RESOLUTION

July 1, 2020

WHEREAS, with more than 173,000 seniors living in Ocean County, the New Jersey Senior Freeze Program and the Homestead Benefit Program provide substantial help to our seniors, many of whom are living solely on monthly Social Security checks; and

WHEREAS, Governor Murphy's proposed funding delay for the Senior Freeze Program and the Homestead Benefit Program property tax relief programs will have a devastating effect on our seniors since those programs make it possible for many elderly residents and middle-class families to own a home in New Jersey; and

WHEREAS, the Murphy Administration already eliminated the Homestead Benefit credit from property tax bills that were due on May 1st, forcing homeowners to pay more and has now created an uncertain future for the valuable tax credit; and

WHEREAS, under Governor Murphy's plan, seniors who depend on the property tax reimbursement program, also known as the Senior Freeze Program, may not receive their July reimbursement check to help them stay in their homes; and

WHEREAS, this action could result in seniors facing difficult financial decisions including possibly losing their homes and becoming homeless; and

WHEREAS, rather than disrupt the lives of seniors by contributing to their financial instability and instilling a fear in them that they will lose their homes, it's time that these programs are permanently funded under the state budget; and

WHEREAS, when the monthly income is no more than \$1,400 from Social Security, taking away these programs or even deferring them will only increase the severe financial hardship already experienced by this vulnerable population; and

WHEREAS, the Senior Freeze Program is an extremely important benefit that older adults rely on to supplement their fixed income; and

WHEREAS, the Homestead Benefit Program also provides property tax relief to eligible homeowners, with most homeowners receiving the benefit in the form of a credit, as distributed to their municipality, which reduces their property taxes; and

WHEREAS, it goes without saying that New Jersey taxes are the highest in the country and as property taxes continue to escalate, it's imperative that we all advocate for our seniors so they can hold on to the programs that provide them some property tax relief.

NOW THEREFORE BE IT RESOLVED BY THE BOARD OF CHOSEN FREEHOLDERS, COUNTY OF OCEAN, STATE OF NEW JERSEY that we call upon our legislators and our mayors, to join together and loudly protest any changes to the Senior Freeze Program and the Homestead Benefit Program.

BE IT FURTHER RESOLVED that the State protect and fully fund these programs, under the State Budget, so our most frail and vulnerable residents do not have to worry about losing their homes.
