- The **FIRST TIME HOMEBUYER PROGRAM** is proudly sponsored by the Ocean County Board of Commissioners on behalf of the Ocean County Consortium through the County Planning Department.
- The Ocean County Consortium receives HOME Investment Partnership Program funding each year from the **U.S. Department of Housing and Urban Development (HUD)**. HOME Program funds are used to create affordable housing for low and moderate income households.
- The First Time Homebuyer Program is administered in partnership with O.C.E.A.N., Inc. The O.C.E.A.N., Inc. Housing Counselor will be the Applicant's point of contact to provide assistance and guide them throughout the process.

Purpose:

The Fair Housing Act

The Department of Housing and Urban Development (HUD) enforces the Fair Housing Act, which prohibits discrimination and the intimidation of people in their homes, apartment buildings, and condominium developments – in nearly all housing transactions, including the rental and sale of housing and the provision of mortgage loans.

 **The Fair Housing Act prohibits discrimination in housing on the basis of:**

Race or color, National Origin, Religion, Sex, Familial status (including presence of children), Pregnancy, Disability

 **In the Sale and Rental of Housing, no one may take any of the following actions:**

- Refuse to rent, sell, or negotiate for housing, or deny housing
- Set different terms, conditions or privileges for sale or rental of a dwelling
- Provide different housing services or facilities
- Falsely deny that housing is available for inspection, sale or rental
- For profit, persuade, or try to persuade homeowners to sell or rent dwellings by suggesting that people of a particular race, etc. have moved, or are about to move into the neighborhood (blockbusting)
- Deny any person access to, membership or participation in, any organization, facility or service (such as a multiple listing service) related to the sale or rental of dwellings, or discriminate against any person in the terms or conditions of such access, membership or participation.

 **Mortgage Lending:**

No one may discriminate based on race, color, religion, sex, disability, familial status, or national origin, by refusing to make a mortgage loan, provide information, impose different terms on a loan, discriminate in appraising property, or discriminate in regards to homeowners insurance, etc.

 **What Housing is Covered?**

The Fair Housing Act covers most housing. In some circumstances, the Act exempts owner-occupied buildings with no more than four units, single-family housing sold or rented without the use of a broker and housing operated by organizations and private clubs that limit occupancy to members.

This information is from **“FAIR HOUSING Equal Opportunity for All,”** produced by the U.S. Department of Housing and Urban Development Office of Fair Housing and Equal Opportunity.

More information is available on the HUD Fair Housing website, including more details, and additional protections for persons with disabilities, families with children, accessibility requirements for multi-family buildings, and the complaint process.
