# MEMORANDUM

**To:** Members of the Board of Chosen Freeholders

**From:** Carl W. Block, County Administrator

**Date:** December 12, 2013

**Subject:** Summary of Pre-Board Meeting of December 11, 2013

**Copies to:** Betty Vasil, Clerk of the Board  
Keith J. Goetting, Director, Employee Relations  
Ralph B. Patterson, Director, Management & Budget

Freeholder Director John P. Kelly opened the meeting at 4:00 PM and read the Statement of Compliance with the Open Public Meetings Act. The Clerk of the Board called the roll.

Present:

Freeholder Director John P. Kelly  
Freeholder Deputy Director James F. Lacey  
Freeholder John C. Bartlett, Jr.  
Freeholder Gerry Little  
Freeholder Joseph H. Vicari  
Carl W. Block, County Administrator  
Mary Ann Cilento, Recording Secretary  
Betty Vasil, Clerk of the Board  
Keith J. Goetting, Director of Human Resources  
Ralph A. Patterson, Director of Management & Budget  
Frank Scarantino, County Engineer  
Julie N. Tarrant, Comptroller/CFO  
Christine Wioland, Deputy Clerk of the Board  
Donna Flynn, Director, Public Information  
John C. Sahradek, Jr., County Counsel

Mr. Scarantino reviewed the items listed on the attached Engineering Department agenda. There were no questions or comments, and all items will be listed on the agenda for the December 18, 2013 Board meeting.

Ms. Vasil reviewed the Clerk of the Board's agenda for the Board meeting of December 18, 2013. There were no questions or comments.

Director Kelly noted that at the last Board meeting, a group was in attendance providing comments about Common Core State Standards. The Freeholder noted that there are three Freeholders that were former educators. The Director asked Freeholder Vicari to review the information submitted by the group and make a recommendation on whether this Board should consider adopting a resolution.

Director Kelly reviewed the population at the Juvenile Detention Center noting that the State of New Jersey has changed their philosophy from detention to rehabilitation focusing on drug addiction. The County is looking into this. The Director noted that in the past the population at the facility had been between 35 and 40 juveniles and the County is licensed for 30. The County put an addition on the Center to accommodate this which included classrooms and a library space to meet, at that time, the County's responsibilities to the Courts. Freeholder Kelly stated that at times, the County has had as few as four juveniles at a time, but averages about 15 juveniles, much under what the County can handle at the facility. Director Kelly stated that juveniles are placed in one of three categories (detention, shelter or RAISE Program) assigned by the Judges.

Director Kelly stated that he has put together a committee which includes Judges, the County Prosecutor, the County Administrator and others including members of the public to look at the facility to use existing dollars to refocus what we are doing. The Director noted that juveniles at the shelter are now going to be contracted out for services with Middlesex County for under \$300,000 a year. This will save the County about a half a million dollars. Director Kelly stated that the County is going to use this money at the detention center. The Director stated that the Committee has been told not to go over the budget the County already has. Programs would include expanding the drug court to expand rehabilitation programs and assistance on release with jobs, services and housing, and working with nonprofits to help with drug addiction for both the Juvenile Detention and the jail to help make them more productive members of society.

Freeholder Bartlett congratulated Director Kelly for trying to move this into a positive direction and complemented him on trying to do this within the existing funds the County currently expends. Freeholder Vicari stated that good kids make mistakes and the expanded programs will help rehabilitate them. The Freeholder noted that the Ocean County VoTech is part of those programs, to help the juveniles get out and be able to get a job; the County wants to be as proactive as possible. Freeholder Lacey stated that these programs give kids a second chance.

There were no additional comments.

Ms. Vasil read the resolution to move to closed session.
