BUDGET MESSAGE

It has always been the policy of the Board of County Commissioners to provide quality services to the residents of the County while maintaining a stable tax rate for the taxpayers of the County. The 2022 County Budget has been developed with that theory in mind along with fiscal conservatism.

The formulation of the Budget was accomplished through a series of budget sessions with the assistance of the County Officials over a three month period. These sessions included budget conferences with various Departments and Agencies of the County.

With this 2022 County Budget, the Board of County Commissioners will decrease the tax rate to .322 cents per \$100 of equalized property value.

The budget totals \$479,916,286, up \$9.6 million.

The amount to be raised in taxation is \$387,360,543, up \$22,147,904.

The County will use \$38,500,000 from its surplus to support the 2022 Budget, \$500,000 more than it did in 2021.

With the passage of Chapter 78 of the Laws of 2011, local government units were required to institute specific formulas for the calculation of employee health benefit contribution. The formulas are based on the type of coverage, base salary and cost of coverage. The 2022 County Budget includes and appropriation for Group Insurance for Employees in the amount of \$45,633,574. This amount was derived by subtracting the estimated employee contribution to be collected of \$6,426,850 from the calculated cost of \$52,062,424.

The following are the 2022 Budget requirements for revenue and appropriation for State assumed costs for Ocean County

CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, check the reason why:

- ☐ Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line items and Down Payments on Improvements.
- ☐ No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM

- A multi-year list of planned capital projects, including the current year.

Check appropriate box for number of years covered, including current year:

- ☐ 3 years. (Population under 10,000)
- ☒ 6 years. (Over 10,000 and all county governments)
- ☐ years exceeding minimum time period.
- ☐ Check if county is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

**COUNTY OF OCEAN
NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM**

COUNTY OF OCEAN - 2022

The Ocean County Board of Commissioners, with the assistance of the County Administrator, Office of Management and Budget, County Engineer, County Planning Board and the County Comptroller, has developed this six-year Capital Improvement Program and Budget. The Capital Improvement Program was developed with the cooperation and consideration of recommendations of the various County Departments.

The County's continuing growth requires that the Board of Commissioners anticipates and plans for the increasing demands for County facilities and services. The Capital Improvement Program was prepared to guide County investment in land, facilities and equipment through 2027. The Program and Budget will be adjusted each year to reflect changing conditions including new Federal and State legislation, variations in the general economy, emerging demands of the public and modifications in the growth rate which may result in changes in revenue patterns and demand for new facilities or services. The Capital Improvement Program is realistic and attainable within the financial capabilities of the County and it provides for the future needs of Ocean County residents.

The accompanying forms which comprise the Capital Budget and six-year Capital Improvement Program have been completed in accord with regulations adopted by the Local Finance Board of the State of New Jersey pursuant to powers authorized by NJSA 52:27BB-10, NJSA 40A:4-43 to 45. The Capital Budget forms list all projects scheduled for startup for the 2022 Budget year and the source of funding for each project. A summary of Anticipated Funding Sources and Amounts is also included. Please note that this summary shows funding needed for new capital projects. It does not include previous appropriations for projects to be continued in 2022. For this reason, the funding summary differs slightly from the total cost shown for the Capital Program.

The total cost of all Capital Improvement Projects over the six-year period is \$294,493,372. Many of the projects will be funded under State and Federal Grant Programs or through the annual Budget on a "pay-as-you-go" basis. The larger projects will be funded by short-term borrowing. Bonds will be issued at the most advantageous times to secure low interest rates.

SIDEBAR AGREEMENT

BETWEEN

This Sidebar Agreement is reached this 23rd day of March, 2022, between the CWA 1075 ("CWA") and the County of Ocean regarding compensation paid to those employees designated as "repairperson" on the overtime rotation list within the Signal shop of the Engineering Department, there "repairperson" being those who can perform all signal repairs, not being limited .

WHEREAS, the parties entered into a collective negotiations agreement ("CNA") covering the period of April 1, 2020 through March 31, 2023; and

WHEREAS, the CNA does not address any compensation for any employee designated by Engineering as "repairperson", nor does the CNA address how the "repair person" designation is achieved; and

WHEREAS, the County is in need of additional repairpersons, and the CWA seeks clarification as to how a repairperson is designated;

IT is hereby agreed between the County of Ocean and the CWA as follows:

1. During the time frame of April 1, 2022 – March 31, 2023, any employee designated by the County Engineer (or County Engineer's designee) as a "repairperson" for the Signal shop will have the employee's base salary increase by \$1.00 per hour.
2. Call-in shall be reviewed by the Engineer on a quarterly basis, beginning initially with the time period of April 1, 2022 through June 30, 2022. In order

for an employee to maintain the \$1.00 per hour beyond March 31, 2023, the employee must respond and report to a specific percentages of the call-ins for which a repairperson is needed.

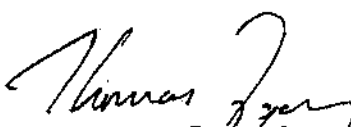

Formula: The percentage will be determined by dividing the total number of call-ins by the total number of repairpersons within the Signal shop. The employee must respond to the percentage of call-ins to continue eligibility for the additional hourly compensation. For example, if there are 100 call-ins from March 17, 2022 through June 30, 2022, and there are three people designated as a repairperson, the repairperson must respond to 33.3% of all call-ins.

3. If a person designated as a repairperson fails to respond to the requisite number of call-ins as outlined in paragraph 2 above, or if the employee has the "repairperson" designation removed by the County Engineer (or designee), the employee will immediately cease receiving the \$1.00 per hour adjustment to base pay.
4. The decision to designate someone a "repairperson", or to remove the designation, shall be at the sole discretion of the County Engineer (or designee), and this shall not be subject to grievance, arbitration, or filing of any unfair labor practice. The County shall establish a program by which employees within the Signal shop are trained for repairperson duties, and said program shall be developed exclusively by the County Engineer and/or designee. The County reserves the right to administer a test or other means

to determine necessary skill and safety understanding of any person seeking to be designated as a repairperson.

5. It is specifically agreed the \$1.00 per hour additional compensation shall expire on March 31, 2023, regardless of whether a new CNA has been reached between the parties, unless mutual agreement is reached between the County and CWA for its continuation of the \$1.00 per hours.
6. All other terms and conditions of the existing CNA (4/1/20 – 3/31/23) shall remain unchanged and in full force, unless otherwise modified above.

The undersigned hereby agree to the above terms and conditions and specifically indicated and acknowledge no other promises have been made to either party. The Undersigned, on behalf of their respective party, acknowledges he/she has the authority to enter into this Memorandum of Understanding, but this agreement shall not take effect without approval from the Ocean County Board of Commissioners.

Commissioner Haines and Mr. Agliata discussed two properties recommended for acquisition by the Natural Lands Trust Fund Advisory Committee. The first is a 1.33-acre property located on Ridgeway Road in Toms River Township. This property is in close proximity to the County's preserved Camp Albocondo property with 375 feet of waterfront access for kayaking. The property owner accepted a negotiated price of \$850,000.00. The second property is a neighboring 1.85-acre parcel which would add to the 1,000 acres of preserved open space along the Toms River Corridor extending from Bowman Road in Jackson to Route 37 in Toms River. The property owner accepted a negotiated offer of \$775,000.00.

Commissioner Crea and Tony Agliata discussed the 2022 Household Hazardous Waste and Document Shredding Programs. Both programs are free to County residents, offering locations and dates throughout the County this spring. The Household Hazardous Waste Program is available to residents who would like to dispose of items such as paints,

batteries, solvents and chemicals, which can be recycled at various scheduled drop off points. Prior registration is required online for the Household Hazardous Waste program. Commissioner Crea and Director Kelly expressed the importance of the Document Shredding Program to keep private information such as medical bills and social security numbers safe. Residents can bring up to five boxes or 100 pounds of documents per car. *The 2022 HHW and Document Shredding Program Flyer is attached.

Mr. Jehnke reviewed the items listed on the attached Engineering Department agenda which included the reconstruction and resurfacing of portions of certain County roads, Contract 2021A. This project addresses issues on five County roads, and will upgrade four traffic signals as well. There were no questions or comments and all items will be listed on the Board agenda for the March 16, 2022 Board meeting.

Ms. Gunther reviewed the Clerk of the Board's agenda for the Board meeting of March 16, 2022. There were no questions or comments.

Director Kelly asked the Board members for comments.

Commissioner Vicari shared his concern for residents and seniors especially, in regards to the rising prices of gas and food.

There were no additional comments.

Mr. Block notified the Board that the County has received some phone calls relating to the property revaluation in Toms River. He explained that the callers' concerns should not be directed toward the County Commissioners, but to the Tax Commissioners, who are appointed by the Governor and answer to the State Department of Taxation. Commissioner Haines and Commissioner Quinn met with Toms River Mayor Maurice Hill on behalf of residents upset with the changes.

Ms. Gunther read the resolution to move to closed session.

Director Kelly left the meeting.

On a motion by Commissioner Quinn, seconded by Commissioner Vicari, the meeting moved to Closed Session at 4:19pm for personnel discussion, appointments, reappointments, property acquisition and possible litigation. The motion was unanimously carried.

The meeting returned to Open Session at 5:10pm. There being no further business, on a motion by Commissioner Crea, seconded by Commissioner Haines, the meeting adjourned at 5:11pm.
