EXHIBIT A
COUNTY OF OCEAN

REVISED 2/16/2022

Rules and Regulations for the Outside Employment of Off-Duty Sheriff Officers
Effective: February 3, 2022

1. **Extra-duty employment of Sheriff's officers**

- A. To accommodate those persons and entities requiring the services of off-duty Sheriff's officers and to authorize their off-duty employment, the County hereby establishes this policy and procedures.
- B. Sheriff's Officers deemed eligible by the Sheriff to do so shall be permitted to accept law-enforcement-related employment from nongovernmental employers and school districts only during their off –duty hours and at such times as will not interfere with the efficient performance of regularly scheduled or emergency duty for the County.
- C. Persons or entities wishing to employ off-duty Sheriff's Officers must make their request through the Sheriff. The Sheriff may grant such request when, in his/her opinion, such employment will not be inconsistent with the efficient functioning and good reputation of the Sheriff's Office and would not unreasonably endanger or threaten the safety of the officer(s) who will be working the assignment(s).

2. **Requests for Services**

- A. Any person or entity seeking to employ off-duty Sheriff's officers shall first obtain the approval of the Sheriff or his/her designee. The Sheriff or his/her designee is authorized to execute an agreement with the applicant for services needed, which agreement shall set forth the specific nature of the services to be performed, the location, dates and hours of service, payment arrangements mandated herein, number of officers needed, insurance coverage and/or any other provisions required by law or regulation of the State of New Jersey. The applicant must first file a request for services with the Sheriff's Outside Employment Unit ("OEU"). The applicant must include in the request for services evidence that the Chief Law Enforcement Officer of the local municipality is unable or unwilling to provide off-duty officers.
- B. Any Sheriff's officer, when so employed by any person or entity, shall be treated as an employee of that person or entity. Any and all wages earned for outside employment shall not be applied toward the pension benefits of Sheriff's officers so employed, nor shall hours worked for outside employment be considered in any way compensable as overtime under the

Fair Labor Standards Act or compensable in any other manner that requires the County to pay the officers by County funds through its payroll system. All Sheriff's officers shall be subject to the policies, procedures, directives, rules and regulations of the Sheriff, the Ocean County Prosecutor's office and the Attorney General's Office of the State of New Jersey.

3. **Billing/payment schedule/escrow accounts**

Billing periods. Billing and payment practices for persons or entities contracting for the provision of security services by off-duty Sheriff's officers shall be conducted in accordance with local finance laws and regulations promulgated by the Local Finance Board.

- A. The County has established an escrow account dedicated to the payment of off-duty Sheriff's Officers for outside employment by private contractors. Any prospective contractor must apply to the Sheriff, requesting off-duty police services. The written application shall include the following information:
- i. The dates that off-duty police vehicle(s) will be needed.
 - ii. An estimate of the number of hours the contractor anticipates using the off-duty police officer(s) and, if appropriate, police vehicles.
 - iii. A check to cover the cost of the off-duty police services and use of any County vehicles based on the estimated number of hours shall be submitted before the start of off-duty employment in accordance with state and Division of Local Government services regulations.
- B. Prospective contractors who continuously request off-duty police service, or anticipate a need for periodic or long-term off-duty police services, may request to deposit monies with the County on an ongoing basis to be depleted as such work is performed. Funds on deposit shall not earn interest.
- C. If the contractor's needs exceed the estimated sum in the escrow account, the Sheriff, or his designee, shall immediately notify the contractor that the funds in the escrow account are insufficient to pay for continued off-duty police services. The contractor shall then either replenish the escrow account with a check sufficient to pay for continued services or the Sheriff shall immediately terminate provision of the off-duty police services to the contractor.

- D. If the contractor's estimated costs exceed the actual costs incurred, then the County shall, upon proper notice to the County Chief Financial Officer, refund the remainder of the escrow account.
- E. No sheriff's Officer shall accept any payment in any form from any person or entity other than the County, and unless that payment has been formally and permanently documented by the Chief Financial Officer of the County. No person or entity shall give or channel any form of payment or gratuity to any Sheriff's Officer in connection with the services of off-duty officers, but shall use the escrow account described in subsection A.

4. **Rates of compensation; administrative fees; payment for services**

Rates of compensation for contracting the services of off-duty Sheriff's officers shall be as follows:

- A. **Rate** - The rate of compensation for the contracting the services of off-duty Sheriff Offices shall be set as follows:
 - a. Effective February 3, 2022, a rate of \$85.00 per hour for each officer, of which \$15.00 per each hour shall be an administrative fee retained by the County; and
 - b. Beginning in January 2023, the Board of Commissioners shall adopt a resolution setting forth the rate of compensation for each year which shall be effective January 1st of each year, and shall be based upon the following formula:
 - 1. A determination of the average hourly salary of sworn officers whose titles are represented by majority representatives as of December 1 of the prior year, multiplied by 1.5, and then rounded to the next highest five dollar increment, plus a \$15.00 administrative fee.

Example: On December 1, 2022, the average hourly rate for officers whose titles are represented by a majority representative is \$48.25. This \$48.25 is multiplied by 1.5, and equals \$72.38. This is rounded to \$75.00, and a \$15.00 administrative fee is added. Thus, the hourly rate effective January 1, 2023, would be \$90.00, which represents \$75.00 officer compensation, and a \$15.00 administrative fee retained by the County.
 - 2. The rate will be reset, if necessary based upon the formula set forth above, at either the final meeting of the Board of Commissioners in December, or at the reorganization

meeting of the Board of Commissioners, but shall be effective January 1st, provided that the rate will not decrease from the prior year.

B. Minimum assignments

1. Four-hour minimum. All assignments shall have a four-hour minimum per Officer contracted. Sheriff's officers are entitled to the four-hour minimum if the assignment is cancelled upon their arrival at the job site, without prior notice. Sheriff's officers who begin an assignment that is cancelled before its completion shall be entitled the four-hour minimum or actual worked, whichever is longer.
2. Two and one-half for Non-profit & schools. All assignments for non-profits and/or schools shall have a two and one-half (2.5) hour minimum per Officer contracted. Sheriff's officers are entitled to the two and one-half minimum if the assignment is cancelled upon their arrival at the job site, without prior notice. Sheriff's officers who begin an assignment that is cancelled before its completion shall be entitled the two and one-half minimum or actual worked, whichever is longer.

5. Contractor obligation and limitations

Persons or entities contracting for off-duty law enforcement services are placed on notice that the Ocean County Sheriff is the primary employer of Sheriff's Officers and, in contracting for such services, expressly agree to the following conditions:

- A. Police-related work. Sheriff's officers providing law enforcement services shall not be required to perform non-police-related tasks. Police-related tasks typically involved crowd/traffic control and site security.
- B. Uniforms. Unless specifically authorized by the Sheriff, Sheriff's Officers shall be in uniform. Requests from persons or entities for Officers to work in a plain clothes' capacity shall be made in writing to the Sheriff, who in his/her sole discretion may approve or deny such a request for any or no reason.
- C. Cancellations. Persons or entities that have contracted for off-duty Sheriff's officers and wish to cancel must provide a minimum of two hours' notice or be subject to the four-hour minimum for each officer contracted.
- D. State of emergency. The Sheriff or his/her designee shall, at all times, have the authority to order any Sheriff's officer engaged in off-duty assignments to respond to an emergency situation. The Sheriff or his/her designee shall also have the right to order any off-duty assignment terminated whenever

said assignment creates an unacceptable risk to the health, safety or welfare of the off-duty Officer and/or the citizens of Ocean County.

6. **Insurance requirements**

- A. Persons or entities contracting for off-duty law enforcement services are responsible for providing all insurance coverage as required by law. Each applicant shall provide the Ocean County Sheriff with appropriate certificates of insurance naming the County of Ocean and the Sheriff's officers as additionally insured and evidencing that the Sheriff's Officer and Ocean County are covered by general liability coverage of at least \$1,000,000 for each occurrence with respect to the services to be provided.
- B. The certificate of insurance or the policy shall contain the following language: "The Insurer shall indemnify, defend and hold harmless the County of Ocean and Ocean County Sheriff, their employees, agents, servants, officials and administrators from and against any and all claims, or actions at law, whether for personal injury, property damage or liability including any costs of defense incurred by the County of Ocean and/or Ocean County Sheriff which arise from any acts or omissions of the insured, their employees, agents, servants, officials or administrators arising out of or related to the use of off-duty Ocean County Sheriff's officers"

7. **Indemnification**

- A. The person or entity contracting for off-duty law enforcement services and the applicable insurer shall indemnify, defend and hold harmless the County of Ocean and Ocean County Sheriff, their employees, agents, servants, officials and administrators from and against any and all claims, or actions at law, whether for personal injury, property damage or liability including any costs of defense incurred by the County of Ocean and/or Ocean County Sheriff which arise from any acts or omissions of the insured, their employees, agents, servants, officials or administrators arising out of or related to the use of off-duty Ocean County Sheriff's officers.
- B. This indemnification and hold harmless agreement shall apply in all instances, whether the County of Ocean and/or Ocean Sheriff are plaintiffs, defendants, direct parties to the initial action or claim or are subsequently made parties to the action by third-party in-pleading or are made parties to a collateral action arising, in whole or in part, from any of the issues from the original cause of action or claim.

Mr. Agliata and Commissioner Haines told the Board about two Open Space acquisitions recommended by the Natural Lands Trust Fund Advisory Committee. The first is a 0.17-acre parcel located off Lyons Avenue in Berkeley Township within the new Natural Lands "Mill Creek Headwaters". The property owner accepted a negotiated offer of \$7,500.00. The second property is a 37.71-acre property located off Radio Road in Little Egg Harbor Township, adjacent to 46.68-acres of existing NLTF Open Space with established trails, and direct water access. The property owner has accepted a negotiated offer of \$350,000.00.

Mr. Ernst reviewed the items listed on the attached Engineering Department agenda which included a resolution authorizing a shared service agreement between the County of Ocean and the Borough of Seaside Park for the replacement of drainage

facilities on G and H Streets, as well as paving portions of North Bayview Avenue. Mr. Ernst also notified the Commissioners that the paving project on Washington Street in Toms River will be completed in the spring following the completion of the Suez and NJNG projects over the winter. Mr. Ernst has been coordinating with these companies regarding the upcoming paving project. The Engineering Department received the NJ Asphalt Pavement Association Award of Excellence for the Brick Boulevard paving project. Deputy Director Haines asked the Board members for comments.

Commissioner Vicari shared his concerns with the rising costs of home delivered meals for seniors over the past year. Mr. Block noted that the amount of money reimbursed to Fulfill to aid the County food banks has risen greatly.

Commissioner Vicari expressed his disappointment in the recent closing of the Wells Fargo Bank in downtown Toms River. He would like to see one physical building that could service many different banks since there seems to be a decline in the need for multiple branches due to online banking.

The Commissioners mentioned that their thoughts and prayers are with Commissioner Kelly and his family following the passing of the Commissioner's wife Evelyn Kelly.

There were no additional comments.

Ms. Gunther read the resolution to move to closed session.

On a motion by Commissioner Vicari, seconded by Commissioner Crea, the meeting moved to Closed Session at 4:26pm for personnel discussion, appointments, reappointments, property acquisition and possible litigation. The motion was unanimously carried.

Subject: **Summary of Pre-Board Meeting of February 9, 2022**

Copies to: Michelle I. Gunther, Deputy Clerk of the Board

Robert Greitz, Director, Employee Relations

Director John P. Kelly opened the meeting at 4:00 PM and read the Statement of Compliance with the Open Public Meetings Act. The Clerk of the Board called the roll.

Present:

Director John P. Kelly
Deputy Director Virginia E. Haines
Commissioner Barbara Jo Crea

Director Kelly introduced Michael Hanrahan, a principal architect from Clarke Caton Hintz to present to the Board the final version of the plans for the Justice Complex Annex project. The County previously contracted with Clarke Caton Hintz in July 2020 to design the project. Director Kelly said they have met with the Administrator of the Court, Sheriff, Warden, Commissioners, and all affected Department Heads, and if all agree on the plans, the County will move forward with the project.

*Presentation attached

Mr. Hanrahan verified with Director Kelly that if the County needed to add on to the annex in the future, the structure could support another floor, as well as an addition.

Assignment Judge Marlene Lynch Ford thanked the Board for committing to executing this much needed addition. Director Kelly expressed his thanks to Judge Ford for her cooperation in the planning process.

Director Kelly mentioned that 10 buildings will be vacated upon completion of the addition, indicating a great deal of savings for the County.

The Board agreed to move forward with the Justice Complex Annex project, authorizing a resolution to be added to the February 16, 2022 Board agenda, giving notice to proceed.

Mr. Ernst reviewed the items listed on the attached Engineering Department agenda which included the recommendation to advertise for the construction of a traffic signal at Hope Chapel Road and Miller Road in Lakewood. Pine Beach will be transferring 1.45 total miles of roadway on Motor Rd., Riverside Dr. and Station Ave. to the County, and the County will be transferring 0.1 mile of Baltimore Avenue (from Broadway to street end) to Point Pleasant Beach. The County will provide Seaside Heights a letter in support of a grant application with NJDOT for pedestrian walkways, a bike lane, and other small projects. There were no questions or comments and all items will be listed on the Board Agenda for the February 16, 2022 Board meeting.

Ms. Gunther reviewed the Clerk of the Board's agenda for the Board meeting of February 16, 2022. There were no questions or comments.

Director Kelly asked the Board members for comments.

Commissioner Vicari notified the Board that he has been meeting with various banks in Ocean County regarding branch closures.

Director Kelly mentioned that at the Board Meeting on February 2, 2022, George Gilmore had requested that the County post the 24 hour per day camera footage beginning three and a half months prior to and including Election Day online. In researching the request, the County found that it would cost roughly \$250,000 plus \$25,000 per month to post it, a cost far too high to justify. Director Kelly said there would be a discussion in the coming week to find a solution.

Commissioner Kelly advised the Administrator to draft a response to Mr. Gilmore citing the inability to grant the request due to the high cost and security issues.

Commissioner Quinn said that since the State mandated this new voting process, they should also pay for the cost to post the footage.

Commissioner Vicari noted that the Board will be passing a Resolution opposing Title 19.

There were no additional comments.

Ms. Gunther read the resolution to move to closed session.

On a motion by Commissioner Haines, seconded by Commissioner Crea, the meeting moved to Closed Session at 5:05pm for personnel discussion, appointments, reappointments, property acquisition and possible litigation. The motion was unanimously carried.

The meeting returned to Open Session at 5:38pm. There being no further business, on a motion by Commissioner Vicari, seconded by Commissioner Quinn, the meeting adjourned at 5:38pm.
