Ocean County Juvenile Services

Annual PREA Data Review Meeting/Corrective Action Plan

January 4, 2024

Ocean County Juvenile Services held its annual review of the Juvenile Detention Centers PREA incident data for calendar year 2023, on January 4, 2024. Review participants included Juvenile Services Director Jon Carman and PREA Coordinator Edward Turnbach. Ocean County Juvenile Detention had no formal PREA allegations or investigations during calendar year 2023. Staffing levels for the facility met the criteria established by the Juvenile Justice Commission of the State of New Jersey and by the guidelines set forth in the Official Staffing Policy of The Ocean County Juvenile Detention Center. The Detention Center was at full staff as defined by those policies during the entirety of 2023. A review of Staffing Levels for the current calendar year determined that no changes to those levels are needed, based on the average daily population count for the facility. The upgraded CCTV System which went in to service in 2017, continues to perform in a manner which is sufficient to protect the interests of all residents and staff members of the facility. PREA Audit was completed in December of 2022 with a final report highlighting facility-wide compliance released on May 7th, 2023. The facility will upgrade the Control Room Board and screens during calendar year 2024. A new vendor was selected to install these components and the work is slated to begin early in the new year.
