

OCEAN COUNTY
HISTORICAL SOCIETY
Telling the Stories of Ocean County

The Ocean County Historical Society is looking for Volunteers

The Ocean County Historical Society maintains a Victorian era home and museum located at 26 Hadley Ave. Toms River. OCHS has been proudly telling the story of Ocean County for over 70 years. We are an extremely active organization, engaged in docent led tours, school group tours, bus trips, historical programs, an active research center and more.

We are seeking volunteers in all of the above categories, but especially in the area of tour guides. We have an extensive docent hand book and have new docents do a walk through with very experienced veteran docents. You can put in as much or as little time each month as you prefer.

If you have an interest in history and like working with people, this could be an excellent opportunity for you. In fact, please check out our website. We are also offering tours on Tuesdays and Thursdays from 1:00 to 3:00. You are more than welcome to pay us a visit.

If you have an interest in volunteering or any questions, please contact Carol, our volunteer coordinator at 732.341.1880 or email us at oceancounty.history@verizon.net

**Your experience should be as enjoyable for you as it is valuable to the Society.
