PUBLIC QUESTIONS TO BE VOTED UPON

STATE QUESTION NO. 1 CONSTITUTIONAL AMENDMENT TO LEGALIZE MARIJUANA	STATE QUESTION NO. 2 PROPERTY TAX DEDUCTION AND EXEMPTION FOR PEACETIME VETERANS	STATE QUESTION NO. 3 CONSTITUTIONAL AMENDMENT TO CHANGE THE LEGISLATIVE REDISTRICTING SCHEDULE IF CENSUS DATA IS DELAYED	LOCAL QUESTION NO. 1
<p>Do you approve amending the Constitution to legalize a controlled form of marijuana called "cannabis"?</p> <p>Only adults at least 21 years of age could use cannabis. The State commission created to oversee the State's medical cannabis program would also oversee the new, personal use cannabis market.</p> <p>Cannabis products would be subject to the State sales tax. If authorized by the Legislature, a municipality may pass a local ordinance to charge a local tax on cannabis products.</p> <p style="text-align: center;">INTERPRETIVE STATEMENT</p> <p>This amendment would legalize a controlled form of marijuana called "cannabis". Only persons at least 21 years of age could use cannabis products legally.</p> <p>The Cannabis Regulatory Commission would oversee the new adult cannabis market. This commission was created in 2019 to oversee the State's medical cannabis program. The scope of the commission's new authority would be detailed in laws enacted by the Legislature.</p> <p>All retail sales of cannabis products in the new adult cannabis market would be subject to the State's sales tax. If authorized by the Legislature, a municipality may pass a local ordinance to charge a local tax on cannabis products.</p>	<p>Do you approve amending the Constitution to give a \$250 property tax deduction to veterans who did not serve in time of war? Do you also approve amending the Constitution to give a 100 percent property tax exemption to certain totally disabled veterans who did not serve in time of war?</p> <p>The widow or widower of these veterans also would receive this \$250 deduction or 100 percent exemption after the veteran's death.</p> <p style="text-align: center;">INTERPRETIVE STATEMENT</p> <p>This amendment would give a \$250 property tax deduction to veterans who did not serve in time of war. The widow or widower of a veteran who did not serve in time of war would receive this deduction after the veteran's death.</p> <p>The amendment also extends the 100 percent property tax exemption for disabled veterans to veterans who became disabled during peacetime military service. Persons who became disabled during peacetime military service and reside in a continuing care retirement community would not receive the 100 percent exemption for disabled veterans.</p> <p>Currently, these property tax deductions and exemptions are only given to veterans who served during time of war. The amendment would give the deductions and exemptions to veterans who did not serve in wartime.</p>	<p>Do you approve amending the Constitution to change when new legislative districts are created if the federal census data is delayed?</p> <p>The current COVID-19 pandemic has delayed census data collection. If New Jersey does not receive the census data in a timely manner, new legislative districts may not be ready in time for State legislative elections in the year ending in one.</p> <p>This change to the redistricting schedule will allow legislators to be elected that year from their existing districts for their two-year term in office. The new districts will be used starting with the next scheduled general election for the State legislature.</p> <p style="text-align: center;">INTERPRETIVE STATEMENT</p> <p>This constitutional amendment changes when new legislative districts are created if the federal census data is delayed.</p> <p>The United States Constitution requires that a census be taken every ten years to count the people living in the country. Census data is then used to create new legislative districts to ensure residents have equal representation from elected officials. However, the current COVID-19 pandemic has delayed census data collection. This may delay census data to the states and may affect the creation of new legislative districts.</p> <p>The State Constitution requires an Apportionment Commission to create new legislative districts every ten years after the federal census is completed. If the census data is delayed, the new legislative districts may not be created in a timely manner to hold elections.</p> <p>This constitutional amendment requires the commission to delay creating the new districts if the Governor receives the federal census data after February 15 of the year ending in one. The commission will adopt the new districts after the November general election, but not later than March 1 of the year ending in two.</p> <p>The new districts will be used starting with legislative elections in the year ending in three. They will continue to be used until new districts are again created by the Apportionment Commission after the next federal census.</p> <p>For the June primary and November general elections in the year ending in one, Senators and Assembly members will use their existing districts to run for a term of two years. The old districts will also be in effect in the year ending in two if any legislative election is held in that year.</p> <p>This amendment requires the commission to begin conducting its business when the Governor receives the census data. It also requires the eleventh member of the commission to be appointed by the Chief Justice of the New Jersey Supreme Court within one month after the Governor receives the census data.</p> <p>Nothing in this amendment will alter the appointment of the members of the commission made by the State political party chairs pursuant to Article IV, Section III, paragraph 1 of the State Constitution on or before November 15, and certified by the Secretary of State on or before December 1, of the year in which the census is taken.</p>	<p>Should the Jackson Township Open Space Tax be reestablished at the rate of 3 cents per \$100.00 of equalized valuation pursuant to <u>N.J.S.A.40:12-15.7, etseq.</u>, and such Open Space Trust Fund be utilized for the acquisition, development and maintenance of lands for recreation and conservation purposes, the acquisition of farmland for farmland preservation purposes, the historic preservation of historic properties, structures, facilities, sites, areas or objects, and the acquisition of such properties, structures, facilities, sites, areas or objects for historic preservation purposes, and for payment of debt service on indebtedness issued or incurred by the Township for the purposes set forth herein?</p> <p style="text-align: center;">EXPLANATORY STATEMENT</p> <p>In 2001, the voters of Jackson Township authorized the establishment of the Township's Open Space Trust Fund and the imposition of an open space tax equal to 1.5 cents per \$100.00 of equalized valuation. Thereafter, in 2004, the voters of Jackson Township authorized the increase of said open space tax to 3 cents per \$100.00 of equalized valuation.</p> <p>Said tax is currently collected at the rate of 2 cents per \$100.00 of equalized valuation, and a "yes" vote on this question would reconfirm the wishes of the Township's voters to provide for an open space tax at the rate of 3 cents per \$100.00 of equalized valuation while permitting said funds to be utilized for the acquisition, development, maintenance, preservation and payment of debt service for conservation, recreation, farmland and historic properties and structures. The increase would fund additional acquisitions and improvements of open space by the Township.</p>
