Key:

	Max value in a column		Top 5 max values in a column		Min value in a column		Bottom 5 min. values in a column
-------------	-----------------------	-------------	------------------------------	-------------	-----------------------	-------------	----------------------------------

Notes: This is a truncated table. The original table provides monthly total precipitation from year 1895-2025.

*30 yr Normal = 1991-2020. **POR = Period of Record (1895-2025).
