

Stronger NJ Business Grant Program

To begin processing your application, we need a few documents:

- 1) Your business' most recent tax return
- 2) Three of your business' most recent bank statements
- 3) Documentation of damage caused by Superstorm Sandy
This may include: contractor estimates; insurance payments or claim reports; invoices/cancelled checks/receipts and photos.

To continue, we will then need:

- 4) Your lease or mortgage
- 5) Insurance policies in effect on 10/29/2012 (even if no claim was filed)

Please remember that you have a dedicated Business Advisor to help you with your application.

Please visit njeda.com or call 1 (855) Sandy-BZ or 1 (855) 726-3929.

Please note that once your application is approved, NJEDA will need actual receipts, invoices, payroll records, etc. to issue grant funding.

The Stronger NJ business assistance programs support the economic revitalization of New Jersey in the aftermath of Superstorm Sandy. The programs are made possible by funding from the U.S. Department of Housing and Urban Development Community Development Block Grant Disaster Recovery Program.
