C. **ROLL CALL**
Director Sadeghi, Deputy Director Bacchione, Commissioner Arace, Commissioner Ellenbogen and Commissioner Gormley were present at the call of the roll.

D. **THE PLEDGE OF ALLEGIANCE AND PRAYER**
DIRECTOR SADEGHI: "Thank you so much, Michelle. Madam Clerk, if you could go through agenda items F-1, F-2, and F-3."

CLERK GUNTHER: "Actually, before we get to that I think we have a presentation on the agenda, Director."

DIRECTOR SADEGHI: "Okay."

E. **PRESENTATIONS**
CLERK GUNTHER: "This presentation is regarding the Ocean County 250 Commemorative Quilt, and I believe that members of the Cultural & Heritage Commission are here with us today. Commissioner."

COMMISSIONER ARACE: "Will you guys please come to the front."

1. Ocean County 250 Commemorative Quilt.

MARY JANE BAVAIS, DIRECTOR, PARKS AND RECREATION: "As you can see this quilt speaks for itself. So, this was a great effort among the Cultural & Heritage team, Parks and Recreation team. I want to thank my team, which is Tim (Hart), Sam. It was a feat to get all of these seals because not everybody has a seal. So, to try to get them it took a very long time, and Joe Latshaw was really instrumental in really forging ahead to contact the towns in order to get it. And the people I really want to thank to is Heather Reenstra, if you could stand up, Heather. (applause) She made all of these squares."

TIMOTHY G. HART, DIVISION DIRECTOR, OCEAN COUNTY CULTURAL & HERITAGE COMMISSION: "Every stitch."

MARY JANE BAVAIS: "Every single stitch was from Heather. So, she is extremely talented. We are fortunate enough to know her, you know, for quite some time because her husband worked in the…and there's her whole family right there. (laughter). So, we were having some difficulties and I said, 'Hey, I know somebody.' And she said, 'I would love to do the job.' So, we were very fortunate with that. Also, William and Joan Field of Décor (Picture Framing), they did all the framing. So, each one of these squares that you see that represents our 250 quilt. We are presenting to every town so they will see the quilt, and they will be presented so they will be able to have that, and it will be presented to the mayor, council, at every single one of the towns in Ocean County. And Loreen Wise

embroidered the title square in the middle, that you see the title square."

ANONOYMOUS: "It's actually in the bottom."

MARY JANE BAVAIS: "In the bottom."

ANONOYMOUS: "Yeah, she embroidered that."

MARY JANE BAVAIS: "She embroidered that all herself. So, it was a great feat to put this together. And I do hope that you all enjoy it and it is a legacy for 250 (Anniversary) and it's a great piece of artwork for the 250 and for Ocean County."

COMMISSIONER ARACE: "Thank you. (applause) I do just want to say…I wanted to thank Tim (Hart). I want to thank Mary Jane (Bavais). I want to thank the entire staff. The 250th Anniversary was obviously incredibly important to the country, and I think doing something like this to show the unity amongst our towns and our solid history. Again, you went from town to town with the ringing of the bells and reading of the Declaration (of Independence) and the Constitution. I think this was such an amazing way to not only show off the artistic community, show off an amazing, I think memento, that will live on, hopefully forever. And I just wanted to thank you from the bottom of my heart for all of the amazing work that you've done. I know it was not easy. I know we're still going from town to town to present each of their quilts."

MARY JANE BAVAIS: "You're going to be busy."

COMMISSIONER ARACE: "I'm going to be very busy with you guys. (laughter) But I do want to thank you. I know how much work and effort that, that took. I know it was no easy endeavor, and this was years and years of planning and honestly the 250th celebration is going on for years to come."

TIMOTHY G. HART: "Six and a half more years."

COMMISSIONER ARACE: "Six and a half more years throughout the duration of the American Revolution so I want to thank you for all of your dedication. It really means a lot. Thank you."

MARY JANE BAVAIS: "Well, we want to thank the Board because if it was not for the Board of Commissioners, this would not happen. We appreciate your constant support, your encouragement, and like I said, your unwavering support. We greatly appreciate everything that you do for my department, for all the departments here, and we thank administration for all of their support as well."

COMMISSIONER ARACE: "Thank you."

TIMOTHY G. HART: "And Jennifier, there are two I's in your name."

DEPUTY DIRECTOR BACCHIONE: "Thank you."

(laughter)

COMMISSIONER ARACE: "You guys want to come up for a photo? We'll do a photo."

(pictures taken)

(applause)

TIMOTHY G. HART: "The six retractable signs represent the six documentaries that we've done. You can get them on our website."

MARY JANE BAVAIS: "Please view them. They're really outstanding."

DIRECTOR SADEGHI: "Okay, thank you. Madam Clerk, if we could go through the proclamations for presentation."

F. **PROCLAMATIONS**

CLERK GUNTHER: "Thank you, Director. There are three proclamations for presentation on today's agenda. The first proclamation is proclaiming the month of October 2026 as "Cybersecurity Awareness Month" in Ocean County, and I believe that Mary Lou Mycoff and various members of the County's IT (Information Technology) Department are with us today to accept the proclamation. Every single thing that every single department touches every day from project planning to document to plans. Every department in some way is interacting with IT and they really do an incredible job of moving initiatives forward whether it is to help residents facing with QR Code to find buildings faster or vitally keeping our system secure especially in today’s day of age with bad actors, not only coming after private sector, but public sector, entities, knowing that they’re really at the helm protecting us every single day is extremely important and I wanted to thank each of you for your service, so thank you and I’ll present this.”

Commissioner Ellenbogen, would you like me to read the proclamation into the record?"

COMMISSIONER ELLENBOGEN: "Yes, but before you do, I'd just like to say a few words. You know I'm happy to announce that Ocean County is officially proclaiming itself a "Stigma-Free County." I know it's been some time in the making in support of the New Jersey Stigma-Free Initiative. This is an important milestone in our efforts to increase mental health awareness and one we should all be proud of. All 33 of Ocean County's municipalities have now declared themselves stigma-free, demonstrating a united commitment to breaking down the barriers surrounding mental health. Being stigma-free means encouraging open conversations about mental health, reducing stigma, and making sure people feel comfortable seeking the help and support they need. Since 2015 Ocean County Mental Health Awareness Committee has worked tirelessly to encourage our municipalities to join the New Jersey Stigma-Free Initiative and promote greater awareness and understanding of mental illness. I think it's safe to say that nearly everyone in this room has either experienced a mental health challenge personally or knows someone who has. Unfortunately, for many, asking for help is often the hardest step. We are fortunate to have excellent mental health resources available throughout Ocean County and my hope is that this county-wide commitment will encourage more residents to take advantage of those services without fear of judgement.

Today's proclamation is not the end of our work. It is a commitment to continue building a community where no one feels ashamed to ask for help. I want to extend my sincere appreciation to our municipal leaders, the Ocean County Department of Human Services…I see you guys are here, thank you, the Ocean County Mental Health Board and the Ocean County Mental Awareness Committee, our community-based organizations, local advocates, and everyone who helped make this achievement possible. And finally, I encourage everyone to join us following this board meeting today for our "Scare-Away Stigma" Trunk-or-Treat event taking place right out in the parking garage behind (Building) 129. It's a fun opportunity to bring our community together, raise awareness, and continue the conversations about mental health. Thank you. Congratulations to all 33 municipalities for helping make Ocean County a "Stigma-Free County. Michelle, if you could please read the proclamation into the record and then we'll call you guys up for a nice picture and presentation."

COMMISSIONER ELLENBOGEN: "Oh, stop it." (laughter)

LORI ENQUIST-SCHMIDT: "You stole my thunder."

COMMISSIONER ELLENBOGEN: "You did the real work."

LORI ENQUIST-SCHMIDT: "No, we just appreciate the Commissioners for all of their support."

COMMISSIONER ELLENBOGEN: "Of course. You will always have us."

U. **COMMISSIONER COMMENTS**

At 4:29 PM, Director Sadeghi received the following comments from members of the Board:

DIRECTOR SADEGHI: “Thank you, Michelle. Next item is Commissioner Comments. We’ll start with Commissioner Arace.”

COMMISSIONER ARACE: “Good. Thank you, Director. Yeah, just one comment or announcement I want to make. I want to thank our Director of our Veterans Service Bureau, Vinnie (Camporeale). He’s bringing, I think, a very special memorial. We actually have a traveling Vietnam War Memorial coming August of 2027, and I think he’s done an amazing job bringing that in. It’s going to be at Ocean County College on, I believe, August 5th (2027). More details to come, but I think it’s a really incredible time for us to be able to show up for our servicemen and women that have given everything for our country and I just wanted to thank you for all of your effort in that. Thank you for bringing it into the county.”

DIRECTOR SADEGHI: “Thank you. Commissioner Bacchione.”

DEPUTY DIRECTOR BACCHIONE: “Thank you, Director. I just want to, again, mention those of you who have not been to our new Stafford Library, make sure that you get down there. The grand opening was October 5th (2026), and I think I’ve heard from the director that we’ve had record attendance at the library. It’s a beautiful building. It coincides with our Southern Service Center so you’re able to get the services provided that we have there, County Clerk, OceanRide, a few other things and also go to the library. So, exciting times and beautiful building. We’re happy to finally have that open and running and that’s all I have, Director.”

DIRECTOR SADEGHI: “Thank you. Thank you, Commissioner. Commissioner Gormley.”

COMMISSIONER GORMLEY: “Thank you, Mr. Director. I’ll just add on to Commissioner Arace the Veterans Service (Bureau) just does an outstanding job. A lot of the residents in the southern part of the county that are personal friends have had some tough times and some tough experiences, and they have nothing but good things to say about the county and the Veterans Services. I can’t thank you enough and I know I sent over an email from a couple of residents that personally wanted to thank you. So, just continue the good work and I know you will.”

DIRECTOR SADEGHI: “Thank you, Commissioner. Commissioner Ellenbogen.”

COMMISSIONER ELLENBOGEN: “Yeah, just another quick reminder about the big heavy competition taking place on the fourth floor of the parking garage. The Ocean County Mental Health Awareness Committee has really done an outstanding job once again, and many departments have nice displays and let’s get this going. Thank you, Director.”

DIRECTOR SADEGHI: “Thank you, Commissioner.”

COMMISSIONER GORMLEY: “I think there’s lots of candy to be given away, too.”

COMMISSIONER ELLENBOGEN: “Yeah, right after the meeting.”

COMMISSIONER GORMLEY: “Lots of candy.”

DIRECTOR SADEGHI: “We heard some sad news, a member of our community, the Ocean County community, somebody who gave a lot of her time and effort to various boards, served on the Brick Governing Body. She was a councilwoman, smart, dedicated, Helen Fayad, passed away, and I want to thank her family for sharing Helen with the rest of us over the last 30, 40 years that she was involved with Ocean County.”

V. **PUBLIC COMMENTS** - "Comments from members of the audience are invited at this time with a limit of five (5) minutes per speaker."

At 4:32 PM, Director Sadeghi opened the meeting to receive comments from members of the public.

DIRECTOR SADEGHI: “Our next item is public comments. Anyone who is interested to come up and speak. Just come up. Please state your name, your address. Hi, Bob.”

ROBERT YAISER, 7 WARREN COURT, MANAHAWKIN: “Commissioner Sadeghi and (Commissioner) Arace, as liaisons for OCVTS (Ocean County Vocational Technical School), you’ve met with me multiple times and I appreciate your help. I read your comments in the news from the August 19th (2026) meeting when you urged the OCVTS Board of Education to act promptly in authorizing an independent investigation. I also read in the news that your request was disregarded and at the direction of George Gilmore OCVTS hired Karen Homiek’s son-in-law to replace her. For years, fellow retired (State) Trooper, Sean (Nelson) Boero and I have been appearing before this Board providing indisputable facts and evidence regarding reported crimes against children and employees here in Ocean County. I explained to you that in four years of honorable law enforcement this is by far the most disgraceful case of police and public corruption that I have ever witnessed. Since we last met, numerous victims have come forward filing lawsuits and demanding accountability. I would also like to publicly thank the local news reporters who have provided the public with the facts related to these complaints and their commitment to protect children in our communities. As one investigative reporter stated, ‘When it comes to abusing children, we will always remain

steadfast and firm to expose those who go after our most vulnerable population.' End of quote. Commissioners, I'm not going to put you on the spot and ask but if you haven't already, I'm requesting that you review the numerous published news reports and extensive public commentary substantiating these complaints, and the growing demands for transparency and accountability. Scores of former students, parents, and teachers have publicly shared their experiences at OCVTS and are questioning why nothing is being done. In a response to an October 1st article, titled "Inside the OCVTS Arts High School" where teachers pursued students a former OCVTS student publicly stated, 'My class is not included in this decade of experiences. I was at PAA (Performing Arts Academy) from 2005 to 2009. I can promise you it was just as horrible, and I'm still in therapy to deal with the horrible experiences.' End of quote. In another September 8th article, titled, "OCVTS Victims, Whistleblowers demand criminal probe into alleged grooming and cover-up,' you'll see that the public has been made aware of how many agencies and officials we have contacted requesting an investigation. After recently reaching out to the governor's office and New Jersey senate leadership, I was directed back to our local elected officials in Ocean County whom we've reached out to for help numerous times. I'd like to read you an excerpt that I sent to our senators on October 2nd. 'As I repeatedly explained and proven to law enforcement officials and Governor (Mikie) Sherill's Office, this is not a gray area. Many official reports tied to these complaints are falsified and no political or attorney tricks will ever change the facts. No matter how much taxpayer money is wasted on the board's attorneys' attempts to deceive the public and/or independent investigations cannot change the evidence that we have already provided. I believe that any public servant who conspicuously looks the other way and ignores these facts, should be removed from public office. The facts and written record confirm numerous state, and county officials have repeatedly betrayed the public's trust and continue to make a mockery of law enforcement and education in New Jersey. As I have testified under oath, I was contacted in 2020 by multiple law enforcement agencies and witnessed the Ocean County Prosecutor's Office Internal Affairs Unit, lie and cover-up complaints in this matter. Investigative reporters have made the public aware that OCPO (Ocean County Prosecutor's Office) and New Jersey Attorney General's Office are directly involved in the cover-up of these serious complaints and the governor's aides have stopped communicating with us.' End of quote. Once again, I did not receive a response. A few weeks ago, Governor Sherrill announced that her administration would no longer tolerate the culture of silence, delayed accountability, or misconduct being swept under the rug in state government. She stated, 'That is requiring a culture change in Trenton. We can longer tolerate the culture of silence, sweeping things under the rug or kicking the can down the road. New Jerseyans deserve fairness and accountability.' End of quote. Because I agree with the governor's statement and I believe that the top priority of our elected and appointed officials is the protection of their citizens' basic rights and safety, I'm requesting that you, Director Sadeghi, reach out in writing to Governor Sherrill's office to see if these complaints are actually being investigated. If you are ignored like we have been at least we will know where we stand. As the truth is finally being revealed as it usually does in cover-ups, I believe the public and history will see that together we have exhausted every means in the State of New Jersey to uphold the rule of law and we need federal assistance. Thank you for your time and I await your response."

DIRECTOR SADEGHI: "Bob, so there are certain things that the Commissioners have jurisdiction…I'm talking about the County Commissioners have jurisdiction over. As you know, with the vocational schools they have the Board of Education, and they are responsible for the daily activities of the schools, the children and all those things. But there are certain things that we can do. I have talked to the rest of the Commissioners and talked to administration to send a strong letter to their Board of Education, and their superintendent, and demand that they implement measures to protect our children. We're going to see what they're going to implement. I don't think they're going to ignore us. As you know we went through a little bit of a transition from the old superintendent to the new superintendent. We had the new Superintendent, Mr. (Gary) MacDonald, come in, meet with us, and we basically, in a blunt way, indicated to them that some of their past practices were not acceptable to this Board of Commissioners, and we would have to see a substantial change. Now, what recourse do we have? Of course, we can withhold funding for their projects, but who are we punishing, really? What I don't want to do, and I think the last three years that you and I have been talking about vocational schools you know that this is one of the things that I am passionate about as is the rest of the Commissioners. We have, in fact, provided measurable funding over the last three years, again, to benefit the students. So, I don't think withholding funds for the vocational schools is the answer. We have to, and I think we've communicated this with the superintendent and the board members, that we're willing to listen to encourage the Board to conduct their own investigation and take a look at all these allegations. I haven't seen anything in writing from them as to whether this is taking place and when this is going to take place.

The other avenue that we have, and control, is the board members. That's something that we're directly involved in and I think whether it's that board or other boards, I think we need to take a serious look at putting some new people and some fresh faces for all these boards across…just because somebody's been on a certain board for 20 years, 25 years, doesn't mean that they automatically get reappointed. That's my commitment to the public. So, those are the things that we can control. Those are the things that we have jurisdiction over. Anything beyond that…if you know something that we can do that we're not doing, I would love to have that conversation with you."

ROBERT YAISER: "Absolutely. Like I said, I think history and the public will see you really have tried to help. This is a criminal matter that needs to be investigated by sworn law enforcement. Up to this point, in one of the articles in the paper it stated, they haven't answered a question because they can't and yet you're still funding the Board's attorneys with no one has held their feet accountable even to answer one question."

DIRECTOR SADEGHI: "Understood."

ROBERT YAISER: "So, if you reach out to the governor's office and you're ignored the public will see Ocean County did everything we could to protect these kids."

DIRECTOR SADEGHI: "I will do that. Thank you for that suggestion. Thank you, Bob."

ROBERT YAISER: "Yes."

DIRECTOR SADEGHI: "Anyone else?"

CARLOS MARTINS: "First of all let me apologize for the phone ringing. I came late and I didn't turn it off, so I apologize. Today, my first day here…"

DIRECTOR SADEGHI: "Can we have your name and address, please?"

CARLOS MARTINS: "You're going to get it. Today's my first day here. I'm late because I'm from Jackson. My name is Carlos Martins."

DIRECTOR SADEGHI: "How do you spell your last name, Carlos?"

CARLOS MARTINS: "M-A-R-T-I-N-S. Thank you for asking because people spell it wrong all the time. Ez's, z's."

DIRECTOR SADEGHI: "Carlos, you were at the Preboard Meeting…"

CARLOS MARTINS: "I was, yes."

DIRECTOR SADEGHI: "I apologize. You left but I wanted to let you know that at the Preboard Meeting the policy is that we don't have public participation. You're more than welcome to stay and listen to what goes on, but we just can't have the public because the, yeah…"

CARLOS MARTINS: "That's fine. That's perfectly understandable. I'm learning the rules. I just didn't know the rules."

DIRECTOR SADEGHI: "So, I apologize that I didn't get to talk to you about that."

CARLOS MARTINS: "No, no. Thank you for that. But related to that, so that presentation and everything that was done at that meeting where you couldn't ask questions, was that made available and is it going to be presented here so you can ask questions?"

DIRECTOR SADEGHI: "Which presentation?"

CARLOS MARTINS: "So this was the 1144 Redesign Concept where they listed out…basically I'm concerned about that page where all the costs, right, where they ended up like 40 mill…"

DIRECTOR SADEGHI: "That's a good question. Is that information available?"

MICHAEL J. FIURE, ADMINISTRATOR: "So, right now it's a work product. The Commissioners have not approved anything to move forward. We have been asked to do a concept development for that property, but we are still continuing to have conversations about what the future of that property will be. Once the Commissioners vote on a certain project, we'll be able to hand out that information to the public and they will vote on that at this meeting, but we are not close to that yet. That was to let them know that, you know, this is where we're at, you know, we have to decide with our CFO (Chief Financial Officer) whether or not that's something that the county can afford and whether or not that's something that is needed at this time. This project started with, and then, I mean, I don't want to say everyone's brand new, right, but I think Commissioner Sadeghi's only here for two and a half years. It started with the previous Commissioner Board and my job as Administrator is to make sure the Commissioners are up to date with all the projects that were in the pipeline. But nothing has been approved at this point, and nothing has been recommended at this point."

CARLOS MARTINS: "Okay. Understood."

DIRECTOR SADEGHI: "So, the Commissioners might decide to do all of…every aspect of the proposal, some of the proposal, or none of it, really. So, to our Administrator's point, it doesn't make sense to get the information out there because it's sort of, too early."

CARLOS MARTINS: "Yeah, I mean I would prefer to look at it before you guys already made the decision."

DIRECTOR SADEGHI: "Oh yeah, sure. Sure."

CARLOS MARTINS: "Okay."

DIRECTOR SADEGHI: "Oh yeah, we're going to have to, you know, if we're spending your money, at a minimum…"

CARLOS MARTINS: "Thank you very much."

DIRECTOR SADEGHI: "Absolutely."

CARLOS MARTINS: “Okay. That kind of leaves me to help me explain a little of who I am. So, as Jack used to like to say when he was running, I’m a CPA/MBA. So, I’m glad to see the CFO here. There was one line on there it had $11 million in there. It simply said something like sharing amenities. I’d be curious to know, what the heck? What coffee maker costs $11 million?"

DIRECTOR SADEGHI: "So are we."

CARLOS MARTINS: "So, if you could give me…(laughter) that was really…that was really going to be my only question, really. Okay, I think I’m done for today. It was nice meeting everybody.”

DIRECTOR SADEGHI: “Thank you, Carlos.”

CARLOS MARTINS: “Maybe you’ll see me again.”

DIRECTOR SADEGHI: “Yes, yes, please.”

CARLOS MARTINS: “Thank you.”

DIRECTOR SADEGHI: “Thank you so much. Anyone else?”

CRAIG VERSHECK, 277 COUNTRY CLUB BOULEVARD, LITTLE EGG HARBOR: “Good afternoon, everybody. It’s been a long time since I’ve been in this room. I used to spend a lot of Wednesdays for many, many years with the Board of Freeholders and it’s just been a long, long time and I’m glad to be here. I come to you tonight because of a situation in Little Egg Harbor. I actually wrote down a bunch of stuff so I’m kind of like ad-libbing. I’d like to say the dog ate it, but I really did, I left it home on my kitchen counter. So, I’m going to try to work my way through this. I’m also President of the Little Egg Harbor-Tuckerton Concerned Citizens Association. I did write down something that I’m going to ad-lib it after that. I’m not going to stand here and state what our association has done in the past. We’ve been around for a long time and have done a lot of good for the citizens of Southern Ocean County. I do urge you to google us to see who and where and what we’ve done. We are a group of people, citizens of Ocean County, that truly care and love our community. Our association is not an environmental group. Folks in Little Egg Harbor, Tuckerton and the surrounding areas are upset. They’re scared and they’re worried because of a life-changing monstrous development that’s going to be raised in Little Egg Harbor. The development is planned by Lennar Homes. The project will clear cut 146 acres and it will contain 415 new homes in one shot. This is the one of the last forested pristine environmental-centered areas of our community. We’re not against development done in the right way in the right area. Little Egg Harbor does not have the infrastructure to support this life community changing development. I’m going to put this down (puts stack of papers on table) and I’m going to try to ad-lib it from this point. Ray (Gormley) in fact, out of respect I do want to call you Commissioner Gormley. Commissioner Gormley, I’ve been watching some of your videos or whatever. They’ve been outstanding about preserving and taking care of our land especially in Southern Ocean County and I think this is an excellent property to maybe think about, talk about, or whatever. Like I say it really is a life-changing thing for a lot of the folks that live there. I do hear that Little Egg Harbor does have some money in their bank as far as preserving and for the Land Trust and all. So, if we could, maybe, do something with that. Excuse me for the way I’m dressed too. I came from the doctor. Another reason I haven’t been here is a couple of heart valves and pacemaker and stuff, so.”

DIRECTOR SADEGHI: “You look fine.”

CRAIG VERSHECK: “It used to be easier just to pay my taxes instead of getting involved with the…our association was contacted by citizens of Little Egg Harbor saying, ‘Man, we could really use you. Would you get involved again?’ So, that’s how we find ourselves in this situation. We did circulate petitions through our community. We’ve got quite a number of them, just a few things. Like I said, I’m ad-libbing. I just wanted to bring up our First Responders, our Fire Departments, EMS. We’re more than happy to sign these petitions. They all came and they actually came to our home and really, really wanted…they have issues with what might happen or what might not happen in Little Egg Harbor as far as the First Responders for part-time, response times, water issues on one side of the township not being able to maybe not supply water to the other side of the township. Political reasons, the fire chief said, ‘Sorry we’ve got them all signed but we can’t hand them over to you.’ So, I want you to know that First Responders are also having concerns about this.”

DIRECTOR SADEGHI: “What was the petition for?”

CRAIG VERSHECK: “Excuse me?”

DIRECTOR SADEGHI: “What was the nature of the petition? What was it for?”

CRAIG VERSHECK: “The petition is just that the folks of Southern Ocean County are against this big development because of infrastructure, environmental reasons and such and stuff. I mean as far as the infrastructure goes, we don’t have anything, really. I mean the food stores; the traffic already is at a maximum going through Tuckerton or whatever. There’s issues with maybe First Responders even trying to get to the scene of things or whatever. I mean in the summer especially when there’s a lot of people and tourists and stuff and all the people that live there know it’s almost impossible to get through the township at a reasonable time. I don’t know, like I say, I’m ad-libbing at this time. I know my wife is going to speak. But I’d like to right now say that I’d like to present to you with…I’d like to

present these petitions on behalf of the people of Southern Ocean County, Little Egg (Harbor) and Tuckerton or whatever. There's quite a few. I'm going to use my fingers to kind of count how many I might be able to get in my hand or whatever. I know it's hundreds, and hundreds, and hundreds, and hundreds, and hundreds, hundreds, and hundreds, and hundreds, and hundreds and hundreds, hundreds, and hundreds, and hundreds, and hundreds and hundreds, and hundreds of people have signed this petition. Like I say, there's a lot more I got to say but we're very, very worried about what happens and we're not just anti-home and this and that, but like I say, our township can barely support this. So, I now present you with these petitions. Should I give them to the Clerk? Can I please present them to you?"

DIRECTOR SADEGHI: "You can just… (looks to the Clerk). So, Craig, the process with the purchase of Open Space through the Natural Lands Trust which basically oversees the expenditure of the 1.2 cents Open Space Tax that's been in place for the last 30 years, and we're obviously, advocating this year…we have a question on the ballot to increase that 1.2 cents to 2.2 cents, by a penny. That is to exactly accomplish what you're talking about as far as preserving these open spaces that we still enjoy today that if the properties get developed, we won't be enjoying and the next generation won't enjoy, so that's exactly the purpose of it. There is a process in place. I remember there was a property in Brick Township, Church of Visitation owned the property and they had a contract with D.R. Horton, one of these national builders and there was a lot of, as you would imagine, neighbors were against the project and they approached the town council, the mayor council, and then ultimately came here to the Board of Commissioners to ask the county to purchase the property and ultimately the property was purchased through a partnership, I believe, with Brick Township, but the process is that the property owner would have to submit an application to the Land Trust and the governing body of the particular town would have to endorse it. So, there's two steps to it. If we can get to that point, then the Commissioners can have input through the Land Trust Committee as to whether the purchase makes sense or not."

MICHAEL J. FIURE, ADMINISTRATOR: "That's correct, Commissioner."

CRAIG VERSHECK: "I do understand and yes, you are correct with a lot of it. I'm kind of holding short because I know there's lawsuits involved with this project so I'm purposely out of respect not saying or asking somebody questions that I would like to but I don't want to put any of you out of respect into a position of saying, I can't or I won't, and I could answer any of these or whatever. Like I said, I guess this does speak quite a bit of whatever… this is the community. I'm going to give it to the Clerk and it's just a pleasure to be back up here again."

DIRECTOR SADEGHI: "We appreciate you coming up. I know Little Egg Harbor is a ways away but we appreciate you coming up and we want to hear your voice and you know, the voice of the community, of course."

CRAIG VERSHECK: "It's, I don't know, five, six, eight, ten years in a row that we've been up here, whatever, every Wednesday and yeah, maybe I can make it a habit to come up and maybe actually shake some hands and get to meet you and discuss some other things here and there, mostly good."

DIRECTOR SADEGHI: "Thank you. Thank you, Craig. Anyone else?"

COMMISSIONER GORMLEY: "Mr. Director, if I may?"

DIRECTOR SADEGHI: "Yes."

COMMISSIONER GORMLEY: "I'll just wait for him to come back to the podium. Mr. Versheck, I'll just wait for you to come back so I could…I just want to address a couple of things. So, certainly, as the Director clearly indicated to you the first and foremost important thing is the owner of the property has to make an application. Okay? That's the first and most important. And Tony (Agliata) if I misspeak in any way, please correct me. I check on a regular basis with our Open Space, has there been any applications come in. I check on a regular basis. But it also is very important for all the residents to understand is it's not just, right, because I'm from Little Egg, it's not just Little Egg anymore. I have to check what is for the entire county now what comes in for Open Space. Alright. So that's more important. Secondly, once an application comes in and the Open Space Natural Lands Trust goes through their process, the willing seller has to agree to a price which very often doesn't happen. You get too far apart. Okay. So, that creates a difficult situation for all of us. But until, and I think it's most important for you to understand, until an application comes forward from that landowner to say, 'Yes, I am a willing seller,' there isn't a whole lot we can do at the moment. Not that we don't want to do something, but we can't until we have a willing seller."

CRAIG VERSHECK: "You just answered what I was going to say when you just said, 'Not that we don't want to.' So, if this did happen or people can persuade or communicate with this owner to do that, is there an interest from this committee? And like I say I do believe the Township of Little Egg Harbor does have money in the bank to possibly start the ball rolling. I very strongly don't want to put anybody on the spot. Like I said, I know this is all in court and all but is there an interest from this committee that this could possibly take place if the owner was to come forward?"

COMMISSIONER GORMLEY: "Well, I think to answer and I can't answer for the rest of the Freeholder Board or the Commissioner Board, but I can certainly tell you I would believe that that would be premature at this moment because you don't know all the particulars. Again, I'm going to go back very crystal clear, let me finish please. I'm going to go very crystal clear. Until there is an application comes forward and the process begins, until it gets to this point, that's unfair for us to answer."

CRAIG VERSHECK: "I understand. I understand. I thank you for your time. I thank you all for your time. Are you

done, Mr. Gormley?"

COMMISSIONER GORMLEY: "Sure."

CRAIG VERSHECK: "Have a great evening."

DIRECTOR SADEGHI: "Thank you."

DEBRA VERSHECK, 277 COUNTRY CLUB BOULEVARD, LITTLE EGG HARBOR: "Hi. You couldn't seen me a lot now like my husband said, we have been coming a long time, but we were here for four years, every month, and it was very hard because I would come directly from work. I would go out at lunch so I could get here on time for four years. I know the township changed the zoning of this property to a PA5 and sent it to the New York Planning and Advocacy State of New Jersey. So, I do know if somebody would back them it would help. So, that I do know. Let me tell you a little about this property, though. It is on wetlands. On this property there is the headway of Willis Creek. Willis Creek goes into many creeks. You have the Willis Creek, the Tuckerton Creek. Now, when (Hurricane) Sandy came…I live on Country Club Boulevard on the golf course side. I had four feet of water in my house, and it didn't come from the canal. It came from Willis Creek. It came up my block from the two ponds, and it came up with a surge, four feet of water. So, now you take away 146 acres of woods, you're going to have a big problem because some people had 10 feet of water. There were 4,000 houses destroyed from (Hurricane) Sandy. You're going to have a lot more problems when you take away 146 acres of woods. Now, in November of 2019 MUA Administrator Sutton had said Little Egg Harbor does not have the infrastructure or much growth. Meanwhile we have homes being built on Mathistown Road all the way down to Route 9. We have a restaurant being built on (Route) 539 and another project that's being started. So, it's not as if we're not building, we are, but you can't take away on the wetlands. Also, on this property you have endangered species. You have the "cope's gray treefrog, and you have the "long-hair bats." They're both on the endangered species. I do have pictures on my phone if any of you would care to see them. Also, they say it's a 55-plus community. There's a problem with that because as you know there was a lawsuit, NJ Realtors versus Township of Berkeley, and the New Jersey Supreme Court Appellate Division ruled that municipalities in age-restricted communities cannot restrict home ownerships based on age. It was called NJLAD (New Jersey Law Against Discrimination). So, you can't say that. Also, Sea Oaks was supposed to be age-restricted, and you see families in there all the time. So, that's not true. And ratables, you talk about ratables all the time, ratables does not include our infrastructures for education which our education last year was 33% tax hike in Little Egg Harbor, which I believe it's going to happen again which is a little phenomenal especially since it's mainly a senior community. As my husband said, our township does have money in Land Trust Funds. I don't know why Pinelands Commission is not getting involved because under this property runs the Kirkwood-Cohansey aquifer and I know that they're supposed to be taking care of that because of the pinelands. They're in charge of that. I brought the papers for each of you from the USGS Survey (U.S. Geological Survey) and NJ Science. You could look up the information, and you could see for yourself. There's a lot of problems with this property. It's not that I'm saying there isn't. You want to build somewhere? Have them build next to Walmart. That property is damaged already but don't build where it's going to cause damage to the whole township because all you're going to have is a ghost town then. Thank you."

DIRECTOR SADEGHI: "Thank you so much. Yes, if you could hand those to Michelle. (hands papers to the Clerk) I'm sure you know that local zoning belongs to…and whether we agree with it or don't agree with it, that's the system that we have in New Jersey, so I don't know exactly where the application is in terms of approvals from the local boards. On the county side the oversight that the Planning Board, the Ocean County Planning Board has is that we have certain criteria that Mark Jehnke, the County Engineer, and the rest of the Planning Board members will take a look at as far as traffic impact, drainage impact. Environmental issues are really deferred to DEP (Department of Environmental Protection). I'm sure a project of this magnitude they would have to get some sort of… I don't know, Mark, do you know enough about the…"

MARK F. JEHNKE, OCEAN COUNTY ENGINEER: "Yeah. They are in a DEP right now. They have a current application."

DIRECTOR SADEGHI: "Is it in a Pinelands zone or…?"

MARK F. JEHNKE: "No. It's outside of Pinelands. Pinelands starts at… stops at the parkway, so west of the parkway is Pinelands. So, Pinelands doesn't have any jurisdiction over this project."

DEBRA VERSHECK: "But the Kirkwood-Cohancey (aquifer), they're in charge of that and that water goes right through that property. So, technically they could get involved, technically. Also, in 2019 and 2006 this same property was denied being built upon. I don't remember the name from 2019 of the builder, but in 2006, you could look it up, it was Blue Comet (LLC) Builders, and the reason it was denied is because the property was deemed too sensitive. So, like I said, you could look it up yourself, Blue Comet (LLC) Builders, and the property was deemed too sensitive."

DIRECTOR SADEGHI: "And these are the arguments that arguments or proofs that you would put in place if we have the property owner, as Commissioner Gormley indicated, if the property owner and the contract purchaser want to approach the county and the Land Trust to purchase this property those are exactly the criteria's that we and the Planning Department, the County Planning Department, would look at to indicate and make a decision and make a recommendation to the rest of the Commissioners as to if this is a piece of property that should be purchased through the Land Trust Funds."

CRAIG VERSHECK: "If I may, and I know I'm not up there. If I may just for a second."

DIRECTOR SADEGHI: "Yes."

CRAIG VERSHECK: "I do believe that the property was already sold to the developer, so it's no longer owned by the property owners…"

DIRECTOR SADEGHI: "So…closed…"

CRAIG VERSHECK: "…so, the developers sold to the developer already."

DIRECTOR SADEGHI: "Thank you."

CRAIG VERSHECK: "Thank you. Sorry to interrupt."

DIRECTOR SADEGHI: "That's okay. Thank you. Anything else?"

DEBRA VERSHECK: "No, that would be it and thank you for your time."

DIRECTOR SADEGHI: "Thank you. Anyone else? Okay. Can I have a motion to adjourn?"

RESOLUTION

October 21, 2026

WHEREAS, the County of Ocean ("County") provides health/prescription coverage to eligible full-time employees and eligible retirees through the New Jersey State Health Benefits Plan ("SHBP"); and

WHEREAS, the SHBP has experienced extraordinary rate increases over the last few years; and

WHEREAS, the State of New Jersey has shown no willingness to assist in controlling the continually increased costs associated with the local section of the SHBP, which has resulted in counties and municipalities throughout the State being left with difficult budgetary choices; and

WHEREAS, continued participation in the SHBP leaves the County subject to externally established health and prescription benefit rates, with little ability to independently control or mitigate these costs on behalf of taxpayers and employees; and

WHEREAS, the Board of Commissioners is of the opinion that terminating its participation in the SHBP (Medical Plan and Prescription Drug Plan) is to the benefit of the County, its residents, its employees, and retirees who obtain health and prescription drug coverage.

NOW, THEREFORE, BE IT RESOLVED BY THE OCEAN COUNTY BOARD OF COMMISSIONERS ON THIS 21st DAY OF OCTOBER 2026, AS FOLLOWS:
