The Ocean County Parks & Recreation Department

is committed to providing outstanding recreational opportunities while fostering a greater appreciation for the environment. People are the basic foundation upon which the Ocean County Department of Parks & Recreation was built. It's a great mission and we need you!

By volunteering, you're guaranteed to have a wonderful time exploring all that the Parks Department has to offer. You can enjoy fresh air while helping maintain trails or meet and greet new people while assisting with programs and special events. Whether it's fish, snakes, or turtles, you will learn something new about animals when helping our animal care staff.

Each volunteer plays an integral role in enhancing the quality of our programming and adding to the natural beauty of our parks. Volunteering has many other benefits including meeting new people, having fun, learning new skills, and building self confidence. Come in to volunteer today!
