

Ocean County is proud to be the home of a wide array of arts, culture and heritage programs and this Board of Chosen Freeholders is pleased to support the many organizations and individuals that provide these events.

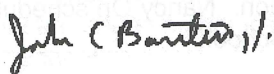

As liaison to the Ocean County Cultural and Heritage Commission, I am delighted to introduce you to the latest edition of Out and About Ocean County – a free publication dedicated to providing you with up-to-date and comprehensive information on arts and leisure happenings throughout Ocean County. This issue marks the beginning of an expanded countywide distribution of this resource.

Out and About Ocean County is published six times a year and can be found in your local Ocean County library branch, at eateries, our adult communities, the County Connection at the Ocean County Mall and a host of other public places.

From Plumsted Township to Point Pleasant to Little Egg Harbor Township, and from visual and performing arts, and historical events, classes and things to do, this guide now covers 638 square miles of cultural terrain offering something for everyone.

I encourage residents and visitors alike to explore and enjoy all that Ocean County has to offer.

Sincerely,

Freeholder John C. Bartlett Jr.
