjacent to the watershed area of the Toms River. And it has been approved by our Natural Lands Trust Advisory Committee. And it is well within the appraisal, appraised price. And this has two single family homes that have been approved for this. So with that, we will open the Public Hearing on this acquisition. Would anyone care to comment on this? Seeing none, we’ll close the Public Hearing and ask for a motion to approve.”

On motion duly made by Freeholder Kelly, seconded by Freeholder Vicari, the Ocean County Natural Lands Trust Fund Advisory Committee recommendation resolution was adopted on final reading.

3. Accepting the recommendation of the OC Natural Lands Trust Fund Advisory Committee to participate in the acquisition of property identified as Block 413, Lot 8 in the Township of Toms River totaling approximately 15.40 acres located on North Bay Avenue, in a total amount not to exceed \$2,000,000.00 plus up to \$6,304.00 for property tax adjustments.

DIRECTOR LITTLE: “And now we’re going to do this 15 acre property.”

Clerk Cilento read the Ocean County Natural Lands Trust Fund Advisory Committee recommendation resolution by title, which was scheduled for Public Hearing at this time.

DIRECTOR LITTLE: “This acquisition is, again very important, environmentally, in a greenway. This is the Kettle Creek Watershed Conservation Area. (Shows map) This is Toms River Veterans Recreation Complex. This is the North Bay Avenue Extension which was acquired previously. And this is the acquisition that we’re proposing at this point. And this is, again, 15.4 acres. And this has been sub-divided for 18 homes and it is well within the appraised value. And again, we’re talking about watershed areas here – all of these little blue lines are small creeks. Eventually they all end into the Toms River. So, again we’re talking about an entire greenway through here which is a wonderful area for preservation of our great County. And this is the golf course here – the Bey Lea Golf Course. So we have an entire greenway throughout this area of Northern Toms River.

So, again, this has been recommended by our Natural Lands Trust Fund Advisory Committee of which we have at least one member here. And we appreciate their dedication to our long-standing effort to preserve Ocean County. And are there any questions? We will open the Public Hearing on this proposal. Would anyone like to speak on this? Seeing none, we’ll close the Public Hearing and we will ask for a motion to approve the recommendation.”

On motion duly made by Freeholder Haines, seconded by Vicari, the Ocean County Natural Lands Trust Fund Advisory Committee recommendation resolution was adopted on final reading.

DIRECTOR LITTLE: “And before we continue, I would like to acknowledge our Freeholder- Elect Gary Quinn is here. And we thank Gary for being here. And also, again, our Prosecutor, Brad Billmire.”

PROSECUTOR BILLHIMER: “Billhimer.” (Laughter)

DIRECTOR LITTLE: “Billhimer.” (Laughter)

PROSECUTOR BILLHIMER: “You got it.”

DIRECTOR LITTLE: “You got it.”

FREEHOLDER KELLY: “Mr. Prosecutor. I forgot your name.” (Laughter)

PROSECUTOR BILLHIMER: "Thank you."

DIRECTOR LITTLE: “Alright, that’ll be my New Year’s resolution. I have another one I’ll tell you about. Some other time.

Alright, would you continue MAC?”

On motion duly made by Freeholder Haines, seconded by Freeholder Kelly, the resolution was adopted on final reading.

DIRECTOR LITTLE: “And it’s been my pleasure to be...the entire Board, of course, works on many, many occasions with both Tom and Ernie. It has been my great pleasure to have the opportunity to be their direct liaison for a number of years. And I’d like to thank them both. They’re both going to be very, very difficult to replace. And we’ve been very proud of their service to the County. Being the Road Department Supervisor, one of the biggest jobs, you know, somebody is always complaining about a pothole or a road or a snowstorm. And you didn’t get my...and Tom’s done just a fantastic job managing that.

And Ernie is Mr. Purdue. Tom, by the way, is going to head off to Florida, so don’t feel too bad for him. He’s going to go to, what, Disneyland? And then he’s going to go see his old friend Jimmy Lacey and their beautiful home down there. So we can sympathize a little bit with you, Tom, on that. And I don’t where Ernie’s going to go, but I know he’s Mr. Purdue. And I think Alan is feeling very proud of this because I think Alan probably was instrumental in helping to get Ernie on his way here as one of the most important components of our County Government and our service to the people. And as you heard from the Resolution, Ernie did much more than just run Solid Waste. He’s an engineer, so now he’s going to retire from the County and become a millionaire as an engineer. You know, I mean that’s right Ernie, right? So would Ernie and Tom come up and the entire Board come over here for a photograph? And welcome Ernie and Tom."

(Applause)

V. FREEHOLDER COMMENTS

At 4:37 PM, Freeholder Director Little received the following comments from members of the Board:

DIRECTOR LITTLE: “And with this, this concludes this year. And I want to thank the members of this Board. I want to thank our Administrator, all of our Department Heads and our staff for a great year. I appreciate all your support and this is my last meeting as Director unless you guys hold me over.”

FREEHOLDER HAINES: “You never know.”

DIRECTOR LITTLE: “I know. I really do appreciate it. The year went very fast and we had quite a year when you think about it. And we had a terrible loss, of course with John, but especially at that time, all the members of the Board and all of our staff and all of you out there, our Directors, our Independent Agencies-our Health Department, our Board of Social Services, the OCUA that was here, our Library - everyone pulled together and got us through a very difficult time for Ocean County, so we really, really appreciate that. We managed to trim our County tax rate again a little bit which we’re very proud of. And hopefully we can pursue the same direction next year. And I thank everybody for their support - Freeholder Vicari, Freeholder Kelly, Freeholder Haines and again, our Administrator and every one of you. It was a great year and I thank everybody. We look forward to many exciting things next year on the horizon under whomever takes the leadership here. We’ll be there to support that individual and work very hard. Again, so thank you. And with that, Freeholder Kelly.”

FREEHOLDER KELLY: “Thank you Mr. Director. First I want to congratulate you on a very good year. You did take us through some difficult times. It was an emotional year and you handled these meetings just as good as anybody could, and the issues that we had to meet together, and I thank you and I congratulate you. To Gary Quinn – I just want to say, hope you enjoy this meeting because this is the last time you can sit out there. (Laughter) How long you going to have to be up here and be responsible for what actions are taken. But we’re very happy with your victory and look forward to serving with you come January 2nd.”

GARY QUINN: “Thank you Jack.”

FREEHOLDER KELLY: “And next time, you know, if you could get here when you’re supposed to and...”
(Laughter)

GARY QUINN: “Actually...”

FREEHOLDER KELLY: “Not use a bridge as an excuse for not getting here.”

GARY QUINN: “Anybody heading south, Lacey Township, is like Memorial Day weekend right now, so plan your time accordingly.”

FREEHOLDER KELLY: “My understanding, and tell me if I’m wrong, from the Sheriff, was that traveling southbound is no issue, but you’re telling me that’s wrong?”

GARY QUINN: “Coming northbound. Yeah if you’re coming...”

FREEHOLDER KELLY: “I’m going to go south. Can I do it that way? (Laughter) Or should I take 539?”

GARY QUINN: “You’re going to be good.”

FREEHOLDER KELLY: “Oh okay, good. That’s what I wanted to make sure. And to all my colleagues on the Board, congratulations to all of you on a good year, a difficult time that we all had together. I’m just proud to be part of this team that works so closely together. Thank you Mr. Director.”

DIRECTOR LITTLE: “Freeholder Vicari, are you going north or south?”

FREEHOLDER VICARI: “I’m only going about one mile away. (Laughter) I just want to congratulate Freeholder Director Gerry Little for doing an excellent job this year. I think the proof is that, you know, for many of my years as a Freeholder, a lot of the concerns that people have were addressed before they came to the meeting. A part of what we do is having our professional staff and our offices and our secretarial staff making sure they address any concerns. So being responsive means they don’t have to come to a meeting. They don’t have to come before the microphone and say, ‘Look, we have a problem.’ So you did an excellent job and I really appreciate that.

I think, for me, the most important thing now is to wish everyone a happy, great and healthy holiday. And I think the real strength of Ocean County when you look at it, is one thing, between Thanksgiving and the Christmas holiday – the generosity of our residents. And it’s very difficult for some people in difficult times. They don’t have what it is to put food on the table, take care of their families. And in Ocean County, many of the organizations that we have are non-profits. They come out and they say, ‘You know something? No one will be needy.’ And if you look at what took place, for example, if you read what took place during Thanksgiving time, tens of thousands of people received food. And it just happened. You know what? There were no major problems where people said, ‘Well, I’m not going to celebrate Thanksgiving.’ The same thing happens right now as far as when we celebrate Christmas – the spirit of Christmas. It’s still there in Ocean County. And it’s not just with this governing body. I think it’s ingrained in all of our residents from all ages and all counties and the entire county.

So again, I’d like to wish everyone not only a Merry Christmas, but I think the most important thing is the spirit. And it will carry on where it’s people helping people. Neighbor helping neighbor. People care about themselves. And the most important thing that you have in Ocean County is one thing - compassion to help other people. So, again, I wish everyone a great holiday.”

DIRECTOR LITTLE: “Thank you Freeholder. Freeholder Haines.”

FREEHOLDER HAINES: “Thank you Mr. Director. I just want to thank you for a wonderful 2018. It’s been a pleasure serving as a fellow Freeholder with you during 2018. You did an excellent job. As both Freeholder Vicari

and Freeholder Kelly said, you know, we had some difficult times, especially near the end of the year with losing Freeholder Bartlett, but I want to thank you for what you have done - your guidance that you have given throughout the year, and look forward to 2019. And I just want to wish all of the employees and all of the people of Ocean County a very happy and healthy New Year. And if you are traveling, please travel safe, wherever you're going. If you're going north or if you're going to Florida or Tahiti or wherever you may be going. Have a safe trip and enjoy if you're going to be with family, enjoy your family during this holiday season because as Joe always says, family is very important. It is to me and I know it is to each and every one of you and I just want to wish you all the best. And please remember our men and women in the service that are away from home and please say a prayer for them. Thank you."

DIRECTOR LITTLE: "Very nice Freeholder. We certainly do want to remember our servicemen and servicewomen around the world. And speaking of traveling, everybody's traveling here. Everybody's talking about going north and well I'm going west." (Laughter)

FREEHOLDER HAINES: "I'm going to Toms River."

DIRECTOR LITTLE: "If you look at the parking lot, there's a 1994 camper out there. It's all packed. It's ready to go. It's heading to Memphis. My dad is still around at age 94 in assisted living, so I'm going to go. And just for the record, the poll is still open to see how far I get without a breakdown. (Laughter) They take a poll."

FREEHOLDER HAINES: "Do think you'll go past Jackson?"

DIRECTOR LITTLE: "A 'pool.' Not a poll. (Laughter) A pool."

FREEHOLDER KELLY: "How far did you get Monday night?"

DIRECTOR LITTLE: "I broke down going from the Holiday Inn to Long Beach Island. (Laughter) But that was not my camper. That was my 1991 Ford F-150 pick-up."

FREEHOLDER KELLY: "I'm going to get you a horse."

(Laughter)

FREEHOLDER HAINES: "Gerry, I have to tell you this. One of the first meetings...the second meeting I was at, you were going to take a trip to Washington State. You were talking about this 'pool.'"

DIRECTOR LITTLE: "Yes. 'Pool' not poll."

FREEHOLDER HAINES: "'Pool.' I said pool. And I said, 'How far did you get?' He got as far as Jackson Township." (Laughter)

DIRECTOR LITTLE: "Yup."

FREEHOLDER HAINES: "So now I understand. So it's still open. You've got to get in on it."

DIRECTOR LITTLE: "But what I didn't tell you is, that in order to get...I only went to three Penn State games this year because of the campaign and Gary and I were all over the County every weekend. So, it's been sitting since like the third week in September, okay. So to get it on the road today cost me \$1,551.16. Three tires and four shocks and a lot of other work. So, in any event, she's ready to go now and we'll see how far I get. I hope to get back, you know, January 2nd is an important day."

(Laughter)

FREEHOLDER HAINES: "Why?"

DIRECTOR LITTLE: "Because Gary and I are going to be sworn in."

FREEHOLDER KELLY: "We'll let you know how it went." (Laughter)

DIRECTOR LITTLE: "I'm hoping to get back. I'm hoping."

So with that, and I join Jack and Joe and Ginny in wishing everyone a wonderful Christmas and a blessed New Year. And we will, of course, all be keeping our nation in our prayers and all of our armed forces who are out there."

W. PUBLIC COMMENTS - "Comments from members of the audience are invited at this time with a limit of five (5) minutes per speaker."

At 4:46 PM, Freeholder Director Little opened the meeting to receive comments from members of the public.

DIRECTOR LITTLE: "And with that we will open up the Public Hearing. Would anyone wish to comment on today's events or anything? Sure, come on up."

ALIZAR ZOROJEW, EXECUTIVE DIRECTOR OF DOWNTOWN TOMS RIVER

BUSINESS IMPROVEMENT DISTRICT: "Well I didn't know I was attending such a ceremonious Freeholder's meeting this week."

DIRECTOR LITTLE: "There you go."

ALIZAR ZOROJEW: "But I did want to stop by and go through the whole thing here. My name is Alizar Nicholas Zorojew. I'm from the Downtown Toms River Business Improvement District. And first and foremost, I wanted to come out and pass on the Business Improvement District Board's condolences for the loss, and really to the entire Ocean County Government family, to the loss of Freeholder Bartlett. We're very sorry.

Secondly, I'd like to provide a quick update and show our appreciation for allowing us or permitting us to use the lawn here for the Farmer's Market all summer and then through the fall. We had a great season. Our vendors were happy. Customers were happy. And we had a really good time out there for the second year in a row. Now I will tell you that this was never meant to be a permanent location as it was always indicated from your side of the dais here. And we understand that and appreciate that. So we are actively seeking alternative locations for next year, but we're not necessarily cutting off ties just yet. We'd love to be able to keep going as a default, as a fall back plan, but I'll be sure to keep you in the loop best I can as we explore these other options for a proper place for our Farmer's Market.

In addition to that, I want to thank Freeholder Vicari for coming out to our ribbon-cutting that we put together for the 'Legion Square Village Apartments.' It's some, new residential units in downtown for folks to live and work and play there. And also, of course, as we got a chance to mention before the meeting, for giving us a plug in the 'Shop Local' ad that you guys have put together for doing local shopping in the holiday season.

So that's it. I wanted to give the special thanks for the Farmer's Market and wish everyone a Happy New Year and see everyone next year."

DIRECTOR LITTLE: "Thank you very much and Happy New Year. And we appreciate all the work that your organization is doing to bring back downtown Toms River – make it economically viable for businessmen and businesswomen locally."

ALIZAR ZOROJEW: "Looking forward to doing business with you guys next year for that common goal."

DIRECTOR LITTLE: "Thanks very much."

ALIZAR ZOROJEW: "Thank you."

DIRECTOR LITTLE: "Would anyone else like to speak? Seeing that, we will end this meeting and close the Public Hearing and ask for a motion to adjourn. Merry Christmas everyone."

WHEREAS, a career which has been characterized by competence, diligence and loyalty, will now be exchanged for a well-deserved retirement.

NOW, THEREFORE, BE IT RESOLVED that the BOARD OF CHOSEN FREEHOLDERS of the COUNTY OF OCEAN, STATE OF NEW JERSEY hereby recognizes and extends deepest appreciation and thanks to JOHN T. John C. Sahradnik, Jr., County Counsel

Freeholder Bartlett was not present due to his current medical situation.

Freeholder Director Little opened the meeting by introducing Anthony Agliata, Director of Planning, to discuss Ocean County Airport improvements. There is an ongoing need to increase the size of the airport's apron, which is the area in which the aircraft taxi and park. This is especially true for larger jet aircraft, which often block traffic from accessing the terminal. The Airport Layout Plan calls for an additional 11,600 sq. yards of apron. Construction will include the expansion of storm water facilities to account for additional runoff. Total design phase cost is \$99,300. The FAA will contribute \$84,780 and the Local Share is \$14,430 (up to \$3715 may come from NJDOT). Construction is

slated to begin in late 2019-2020, and is estimated to cost approximately \$2million. The second phase of the Airport improvement project is the replacement of the twenty-year-old beacon, which is a rotating white and green light mounted atop a freestanding tower, which increases the visibility of the airport to pilots especially at night. A tilt down tower is proposed to replace the existing tower, and will need to be designed. The total design phase cost is \$44,800. The FAA's share is \$40,320, and the Local Share is \$4,480 (up to \$2165 may come from NJDOT). Construction is scheduled to begin in 2020, and is estimated to cost about \$400,000. The County will also be applying for \$3million dollars to construct a new 12-Bay T-Hangar building. There is a consistent demand for T-Hangar space and there are currently 18 names on the waiting list.

Freeholder Vicari mentioned that there are over a billion dollars in grants available from the FAA for Airport Improvements at General Aviation and Non-Hub airports nationwide. These grants may cover up to 100% of the total project costs. If the FAA grants do not cover the entire cost, the County will be able to apply for matching grants from NJDOT.

Freeholder Director Little invited Daniel Regenye, Health Dept. Director, to discuss the importance of getting a flu shot. Getting the shot is the most effective way to battle the disease. Throughout Ocean County there are many clinics that administer the flu shot as well as the pneumonia shot, and a homebound outreach program is also available to administer the shot to seniors and disabled residents in their own homes as well.

Mr. Ernst reviewed the items listed on the attached Engineering Department agenda, which included permission to advertise traffic safety improvements at an existing intersection on Route 528 and Oberlin Avenue in Lakewood. A safety audit identified that the improvements were necessary. The change in occupancy provides additional lanes to increase the flow of traffic. This project is 100% federally funded. Another item recommended for advertisement is the Construction of the Union Transportation Trail in Plumsted Township, extending it from Monmouth Road to New Egypt High School. The final project recommended for advertisement is the replacement of Zebb's Bridge on Pinewald-Keswick Road in Berkeley Township. There were no questions or comments and all items will be listed on the Board Agenda for the October 17, 2018 Board meeting.

Ms. Cilento reviewed the Clerk of the Board's agenda for the Board meeting of October 17, 2018. There were no questions or comments.

Freeholder Director Little mentioned that Freeholder John C. Bartlett is retiring due to his current health situation. Ocean County will be honoring Freeholder Bartlett by renaming Berkeley Island Park as the John C. Bartlett Jr. Park at Berkeley Island to honor New Jersey's longest serving Freeholder after retiring from his 39 years of service as an Ocean County Freeholder. Berkeley Island was Freeholder Bartlett's first park renovation project when he first became a Freeholder. He proudly oversaw the renovation of the park again after Hurricane Sandy destroyed it in 2012.
