

What is PACE?

PACE (Program of All-Inclusive Care for the Elderly) provides healthcare and support services to help older adults live independently and safely at home.

Your health, your home, your pace. BoldAge PACE makes aging on your terms possible with a team that personalizes your care.

BoldAge PACE must authorize all healthcare services, with the exception of emergency services. Participants may be financially responsible for services obtained without authorization.

Emergency services are always covered.

Lakehurst

Is BoldAge PACE right for you?

Participants may join if they:

- Are 55 years of age or older
- Live in **BoldAge PACE's** service area
- Meet the state's requirements for nursing facility level of care
- Can live safely in the community at the time of enrollment with **PACE** services

Most participants pay little or no fees for PACE services.

- If you have both Medicare and Medicaid, or Medicaid only, you do not pay for services approved by your care team.
- If you do not have Medicaid, **BoldAge PACE** can help you explore other payment options. **Ask us!**
