In addition to that we actually also had an essay contest that several students had essay submissions and the prompt that challenged our writers was to reflect on the future of Ocean County. The prompt specifically was as we celebrate the 175th Anniversary of our County, what does the future of our county hold and how can we preserve what matters most. And today I'm very proud to announce our three winners, first, second and third place. Each of these winners will receive a certificate from the Board of Commissioners, as well as a Barnes and Nobles gift card for each of them. So, I'm very, very proud to announce we will start with third- place, Kaitlyn Bardis for your submission. Would you come up?" (applause)

Clerk Gunther read the Resolution into the record.

DEPUTY DIRECTOR SADEGHI: "Thank you very much, Michelle. If the Commissioners can join me up here and Prosecutor Billhimer, if you can come up. And Anthony, if you can come up." (laughter) (applause)

COMMISSIONER HAINES: "You have to have a speech."

ANTHONY U. CARRINGTON, CHIEF OF COUNTY DETECTIVES: "A speech?"

BRADLEY D. BILLHIMER, OCEAN COUNTY PROSECUTOR: " A picture first, speech later."

(pictures taken)

COMMISSIONER HAINES: "We know how you like speeches."

ANTHONY U. CARRINGTON: "I’m already sweating. (laughter) But at least they read it the way I wrote it." (laughter)

(pictures taken)

DEPUTY DIRECTOR SADEGHI: "You want to start..."

BRADLEY D. BILLHIMER: "You want me to start?"

DEPUTY DIRECTOR SADEGHI: "Yes."

BRADLEY D. BILLHIMER: "You’re so warm." (laughter)

ANTHONY U. CARRINGTON: "I’m sorry. I’m not in a comfortable situation." (laughter)

BRADLEY D. BILLHIMER: "Let’s all just calm down. (laughter) I’d like to thank the Board of Commissioners for recognizing Tony’s service to the citizens of Ocean County over the last 30 plus years. For the last four years, we went through the math yesterday to make sure we had it right. It’s been my honor to walk and serve and drive around this county and the state with Tony by my side, giving me advice, always. Not just about Law Enforcement, but about our families. We talked about Selena a lot." (laughter)

ANTHONY U. CARRINGTON: "She requires a lot." (laughter)

BRADLEY D. BILLHIMER: "But, it’s been my honor to have you as the Chief of Detectives, and I think the investigative staff and the Assistant Prosecutors appreciate the efforts you put in over the years and I certainly do. And I value you as a friend, as a Chief, and as a brother. Thank you." (applause)

DEPUTY DIRECTOR SADEGHI: "You know what let the Commissioners say something. Ginny."

COMMISSIONER HAINES: "Well, I don’t know if I’ve known him longer than anybody on the board, but possibly because I first met you and Vinny in Real Pizza. We used to go every day to Real Pizza for lunch. And that’s when I first met you and then of course... but I will be ending my career as Commissioner at the end of this year, so of course it’s probably been almost 10 years that I’ve known you from when we spent across the tables having lunch every single day because you were always there. Unfortunately, it’s sad that it’s no longer there, but they always had great food. But I can remember also through ... I remember when I went and I brought the resolution when you were honored by the NAACP and I had gone to bring that and you were shocked, but of course I always heard about you, the daughter. (laughter) And how the brothers had to watch you to make sure that nobody bothered you, and everything was going to be okay. And they looked over you to make sure, like if anybody came in that they didn’t like. And you know your father always talked so well of you... and of course his sons. I mean he just bragged about all of you and you his wife, most definitely. We had many, many conversations. I was always, as I said, running into him in Real Pizza. And he would just always just be somehow, I’d always ask how’s the family, and he would just go on down the list of how everything went. And of course, the only daughter I had to go and say, okay everybody's watching her? Yes, everybody’s watching her. (laughter) But, to go on to the other note of his professionalism and everything and what he’s done for the people of Ocean County for the Prosecutor’s Office. I can’t thank you enough. I’ve gained a friend, and of course hopefully the family feels the same way. I just respect you so much for all that you have done, and the dedication you’ve given to your job and to everybody, and I just want to thank you for your

dedication and the love that you put into the job that you did so well. Thank you, Anthony." (applause)

ANTHONY U. CARRINGTON: "Thank you."

DEPUTY DIRECTOR SADEGHI: "Only in New Jersey, you get ... remember when we used to get together with Tony, and Sal and Joey... and ... " (laughter)

COMMISSIONER ARACE: "So, actually I do want to say one thing. So, I haven't been here very long, but I want to thank you for your service. But, as Mayor and as Commissioner, at every single event, you were always like the most friendly person. You always came to say hi. You always showed me great respect. And a funny story, during the summer it was like 99 degrees outside and we're on the boardwalk and the AG (Attorney General) is there, we're with Consumer Affairs and we're basically going game by game to make sure the scales are correct that they're following all the rules and I am the only person wearing a suit in 99 degrees (laughter) and these two come over to me and they're like, "Hey, first time?" and I was like...." (laughter)

BRADLEY D. BILLHIMER: "I wore a suit the first time, too."

COMMISSIONER ARACE: "It was just hilarious. That will be the last time I will wear a suit to that event. But thank you so much. Honestly, always a friendly face. You've done tremendous work, and I hope you enjoy your retirement."

ANTHONY U. CARRINGTON: "Thank you." (applause)

COMMISSIONER BACCHIONE: "I just want to thank you again for your years of service and you're going to be missed. Tough shoes to fill. And enjoy your retirement with your family. Do something fun. Make him be retired. (laughter) Thank you." (applause)

ANTHONY U. CARRINGTON: "I guess it's my turn right now."

BRADLEY D. BILLHIMER: "Yes, it is."

ANTHONY U. CARRINGTON: "I want you to know that this is a lot. This is a lot for me. Seeing all the faces of all the people I've had the opportunity to work with. I want to thank the Prosecutor for giving me the opportunity at the end of my career to walk along side of him as Chief of County Detectives for Ocean County. And I do believe that we in Ocean County have the best Law Enforcement Officers in the whole state. We do a great job, and we couldn't do it without all of you guys in the back of the room and the ones that were unable to come. And the support staff, that's in the foreground and the Prosecutors that handle all the cases. I just want to thank you guys for the hard work that you've done and I couldn't be here without you. I also want to thank the Commissioners. I have a story almost for every one of them but there's no way I'm going to be able to get through that. (laughter) But I do want to take this opportunity for this expression of appreciation, for me, and the work that we've done throughout our careers and the friendships we've made. And like you said we hit it off right off the bat. You know, they're commissioners, so you always walk around with them at 60,000 feet and you know we're all at the 30,000 feet level. (laughter) They're very down to earth, very warm, welcoming. I heard so much about you (Commissioner Bacchione) from your husband, before you even took the spot and this young man right here (Deputy Director Sadeghi), has a ME (Mechanical Engineer). He has a mechanical engineering degree, so we have a lot in common as engineers and truly our friendship, our relationship, that began 10 years ago, we were in Franky's, or whatever we used to call it back then (laughter), the \$5 spot. And the..."

COMMISSIONER HAINES: "Franky's was the..."

ANTHONY U. CARRINGTON: "The name of the place. We had so much in common from Lakewood and knowing so many of the same people and we just hit it off and it was one of my past Chiefs, Vinny Petrecca. We sat there and we had such a good time and ever since then, we every so often we were meeting at the same place, at the same time, so, it was a great experience and because of that our friendship has grown. I've learned so much about you in talking about victims and this and that and such a powerful woman. And I just want to say thank you for our relationship. Thank you for the relationship that the Commissioners have with the Prosecutor's Office and for all the department heads that I see out there. I want to thank you for all that you've done for the people of Ocean County, and you know I can't say anything about Julie Tarrant (laughter). What an amazing woman. (laughter) She has a very difficult job. But she does a good job, and she's very paired together with the Commissioners and have been very good to the Prosecutor's Office. I don't see Rob Greitz (Director of Human Relations) here."

BRADLEY D. BILLHIMER: "He hides in that little room there."

COMMISSIONER HAINES: "He does hide."

BRADLEY D. BILLHIMER: "The Administrator."

ANTHONY U. CARRINGTON: "Where's the Administrator? There he is. The relationships that we've had over the years is just amazing. It's always good to have people who stay for a while because you get to know them. You get to know their families and you get to know about who they are as people, their characters, and I just want to say that moving forward I cannot leave here without mentioning my beautiful family, my sisters, that came to support me. My

soon to be daughter-in-law Val, who’s also here. That’s Anthony’s that’s the cross that she’s going to bear. (laughter) We all know Anthony. I got to say he’s the oldest and he’s been a very good brother, son, to all of us. He basically led the way, so that Kyle, Darrion, Selena knew how it was supposed to be and for that I’m very grateful. Kyle, I just want to thank you for being there and doing all the right things throughout your high school and college career and making things easier for me and mom. Darrion, what can I say about Darrion. (laughter) He has the long hair down to here. We don’t know where he got it from. We’re all trying to get it cut so he might have a party tomorrow night with us cutting all his hair. But the reality is we love him, great kids. And of course, I have to circle back to the queen of the household."

BRADLEY D. BILLHIMER: "Get that on video."

ANTHONY U. CARRINGTON: "Selena. She requires a lot. (laughter) And when I vent to everybody it’s because I need some kind of ... what?"

SELENA CARRINGTON: "How can you put my name and venting together?" (laughter)

ANTHONY U. CARRINGTON: "But Selena, you’ve definitely have... being a father of mainly boys, it took some time for me to understand all the different nuisances (laughter) of raising a daughter. The Prosecutor has two beautiful daughters. I was able to lean on him in the very important years of Selena’s life as a college student. (laughter) And what I had to allow in my growing pains, and she made it very easy for me because she’s such a great girl. She’s a strong woman and I wouldn’t know what to do without her. She watches over me and like somebody said, “Somebody’s got to change my pampers one day." (laughter) And I would be remiss if I didn’t talk about Bivia. She is the matriarch of the house. She holds everything down. It’s not an easy job being the wife of a police officer or a spouse of a police officer. And it comes with a lot of responsibility on trying to fill the gap when you can, but I can say we always had a warm meal. She worked full time, had a warm meal. She was there for the kids; she ran them wherever they needed to be. We were very blessed that they were all student athletes, so through her efforts of being there for them and guiding them and teaching them about values, we are where we are today. And so, I got to say without Bivia, I definitely wouldn’t be here. So, thank you. (applause) Thank you all."

COMMISSIONER HAINES: "You did good."

ANTHONY U. CARRINGTON: "When you have four kids... (laughter)"

BRADLEY D. BILLHIMER: "Anybody else you want to talk about?" (laughter)

ANTHONY U. CARRINGTON: "That’s Friday." (laughter)

But I did want to make the announcement that the county has conducted an interview through several candidates that we interviewed and we're proud to announce that we're appointing Moire DiMartini. Thank you, Moire, I'm so sorry. As our new CFO for a three- year term beginning on January 1, 2026, so congratulations Moire. (applause) And just as a side note I'm sure we're in good hands because when I started in the Parks Department in 2004, the first person that I met to help me do the budget was Moire. No offense Julie, but she was there to help me do the entry. So, thank you for that and I think we're in good hands going forward."

DEPUTY DIRECTOR SADEGHI: "Good luck, Moire. Michelle."

S. COMMISSIONER COMMENTS

At 4:29 PM, Deputy Director Sadeghi received the following comments from members of the Board:

DEPUTY DIRECTOR SADEGHI: "Next item is commissioner's comments. Commissioners Haines."

COMMISSIONER HAINES: "Thank you, Deputy Director Sadeghi. This morning, we had our "Road to America 250" which was held in Historical Courtroom 1. This will be the fourth year we've been doing this. And it's always just so good. Last year we had students from High School South. They did a great job. They acted out the day that our delegates from all the states that made up America at that time, when they voted and how they did it and they did a magnificent job. Well, they came back this year, and they portrayed I think it was Lexington and Concord, of how the first shot was fired and who did it, was it the Patriots, was it the Loyalists. Who was it? And they did it again, another wonderful job. We had the SAR (The Sons of the American Revolution) was there and spoke. And we had Tim Hart (Ocean County Historian), the instruments... there were people playing the instruments of the period of that time. It was a beautiful event that was done by Tim Hart, who is head of Cultural and Heritage. I had the opportunity to speak on behalf of the Commissioners as well as I'm a DAR (Daughters of the American Revolution) for the Captain Joshua Huddy Chapter so it was a very nice event and I know that this will go from now, just because next year is the 250th Anniversary as they made sure everybody remembered, this goes until I think 8 years so it won't be done until 2033. So, they're going to be continuing this. So, it's not just next year July 4th (2026) and that's it. There's going to be a lot of different programs that will be going on through the course of the year. And then of course after that, there'll be more programs. But it was very good. And the other thing, which is a sad note many of you may not know but Dr. Larson, who was President of Ocean County College for a number of years, passed away. His services are going to be Friday night, 6pm-9pm at Anderson and Campbell on Main Street. That's really all I have. Thank you."

DEPUTY DIRECTOR SADEGHI: "Thank you. Thank you, Commissioner. Commissioner Bacchione."

COMMISSIONER BACCHIONE: "Thank you, Deputy Director Sadeghi. Today we certified our election, so I want to thank the Board of Elections and all the people there, all the hard work they did. Our County Clerk's Office and all the hard work. Nobody realizes how much work is involved in doing an election and how much overtime they put in. So, I hope they can get some rest after this. Also, we had our library in-service and that was a great way for... I want to thank our Director, Sue Quinn for recognizing the dedicated service that all of our individuals in all 21 branches of our Ocean County libraries and how positive they have been working together and created these relationships and giving each other awards on just ... because they really appreciate who they work with. It was great to see the collaboration of everyone working together, so thank you. And then I had the opportunity to be down in LBI, last week...last Friday. Ship Bottom. And then we made it up to Brick along with a lot of students from a couple different schools, down in Ship Bottom it was from Pinelands and in Brick it was Midstreams Elementary. And we donate from the county, we provide 300,000 dune grass plants and I was able to help learn how to do that, very exciting. We have to preserve our beaches. Ocean County has the most beautiful beaches in probably the country, and we have 44 miles in Ocean County. We want to make sure that sand that we pay a lot of money for stays on the beaches so we can enjoy them. So, that was the exciting thing and now I'm going to go back in the spring to see if they lived. And I just want to wish everyone a Happy Thanksgiving. Enjoy. Thank you."

DEPUTY DIRECTOR SADEGHI: "Thank you, Commissioner. Commissioner Arace."

COMMISSIONER ARACE: "No comments for me."

DEPUTY DIRECTOR SADEGHI: "The only thing I want to bring up is we saw the article in the paper. We knew that JCP&L was going to make a sizable investment in upgrading their grid and the power system in Ocean County. As you know in the last couple of years and we sort of intensified our demands with JCP&L as far as not taking our residents and the residents of Ocean County and this community for granted. This year we were able to get their attention. We've had a couple of meetings with the new President Doug Mokoid. He's been very available and approachable, and he had indicated to us that they were going to make the announcement as far as the size of the investment that they're going to be making in Ocean County and they made the announcement. So, the good news part of it is that they're allocating \$108 million to spending in Ocean County, much needed. I think to be honest with you, they're sort of late to the game. They should've made this investment a long time ago. We were just talking about... with Mark Jehnke and John ... and everyone at my office, about how it's become normal to lose power sometimes for hours, in the northern part of Ocean County. It's unacceptable. It's 2025. While on the southern side of the county it's sort of a foreign phenomenon. What does that mean, lose power? But they're making the investment, and they're sort of spending some money to upgrade their system but really the bigger question is what was the money that BPU (Board of Public Utilities) allowed them to spend on all the upgrades throughout New Jersey and what portion of that, a segment of that, is being spent in Ocean County, because they agreed that this is the county and the region and the neighborhood and the community that's growing faster than any place else in New Jersey, if not the entire country. So, we need to see a significant investment. I've asked our Administrator Mike Fiore to find out, to dig up the information, and so we can do a comparison. But at least it's good news. It's a good start, a good beginning for JCP&L to make this investment. So, I thank them, nonetheless. Public comments is the next part of the meeting, anyone who wants to come up and say something, this is your moment. Please come up, if anybody's interested."

T. PUBLIC COMMENTS - "Comments from members of the audience are invited at this time with a limit of five (5) minutes per speaker."

At 4:36 PM, Deputy Director Sadeghi opened the meeting to receive comments from members of the public.

SEAN NELSON BOERO, 949 PAINTER LANE, MANAHAWKIN, NJ: "Good afternoon, everybody. It was a very nice ceremony for Chief Carrington. My name is Sean Nelson Boero, last name's spelling is B-O-E-R-O and I live at 949 Painter Lane, in Manahawkin, NJ. I've come to you several times before talking about cyber tips. I'm a retired State Trooper. I was a State Trooper for 25 years, made about 500 indictable arrests and at the end of my career I was in charge of cybercrimes and that's what I do now. I fly around the world, and I train police officers in digital forensics, and I build computer forensic labs and acquire accreditation. When I returned from Afghanistan, I was hired specifically to build your laboratory here in the Ocean County Prosecutor's Office and acquire accreditation. That all worked out fine. After five years, I left, and I went to work for a Canadian forensics company and now I contract. I've asked you repeatedly to speak with Mr. Billhimer regarding the management of cyber tips. That is the National Center for Missing and Exploited Children will receive tips about which generally is pre-pubescent, that's little kids 12 and under are being sexually abused. I think we can respond a lot quicker, a lot more effectively, here in Ocean County and to the Ocean County Prosecutor's Office credit, they have released all of their records related to the Open Public Records Act that I've requested. And they're fairly embarrassing to the Ocean County Prosecutor's Office.

The latest one was the John Olson arrest. John Olson was a foster parent in Point Pleasant Borough, who used his undercover surveillance cameras to record a 10-year-old girl, nude. He took pictures of her and sent them out via Kick, to another user on the internet. That was reported in March, March. The National Center for Missing and Exploited Children immediately sent that complaint to the New Jersey State Police and it came right to the Prosecutor's Office. The Prosecutor's Office sat on that complaint for a couple months, initiated an investigation in May and in August went with HSI and rescued that 10-year-old child. The rescue was great. The system works, but being a 10-year-old girl abused for five months is not okay. I live in Stafford, and if I pick up the phone and call the police and said my neighbor just sent me a picture of his 10-year-old daughter, within five minutes I'd have 10 very well-equipped, very physically fit police officers at my front door. Within 10 minutes I had the State Police helicopters flying overhead. But if the same complaint gets sent to the Ocean County Prosecutor's Office, they felt comfortable sitting on that complaint and allowing that child to be abused for 5 months. I've already given you examples of another case where children were abused for 13 months after the Ocean County Prosecutor's Office knew the location of their abuser. And I'm asking you again, please point out to Mr. Billhimer that, that is not acceptable. I'm also going to ask you, like I said, Ocean County Prosecutor's Office has been very forthcoming, and released all of those reports, even though they have to be embarrassing. The Ocean County Vocational and Technical School has not. They are holding up my respectful request through the Open Public Records Act for information on the Bollinger, Douglas Bollinger, was an instructor at the Ocean County Vocational Technical Schools. Karen Homiek and Robert Shea and the Toms River Police Department initiated an investigation into him in 2022. No charges resulted. That 17-year-old girl walked into the Lakehurst Police Department because she couldn't sleep. Obviously, she had been abused by her teacher. She couldn't get on. She made a complaint to Lakehurst, went to Manchester, and eventually went to the Ocean County Prosecutor's Office. The detectives who handled that case, I know them both. They're both very exceptional, honest, hardworking, dedicated young police officers, Nicole Testa and Victoria Guarino. That investigation went on for 2 years before Mr. Bollinger was finally arrested. When AP (Assistant Prosecutor) Kim Carr, who has since resigned from the office, authorized those charges. That doesn't seem right. Myself and Major Yaiser have both been troopers for 25 plus years. We have to have well over a 1,000 indictable arrests, RECO, homicides, massive cheating scams, huge piles of drugs. An investigation like that doesn't take two years. So, I'm asking you please to reach out to Karen Homiek, of Ocean County Vocational Technical School and ask them please to release the records that I've requested. It's on the OPRA machine and ask the Ocean County Prosecutor's Office to please confront the avalanche of cyber tips they received. "

DEPUTY DIRECTOR SADEGHI: "Thank you, Sean."

SEAN NELSON BOERO: "Thank you so much."

DEPUTY DIRECTOR SADEGHI: "Mike, can we do that? I mean, do we have the jurisdiction?"

MICHAEL J. FIURE: "So, as far as the Prosecutor, we don't have the jurisdiction to tell them what to do, but for Mr. Boero, what I can do is have a transcript of your comments so I'm not trying to translate what you're saying. I'll send over my letterhead to the Prosecutor. As far as Karen Homiek, I can certainly ask her to respond to the OPRA, but if she's denying the OPRA for certain reasons, the recourse is to file a complaint... I want to say Madam Clerk. Michelle, what is the process for filing a complaint regarding non-submission of OPRA documents?"

CLERK GUNTHER: "You can file a complaint with the Government Records Council, the GRC with the state, and then they will go through their formal process."

MICHAEL J. FIURE: "And Sean if you'd like I can email you that website address, where you need to go through that process."

SEAN NELSON BOERO: "Yes. I'm very familiar with the law. I'm very familiar with the process. They're not denying the request, they're just ignoring the request. I've requested an internal review. What happens when you see those requests and they're under internal review, it's like a beacon say, 'Hey what are you hiding?' They shouldn't be hiding anything."

MICHAEL J. FIURE: "They have their own custodian of records; that's not an employee of the county, so that would be your only recourse at whatever time they either deny or say we have sent you everything we have."

SEAN NELSON BOERO: "Okay. Just to clarify, we saw Chief Carrington this evening and his family and all these very nice people, but the basic management... I mean I was just in Beirut, in the middle of a war and the cops are out there rescuing their kids. There's no reason why we can't do it in Ocean County."

DEPUTY DIRECTOR SADEGHI: "Thank you, Sean."

SEAN NELSON BOERO: "Thank you."

ROBERT YAISER, 7 WARREN COURT, MANAHAWKIN, NJ: "Commissioners Arace and Sadeghi, I'd like to thank you again for meeting with me back in June to address the numerous complaints of corruption and coverups that have been reported here in Ocean County. I really do appreciate your help. I would also like to publicly thank Congressman Jeff Van Drew, Senator Carmen Amato and their offices, who have also tried to help. And to the brave investigative reporters that I've been providing the truth to the public regarding these complaints. In that meeting I explained to you that these complaints were originally reported by students at the Academy of Law and Public Safety. The majority of the graduates from that program are currently serving as law enforcement officers at every level, firefighters, EMS, first responders and in every branch of the United States military. They are the public servants that go out every day and risk their lives to protect us, and they are aware that they have been lied to and their complaints have remained unanswered for years, without any accountability. They value honor and integrity. You don't have to believe me; all you have to do is ask them. After revealing some of the factual information, Commissioner Arace you perceptibly suggested that Ocean County reach out to fellow legislators for assistance in getting an actual investigation. Months later when I requested an update, I was disappointed to learn from Commissioner Sadeghi that the legislators that you reached out to did not want to get involved. So, at your convenience, if you could provide the public with the names of the legislators who didn't wish to get involved, we would appreciate it. We also discussed that as to date the Ocean County Prosecutor, and the New Jersey Attorney General have refused to investigate or even comment on this matter and have (inaudible) permitted politicians to verbally relay. And Mr. Billhimer concluded that there was no wrongdoing in any of the complaints, which anyone can say is patently false. I'd like to read you an excerpt from an article that was published a few months ago, regarding Alina Habba's qualifications to be the New Jersey US Attorney and it reads 'This is how politics breaks us in America now. A powerful leader appoints a friend to a tough government position, but this friend is wholly unqualified. So, Americas system of governmental of checks and balances, one of the greatest innovations of our constitution kicks in and this unqualified friend is forced to leave. But the powerful leader is angry, and punches back and so charges fly back and forth with both sides taking a hit. Left unaddressed is why this friend with minimal qualifications was named to the top job in the first place. To say that Habba is grossly inexperienced perhaps wholly unqualified to lead federal prosecutions in New Jersey is an understatement. She has never served as a Prosecutor in any kind of case, no dog bites, no speeding tickets in a small municipal court, no low rent burglaries in any county court and definitely no murders nor rapes. If you read the meeting minutes from September 4, 2024, you'll see that I corrected former Commissioner Quinn, when he stated Mr. Billhimer has a background in law enforcement. From what I've read through open-source information, prior to their appointments, both Mr. Billhimer and Mr. Platkin also had zero experience in law enforcement and have never served as a Prosecutor in any kind of case. Now that we have the Governor elect that has served both in the United States Military and as a Federal Law Enforcement Officer, we plan on forwarding our request for an honest investigation to restore law and order in Ocean County. I am confident that when the proper authorities interview the numerous victims and complainants the actors who betrayed the public's trust by participating in these coverups and those who conspicuously looked the other way will be held accountable and removed from their lucrative positions that are funded by the taxpayers. Thank you for your time and consideration. Happy Thanksgiving to you all."

DEPUTY DIRECTOR SADEGHI: "Thank you, Bob. Anyone else? Mary Jane, (Bavais) anything? No?"

MARY JANE BAVAIS, DIRECTOR OF PARKS AND RECREATION: "About the Parks?"

DEPUTY DIRECTOR SADEGHI: " Yeah. Come on up. You said you wanted to be called up."

MARY JANE BAVAIS, DIRECTOR OF PARKS AND RECREATION: "To everybody or to you guys?"

DEPUTY DIRECTOR SADEGHI: "You said you wanted to be called up."

MARY JANE BAVAIS: "You know what, I don't mind being called up because we have great things going on in the parks. Okay, look. It's going to be a 'December to Remember' right? We've got so many things going on in December for the holiday season. So, I am hoping that everybody comes out to our winter solstice, to our light up nature. Come and take a wreath making class. We have tons of things going on. We have the reenactment of Cedar Bridge continue to 250. I think you should all do it. And it's a great opportunity to connect with your community, visit your parks, come to our activities, and just be part of your community and that's what we do. So, get your newsletter and you know it has all the activities. It's on our website; it will tell you everything. Parks is something for everyone, but it is going to be a 'December to Remember.'"

DEPUTY DIRECTOR SADEGHI: "Mary Jane, when is the tree lighting ceremony?"

MARY JANE BAVAIS: "Our tree lighting? Here in Ocean County, right here, this one?"

DEPUTY DIRECTOR SADEGHI: "Yes."

MARY JANE BAVAIS: "December 3, (2025), is the tree lighting."

DEPUTY DIRECTOR SADEGHI: "Great."

MARY JANE BAVAIS: "Do you need me to do anything special for that?"

DEPUTY DIRECTOR SADEGHI: "Yeah, everything." (laughter)

MARY JANE BAVAIS: "You got it."

COMMISSIONER HAINES: "They also have a good programs because I'm finishing up my pickleball class."

MARY JANE BAVAIS: "Yes, you're in pickleball every Thursday. I know. I get reports."

COMMISSIONER HAINES: "Our next class is tomorrow."

MARY JANE BAVAIS: "I get reports on your progress."

COMMISSIONER HAINES: "But it's very, very cold."

MARY JANE BAVAIS: "And it is very cold."

MARY JANE BAVAIS: "But yes we have something for everybody. You know people think, 'Oh, parks are busy in the summer.' We are really busy in the fall. So, ... and in the winter, it's year-round. And like I said, come out for a class, learn how to do a craft, whatever it takes, you know, connect with your community. And again, thank you always to this board for your support to let us do what we do for our community. I appreciate it."

DEPUTY DIRECTOR SADEGHI: "Thank you. Thank you, Mary Jane. (applause) Anyone else? Okay. I guess we need a motion to adjourn."

U. **ADJOURNMENT**

There being no additional comments received, Deputy Director Sadeghi called for a motion to adjourn the meeting at 4:50 PM.
