BUDGET MESSAGE

It has always been the policy of the Board of County Commissioners to provide quality services to the residents of the County while maintaining a stable tax rate for the taxpayers of the County. The 2026 County Budget has been developed with that theory in mind along with fiscal conservatism.

The formulation of the Budget was accomplished through a series of budget sessions with the assistance of the County Officials over a three month period. These sessions included budget conferences with various Departments and Agencies of the County.

With this 2026 County Budget, the Board of County Commissioners will maintain the tax rate of .282 cents per \$100 of equalized property value.

The budget totals \$655,659,528, up \$46.9 million.

The amount to be raised in taxation is \$544,639,035, up \$46,729,853.

The County will use \$39,500,000 from its surplus to support the 2026 Budget, \$1,000,000 more than it did in 2025.

With the passage of Chapter 78 of the Laws of 2011, local government units were required to institute specific formulas for the calculation of employee health benefit contribution. The formulas are based on the type of coverage, base salary and cost of coverage. The 2026 County Budget includes an appropriation for Group Insurance for Employees in the amount of \$81,470,114. This amount was derived by subtracting the estimated employee contribution to be collected of \$10,949,231 from the calculated cost of \$92,419,345.

The following are the 2026 Budget requirements for revenue and appropriation for State assumed costs for Ocean County:

	Appropriation	Revenue

CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, check the reason why:

- Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line items and Down Payments on Improvements.
- No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM

- A multi-year list of planned capital projects, including the current year.

Check appropriate box for number of years covered, including current year:

- 3 years. (Population under 10,000)
- 6 years. (Over 10,000 and all county governments)
- years exceeding minimum time period.
- Check if county is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

COUNTY OF OCEAN
NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM

COUNTY OF OCEAN - 2026

The Ocean County Board of Commissioners, with the assistance of the County Administrator, County Engineer, County Planning Board and the County Comptroller, has developed this six-year Capital Improvement Program and Budget. The Capital Improvement Program was developed with the cooperation and consideration of recommendations of the various County Departments.

The County's continuing growth requires that the Board of Commissioners anticipates and plans for the increasing demands for County facilities and services. The Capital Improvement Program was prepared to guide County investment in land, facilities and equipment through 2031. The Program and Budget will be adjusted each year to reflect changing conditions including new Federal and State legislation, variations in the general economy, emerging demands of the public and modifications in the growth rate which may result in changes in revenue patterns and demand for new facilities or services. The Capital Improvement Program is realistic and attainable within the financial capabilities of the County and it provides for the future needs of Ocean County residents.

The accompanying forms which comprise the Capital Budget and six-year Capital Improvement Program have been completed in accord with regulations adopted by the Local Finance Board of the State of New Jersey pursuant to powers authorized by NJSA 52:27BB-10, NJSA 40A:4-43 to 45. The Capital Budget forms list all projects scheduled for startup for the 2026 Budget year and the source of funding for each project. A summary of Anticipated Funding Sources and Amounts is also included. Please note that this summary shows funding needed for new capital projects. It does not include previous appropriations for projects to be continued in 2026. For this reason, the funding summary differs slightly from the total cost shown for the Capital Program.

The total cost of all Capital Improvement Projects over the six-year period is \$428,155,032. Many of the projects will be funded under State and Federal Grant Programs or through the annual Budget on a "pay-as-you-go" basis. The larger projects will be funded by short-term borrowing. Bonds will be issued at the most advantageous times to secure low interest rates.
