F. RESOLUTION - PUBLIC HEARING

ACTING CLERK CILENTO: "We have a Resolution for Public Hearing."

1. Accepting the recommendation of the OC Natural Lands Trust Fund Advisory Committee to participate in the acquisition of the properties identified as Block 837, Lot 17.01 and Block 858, Lot 46 located on Segal Avenue totaling approximately 21.13 acres and Block 1613, Lot 1 located on Route 9 in the Township of Berkeley totaling approximately 3.10 acres, in an amount not to exceed \$1,025,000.00 plus up to \$2,200.00 for property tax adjustments.

RESULT	ADOPTED	Official Resolution #: 2018000848
PRESENT:	Gerry P. Little, John C. Bartlett, Jr., John P. Kelly, Joseph H. Vicari	
ABSENT:	Virginia E. Haines	
MOVE:	Joseph H. Vicari	
SECOND:	John C. Bartlett, Jr.	
AYE:	Gerry P. Little, John C. Bartlett, Jr., John P. Kelly, Joseph H. Vicari	
NAY:	N/A	
ABSTAINED:	N/A	

Acting Clerk Cilento read the Ocean County Natural Lands Trust Fund Advisory Committee recommendation resolution by title, which was scheduled for Public Hearing at this time.

DIRECTOR LITTLE: "Okay, thank you very much. This is in addition to our outstanding Natural Lands Preservation Program under Freeholder John Bartlett and Freeholder Bartlett would like to comment briefly on this before our Public Hearing. Freeholder?"

DEPUTY DIRECTOR BARTLETT: "Thank you Mr. Director. These 2 tracts, as said, total 24 acres there in Berkeley Township. One adjoins the 812-acre New Jersey Pulverizing Site that the County purchased a couple of years ago. That is out near the OCUA plant and that area has been developing dramatically and, again, this 21 acres there adjoins the property we already own.

The second parcel is 3.10 acres. It's smaller, however, it is completely along Route 9 and runs south of Cedar Creek, from Cedar Creek to the property of the small church that is there on the corner. So again, this buys us property along Cedar Creek and property that adjoins what we already own, both in Berkeley Township."

DIRECTOR LITTLE: "Thank you, Freeholder, and we will now open the comments to the public on this proposed acquisition. Would anyone like to speak on this project? Seeing none, we will close the Public Hearing and ask for a motion to approve."

Freeholder Bartlett seconds the motion with an additional comment.

DEPUTY DIRECTOR BARTLETT: "I don't know if it's north or south of Cedar Creek now that I'm thinking about it. It's in Berkeley Township so it must be north."

DIRECTOR LITTLE: "North."

DEPUTY DIRECTOR BARTLETT: "It would be north. It's north because south of Cedar Creek is Lacey (Township) so it has to be north. The church property goes right through the creek and this is on the other side and it is all wooded."

FREEHOLDER VICARI: "Or you could say it's close to Cedar Creek."

DEPUTY DIRECTOR BARTLETT: "Yeah, thank you Joe. Next time I'll do that."

Director Little opened the Public Hearing on the Ocean County Natural Lands Trust Fund Advisory Committee recommendation resolution to the public for comments.

No comments were received, therefore, the Public Hearing was declared closed.

On motion duly made by Freeholder Vicari, seconded by Freeholder Bartlett, the Ocean County Natural Lands Trust Fund Advisory Committee recommendation resolution was adopted on final reading.

FREEHOLDER VICARI: "You know it is with mixed reaction, as you know, as liaison with Senior Services we do many, many good things for the 200,000 Senior citizens of Ocean County. Many come here not only to retire, but to live a better life. Not just a good life, a better life. And one of the things that we've always done with this particular Board of Freeholders is we always had priority as far as making sure there are a couple of things that are very important to us.

One is to make sure that when someone calls up, it's the personal touch. As the Freeholders know, that you get a person. Many times when people come in they don't spend fifteen or twenty minutes, they spend a half hour or forty-five minutes because it's very important to them because they're asking for services that we give them that they are not only entitled to, but they deserve. They worked hard, they raised their families many during the Depression. Many are veterans and we give them the services.

And Jackie Rohan has worked very closely with me continuously, and with our staff. And just because I'm liaison I tell the rest of the Freeholders that if there is an issue, 'Don't talk to me first, follow the chain of command. Talk to someone in that particular office because the seniors sometimes feel uncomfortable when they talk to someone else.' And that comfort level when they talk to Jackie Rohan or someone in her department is extremely important to them.

And again, on behalf of the 200,000 senior citizens, she manages over \$7,000,000.00 a year. Since the (hiring) freeze, we have not increased the number of people in the department. I think we have sixteen full-time people. It is a large part of what we do in Ocean County. We have probably the largest, I would say, number of seniors not only in the State, but probably in the United States as far the 200,000 people. I say that because many of them are the caregivers for the seniors and it's extremely important to us. And many of them, we say continuously, live on a little bit over \$1,000.00 per month. We focused in on, of course, home delivered meals very important to them and good nutrition, good family values.

When Jackie said she was going to retire I didn't want to interview anyone at first. I said to myself maybe she is going to change her mind. I waited a month, 'Jackie, are you sure?' And then I went to Keith Goetting and I said, 'Keith, did she change the date?' She didn't do it! I said, 'There is no way she's going to retire. She's just too young.' But I think the most important thing she said was 'for family reasons'. And so with grandchildren, her husband and everything else, I was more than surprised when she did retire after 18 years just with, you know, the County of Ocean. So on behalf of the entire Board, we want to give this to you."

JACKIE ROHAN: "Thank you. That's my husband with the camera."

FREEHOLDER VICARI: "Come on up here, come up here."

BOB ROHAN: "This is her moment."

FREEHOLDER VICARI: "No. Okay, this is true. So a lady that is a great friend, with great compassion and a great heart. And not only am I going to miss you, but you left a great legacy with us working with our senior citizens." (Applause)

FREEHOLDER VICARI: "You can say anything you want to. Go ahead."

JACKIE ROHAN: "So tell me where 18 years goes, first of all. It doesn't feel that long. This is a big-hearted County and so while the Senior Services group does a lot, the Parks and Recs have a place for people to socialize. The number one issue is senior isolations. It's being discussed everywhere. We've got a place where that can't happen. We have the Board here who helps us every day. Transportation, Dave and I are best friends. Human Services...it goes on and on. I'm just grateful to have the opportunity to represent you in the community and I wish everybody luck. I'm going to hang out with him (Bob) for a while." (Applause)

DEPUTY DIRECTOR BARTLETT: "I have known Bob and Jackie for many, many years, being my neighbor and knowing her family for...how long have I been married? Forty-seven years or something like that. It's been a long time."

JACKIE ROHAN: "Since I was eight!" (Laughter)

DEPUTY DIRECTOR BARTLETT: "Yeah, I guess so. But I agree with Joe, we were very, very sorry to see you retire. But there does come, I suppose, we suppose there comes a time to retire. I don't know though."

DEPUTY DIRECTOR BARTLETT: "But I know there is nothing like grandchildren and I know you adore your grandson and grandchildren and so we certainly understand. (Applause) Bob are you going to be home all the time? Maybe that's the thing."

JACKIE ROHAN: "No, he's back to work."

DEPUTY DIRECTOR BARTLETT: "Okay, good." (Laughter)

FREEHOLDER VICARI: "So if you want us to rescind that resolution, Jackie Rohan, you have 15 more minutes and that's it!"

DEPUTY DIRECTOR BARTLETT: "We could do that."

FREEHOLDER VICARI: "Thank you very much."

DIRECTOR LITTLE: "Okay we shall proceed with the agenda."

DIRECTOR LITTLE: "Freeholder Vicari."

FREEHOLDER VICARI: "Yes, if I may, Mr. Director. This is something the Board has been talking about for the last several months. It's authorizing the creation of an Ocean County Film and Television Advisory Commission. This is going to be under the Director of the Ocean County Division of Business Development and Tourism, Dana Lancellotti. It's an update of what we had existing in Ocean County since 1979 because of current legislation we're going to change and upgrade any current or resolutions in the past. And later on where it says 'Appointments', we will now appoint five people that will be on the Advisory Board as subcommittee of the Tourism Board.

Again, it's no cost to the County. It was supported in the amendment forums by Senator Jim Holzapfel and will add a lot to two things. One is the local economy of Ocean County and we hope it will give us a positive name recognition as far as things we have to offer. The Film Committee in the State of New Jersey was very, very impressed with what we have to offer in Ocean County. It's the second largest county in the State of New Jersey. Not only 44 miles of oceanfront, Barnegat Bay but the other areas from Plumsted, all the way across Ocean County and it would be an ideal situation not only for films and movies but, also for television programs.

So again, this is our first step. And again, it's going to void the 1979 resolution, upgrade it with this resolution and then we will appoint the five members later on in this meeting.

So again I thank everyone for getting involved. But the State was very concerned that we would pass this as soon as possible to attract the movie industry which started in Fort Lee New Jersey. And again, we are very optimistic that it will put Ocean County in a positive light. Thank you."

DIRECTOR LITTLE: "Very good Freeholder. Mrs. Cilento, please continue."

17. Authorizing the Release of Bonds for Road Opening Permits.

At 4:19 PM, Freeholder Director Little received the following comments from members of the Board:

DIRECTOR LITTLE: "I think we'll start with Freeholder Kelly today."

FREEHOLDER KELLY: "No comments."

DIRECTOR LITTLE: "Freeholder Vicari."

FREEHOLDER VICARI: "Mr. Director, one comment. For the last six months we have been talking about the redevelopment of Hooper Avenue as far as what's taking place as far as the retail businesses. The Board has been very concerning and sensitive to what has to be done. In talking today with Freeholder Kelly, we're moving ahead with speed trying to get it done by the holidays with John Ernst, as far as the left turn signal going south – the southern signal when you exit the Target shopping center. So we're moving ahead with that.

And again, our concern with Hooper Avenue and it's moving ahead with Ocean County Mall as far as some of the changes that we will do whatever is necessary working in a partnership with the businesses to do two things. One is to really reinvent what is taking place with the businesses because of the competition with Amazon. We think we created the structure. It could be a good thing. With new stores that are going to come in and the changes that are going to take place. We see what's happening in Monmouth County. And also we want to make sure that whatever we can do to help the businesses to work in the partnership that the County of Ocean will always do so. And I thank, again, our Engineering Department and especially Freeholder Kelly for being very supportive and Freeholder Haines, who is not here today, that was also very supportive of us moving ahead with this as soon as possible. Thank you Mr. Director."

DIRECTOR LITTLE: "Very good Freeholder. Deputy Director John Bartlett?"

DEPUTY DIRECTOR BARTLETT: "No comments Mr. Director."

DIRECTOR LITTLE: "Thank you, and with that, we will now move to open Public Comments."

U. PUBLIC COMMENTS - "Comments from members of the audience are invited at this time with a limit of five (5) minutes per speaker."
