Calculate Totals

Facility must maintain records of specific materials handled and end-markets for NJDEP review upon request.

COMMERCIAL REPORTS

- Our recycling and composting totals include **any commercial received at our facility**, for example: Landscapers.
- Some companies such as Colgate, and Tristate, bring recyclables **to their facility**. (Those are reports we need to get from them)
- Republic does both, **request report that separates the material brought to our facility**.

COMMERCIAL REPORTS TYPE

Class A

- Metal, glass, paper, plastic containers, and cardboard.

Class B

- Construction

Class C

- Organic
- Food waste: Cooking oil, rendering, etc.
- Yard Trimmings

Class D

- Electronics
Batteries

END MARKETS

- Last person/entity handling the waste.
- If unknown you will write the name of the Hauler or Store or us.

Examples:

A store recycles their material on site = end market will be the name of the store

A store pays a hauler to remove the material = end market will be the name of the hauler

The material came to our facility = end market is Ocean County Solid Waste Management.

DOUBLE REPORTING

- Commercial Waste
- You might get it from the store or the hauler.
- If you are using the “store” tonnage, deduct it from the hauler’s total.

COMMON REPORTING MISTAKES

- Conversions
 - Report in TONS ONLY
 - Gallons, pounds, cubic yards need to be converted into tons using the following guide (see next slide or download at <https://www.nj.gov/dep/dshw/resource/Tonnage/Conversion%20Table.pdf>)

- Lorco: Oil and AF is in gallons and the filter unit is 55 gallon drums.

PLAN FOR TRANSITIONS

- Do you have a new Recycling Coordinator?
- Retiring soon?
- Keep at least 5 years of data (mandatory in case of an audit).
- Keep you contacts up to date in an Excel Spreadsheet.
- Remember the DEP can help you as well tonnagegrant@dep.nj.gov
- The DEP offers classes on how to fill out the Tonnage reports.
- Check their website for the official forms and tutorials
<https://www.nj.gov/dep/dshw/resource/Tonnage/index.htm>

CRP SIGNATURE IS A MUST

NJDEP Tonnage Grant Report **MUST** be signed by a CRP.

You are not CRP?

Most of the coordinators here are, don't wait until the day before to ask.

THERE'S NO SUCH THING AS A STUPID QUESTION

- If you have any questions please reach out, we will try to get you the answer as quick as we can.

ocreycles@co.ocean.nj.us

- Need help? We can set up a Webex meeting to share screens and assist you with your report.

THANK YOU

Have a nice day!
