MEMORANDUM

To: Members of the Board of Commissioners

From: Michael J. Fiure, County Administrator 

Date: January 23, 2024

Subject: **Summary of Pre-Board Meeting of January 10, 2024**

Copies to: Michelle I. Gunther, Clerk of the Board
Tristin Collins, Assistant County Administrator
Robert Greitz, Director of Employee Relations

Director Barbara Jo Crea opened the meeting at 4:00 PM and read the Statement of Compliance with the Open Public Meetings Act. The Clerk of the Board called the roll.

Present:

Director Barbara Jo Crea
Deputy Director Gary Quinn
Commissioner John P. Kelly
Commissioner Frank Sadeghi

Michael J. Fiure, County Administrator
Christine Allen, Recording Secretary
Michelle I. Gunther, Clerk of the Board
John C. Sahradnik, Jr., County Counsel

Not Present:

Commissioner Virginia E. Haines

Director Crea opened the meeting by notifying the Board of the Planning Department's receipt of the Governor's Environmental Excellence Award for the successful Boat Flare Disposal Program which debuted in 2023. Approximately 2000 marine flares were gathered through two collection events held at the Ocean County Training Center in Ocean Township. This program is the first of its kind in NJ, and will continue in 2024 via the Research, Development and Demonstration Permit granted by NJDEP.

Director Crea and Mr. Fiure also discussed the Older Americans Act funding for 2024. The total allocation is \$7,542,740.00 which will help fund transportation, food insecurity, home delivered meals, administering information and assistance with programs and benefits available to them, personal and in-home care services, home health aides, housing, and home repairs and maintenance.

Commissioner Sadeghi stated that Ocean County partners with the Rutgers Cooperative Extension to provide residents with programs and services in the areas of agriculture and resource management, family and community health sciences, 4H youth development and nutrition education programs. Since individuals aged 65 and older

represent almost 23% of the population in Ocean County, there will be a revision to the program. Mr. Fiore added that while the position of Family and Community Health Sciences Educator previously covered Ocean and Atlantic Counties and focused on a broader spectrum of needs, the position has been modified to focus solely on senior residents in Ocean County, and will focus on healthy aging, chronic disease prevention, and self-management for seniors. As usual, the cost of this program educator will be shared between the County and Rutgers Cooperative Extension.

Commissioner Kelly and Mr. Ernst reviewed the items listed on the attached Engineering Department agenda which included the recommendation to advertise for the stormwater management improvements contract 2023A in various townships. There were also two recommendations to award contracts. The first is to Seacoast Construction from East Brunswick, NJ in the amount of \$779,190.34 for drainage improvements to Bridge Avenue from West Lake Avenue to Club Drive in Bay Head Borough. The second is to SumCo Eco-Contracting, LLC from Peabody, MA in the amount of \$132,611.00 for the Meadow Point Road Outfall dredging project in the Borough of Point Pleasant. There were no questions or comments, and all items will be listed on the Board Agenda for the January 17, 2024 Board meeting.

Mr. Fiore congratulated Commissioner Kelly as he was recently sworn in as Chairman of the North Jersey Transportation Planning Authority.
