

## TWO ADDITIONAL DISASTER RECOVERY CENTERS OPEN IN OCEAN COUNTY

**TRENTON, N.J.** -- Anyone affected by Hurricane Sandy can now visit two newly opened Disaster Recovery Centers (DRCs) in Ocean County if they have questions about recovery programs. There are now 33 DRCs open daily. The center in Bay Head will be open from 8 a.m. to 5 p.m. while the curfew remains in effect. All others are open from 9 a.m. to 7 p.m. at the present time.

Individuals can register for assistance and follow up on previous applications by registering online at [www.DisasterAssistance.gov](http://www.DisasterAssistance.gov), or by web-enabled mobile device at [m.fema.gov](http://m.fema.gov). By phone or 711/VRS, you can call **1-800-621-FEMA (3362)** or **TTY 1-800-462-7585**.

DRCs allow residents to speak one-on-one to recovery representatives. FEMA program specialists are available to provide registration and other information, and to answer questions at the centers. These include mitigation specialists who can provide guidance on cost-effective rebuilding and repair techniques to reduce property damage in future disasters.

It is not necessary to visit a center to receive disaster assistance.

In addition to FEMA program specialists, customer service representatives from the U.S. Small Business Administration (SBA) are available to answer questions about the SBA low-interest disaster loan program, and to assist with disaster loan applications.

The new DRCs are located at:

DRC locations change frequently. The closest open offices can be found online at <http://asd.fema.gov/inter/locator/home.htm>. An alternative is to go to [www.fema.gov](http://www.fema.gov) and search for **DRC Locator**. You may also text **DRC** and a **ZIP code** to **43362** (4FEMA) For example, if you lived in Atlantic City, you would text: DRC 08401.

An applicant may go to any DRC, even if it is located in another county or state. Once an application has been made, a FEMA registration number is assigned. It can be accessed nationally.
