## Proposed SOE Maps

For each type of proposed SOE, i.e., for each SOE Description Sheet completed, please provide two maps (with aerial photography as the background imagery\*) that shows and labels the following:

### Map 1 – Farm Overview

- An outline of the boundaries of the preserved farm.
- An outline of the “occupied area” to be used for that type of SOE.

### Map 2 – Occupied Area

- An outline of the “occupied area” to be used for that type of SOE.
- Any already-existing permanent parking area(s) to be used (draw an outline).
- Any area(s) to be used for temporary parking (draw an outline).
- Any existing structures to be used for that type of SOE.
- Where any temporary tents would be erected and located, if applicable.
- Where any vendors, tables, equipment, sanitary facilities, and any other temporary or portable structures, facilities, or infrastructure would be located.

Please label each map as follows so it corresponds with the specific type of proposed SOEs it depicts:

- Proposed SOE Map – Weddings – Map 1
- Proposed SOE Map – Weddings – Map 2
- Proposed SOE Map – Lifetime milestone events - Map 1
- Proposed SOE Map – Lifetime milestone events – Map 2
- Proposed SOE Map – Other cultural or social events – Map 1

## Certification

I certify and attest that the statements and information presented in this application are accurate and true to the best of my knowledge.

I understand that prior written approval is required for me to hold SOEs on preserved farmland.

I understand that if my application to hold SOEs is approved, I am required to submit a certification at the end of each calendar year with information on the events that were approved. This certification will include a descriptive list and dates of the SOEs held, the number of attendees at each event, and any other information requested by the easement holder.

I understand that if the easement holder does not respond to my application within 90 days of receiving a complete application, my request to hold SOEs will be deemed automatically approved.
