# Proclamation

February 1, 2023

WHEREAS, BLACK HISTORY MONTH first originated as part of an initiative by writer and educator Dr. Carter G. Woodson, who launched "Negro History Week" in 1926. Woodson proclaimed that Negro History Week should always occur in the second week of February - between the birthdays of Frederick Douglass and Abraham Lincoln; and

WHEREAS, since 1976, every American President has proclaimed February as Black History Month. Today, other countries such as Canada and the United Kingdom also devote an entire month to celebrating Black History; and

WHEREAS, the national theme for this year's observance - "Black Resistance", takes a look at how African Americans have fought repression from America's earliest days; and

WHEREAS, beginning with colonial days, acts of resistance struck fear in the hearts of slave owners in New York City as early as 1712 and these insurrections would continue right into the mid-19<sup>th</sup> century; and

WHEREAS, by the mid-1800's, Harriet Tubman had proudly earned the nickname "The Moses of Her People" when she helped slaves travel into free states, Canada and Mexico via the Underground Railroad until President Abraham Lincoln signed the Emancipation Proclamation in 1863 and thousands of former slaves joined the Union forces during the US Civil War; and

WHEREAS, as millions moved north during the Great Migration beginning in the early 20<sup>th</sup> century, African Americans finally found their voice on stage, in sports, in the recording industry and in the political arena.

NOW, THEREFORE, I, JOSEPH H. VICARI, DIRECTOR of the BOARD OF COMMISSIONERS of the COUNTY OF OCEAN, STATE OF NEW JERSEY, on behalf of this Board, do hereby proclaim the month of February 2023 as:

## BLACK HISTORY MONTH

In 2023, the County will be implementing 50 contracts to provide meal assistance, legal services and various social services. The need for home repair and modifications has increased, as well as the need for transportation to doctors. Director Vicari and the Board of Commissioners are committed to supporting our senior community and providing them with the resources needed to thrive.

Commissioner Haines and Mr. Agliata discussed the Shore Protection Fund which was established after a series of destructive nor'easters caused significant damage to our shoreline. It created a cost share partnership between the State, US Army Corps of Engineers, and municipalities to fund beach erosion projects. The fund was established in 1992 at a rate of \$15 million collected from realty transfer fees. In 1998 the fund was increased to \$25 million. Bills A826 and S1614 have been introduced by the NJ Legislature to amend the fund from \$25 million to \$50 million. The Board agreed to support a Resolution in favor of the Legislation.

Commissioner Crea and Mr. Agliata discussed the County's award of \$570,000 in HUD HOME Investment Partnership Funds to Ocean, Inc. for the production of six affordable housing rental units targeted for veterans on land donated by Pine Beach Borough on Washington Avenue. The total project cost is \$1,391,000.00 with a per unit cost of \$231,000.00. A CHDO designation allows a non-profit to receive HOME funding. Ocean, Inc. has been a designated CHDO for over 20 years resulting in the production of 153 permanent affordable rental units in Ocean County.

Commissioner Haines and Mr. Agliata discussed a Natural Lands Trust Fund Acquisition in Jackson Township consisting of 20 acres on Ridge Avenue and Vath Street. Environmentally sensitive pinelands rattlesnakes have been found on neighboring properties. The property is adjacent to the 610-acre Clayton Military Easement. Rural development zoning has the potential for four developed lots on the property valued at approximately \$325,000 each. The property owner accepted a negotiated offer of \$1,275,000.00.

Commissioner Kelly and Mr. Ernst reviewed the items listed on the attached Engineering Department agenda which included the recommendation to award two Traffic Signal Construction Contracts. The first is for the intersection at CR 526 (West County Line Road) and Brookwood Parkway in Jackson and Lakewood Townships to JC Contracting, Inc. from Rahway, NJ in the amount of \$338,877.00. The second is for the intersection at CR 639 (Hope Chapel Road) and Miller Road in Lakewood Township to Earle Asphalt, Inc. from Farmingdale, NJ in the amount of \$1,143,513.13. There were no questions or comments and all items will be listed on the Board Agenda for the January 18, 2023 Board meeting.

Ms. Gunther reviewed the Clerk of the Board's agenda for the Board meeting of January 18, 2023. There were no questions or comments.

Director Vicari asked the Board members for comments.

There were no additional comments.

Ms. Gunther read the resolution to move to closed session.

On a motion by Commissioner Haines, seconded by Commissioner Crea, the meeting moved to Closed Session at 4:26pm for personnel discussion, appointments, reappointments, property acquisition and possible litigation. The motion was unanimously carried.
