WHEREAS, Governor Chris Christie and State Senate President Stephen Sweeney forged a bi-partisan, five-year agreement to keep casino gaming exclusively in Atlantic City; and

WHEREAS, along with exclusivity for at least five years, the agreement included a promise to conduct an evaluation of Atlantic City's progress towards becoming a destination resort and its economic viability before any consideration of expanding gaming in New Jersey would occur: and

WHEREAS, Dr. Israel Posner, Richard Stockton College's Levenson Institute of Gaming Hospitality and Tourism, reports North Jersey's population accounts for 41.8% of the total gaming customers from N.J. who gamble in Atlantic City. A casino in the Meadowlands would ensure the loss of a large portion of these customers placing serious hurdles in the way of the ability to continue to transition Atlantic City to a true diverse destination resort; and

WHEREAS, the Atlantic City casino industry employees over 31,000 people, many from Ocean County, and supports numerous small, local businesses; and

WHEREAS, the loss of these jobs will hurt the hard working middle class who are the very people the casino industry was intended to help; and

WHEREAS, the legalization of casino gaming in surrounding states has already oversaturated the gaming market. Opening casinos in other locations in New Jersey will only serve to irrevocably damage the Atlantic City gaming market; and

WHEREAS, any discussion, speculation, legislation or ballot question regarding expanding gaming outside of Atlantic City before the end of the five-year agreement jeopardizes local businesses and employment in not only Atlantic City but other areas of the Shore, including many towns in Ocean County.

NOW, THEREFORE, BE IT RESOLVED, that the BOARD OF CHOSEN FREEHOLDERS of the COUNTY OF OCEAN, STATE OF NEW JERSEY hereby urges the Legislature and the Governor of the State of New Jersey to keep its promise not to permit the expansion of casino gaming outside of Atlantic City and refrain from any executive, legislative or referendum action before January 31, 2016, and only after a thorough analysis of Atlantic City's economic viability has been completed.

- WHEREAS, The Tice's Shoal mooring area in Barnegat Bay, adjacent to Island Beach State Park, is a popular and unique mooring location for the boating community in that it provides unfettered access to the Atlantic Ocean by way of a wooden walkway from Barnegat Bay to the Atlantic Ocean; and
- WHEREAS, this wooden walkway has been traditionally a popular means of public access to the Atlantic Ocean by local residents, tourists and families for decades; and
- WHEREAS, this wooden walkway, completely destroyed by Super Storm Sandy, was reconstructed and completely reimbursable by the Federal Emergency Management Agency; and

- WHEREAS, no fee is charged at the main entry gate for pedestrians or those on bicycles to use the park for swimming, fishing or other recreational activities, making it unfair to charge pedestrians arriving by watercraft at Tice's Shoal; and
- WHEREAS, pedestrians arriving by watercraft do not take up valuable parking spaces in the A-7 section of the park, thereby allowing the park to take in additional revenue that is currently based on parking spaces; and
- WHEREAS, it is highly inconvenient for pedestrians arriving by watercraft, walking in chest deep water, clad only in swimming attire, to produce enough currency to gain access to the public access walkway for a whole family, including all children over the age of three; and
- WHEREAS, tourism is the life blood of Ocean County's economy and the additional fees and charges will inhibit the growth of tourism thereby putting a negative impact on the economy of Ocean County; and

CLERK OF THE BOARD

To:

Members of the Board of Chosen Freeholders

From:

Date:

February 26, 2015

Subject:

Summary of Pre-Board Meeting of February 25, 2015

Copies to:

Betty Vasil, Clerk of the Board

Keith J. Goetting, Director, Employee Relations Michael J. Fiure, Director, Management & Budget

Freeholder Director John C. Bartlett opened the meeting at 4:00 PM and read the Statement of Compliance with the Open Public Meetings Act. The Clerk of the Board called the roll.

#### Present:

Freeholder Director John C. Bartlett, Jr.
Freeholder Deputy Director Gerry P. Little
Freeholder John P. Kelly
Freeholder James F. Lacey
Freeholder Joseph H. Vicari
Carl W. Block, County Administrator
Mary Ann Cilento, Recording Secretary
Betty Vasil, Clerk of the Board
Keith J. Goetting, Director of Human Resources
Michael J. Fiure, Director of Management & Budget
Frank Scarantino, County Engineer
Julie N. Tarrant, Comptroller/CFO
Christine Wioland, Deputy Clerk of the Board
Donna Flynn, Director, Public Information
John C. Sahradnik, Jr., County Counsel

Director Bartlett stated that the County's Recycling Revenue Sharing Program is a very successful program that was instituted several years ago. Freeholder Lacey noted that this year the County was very successful once again with collection of 42,000 tons of materials recycled; with a payout of \$6.36 a ton; and almost \$3 million saved in tipping fees at the landfill. The Freeholder noted that almost all of this material goes to China and their market is low, recycling is still good; however, it is market driven. For the last half of 2014, the payout to municipalities was \$267,000. Freeholder Lacey stated that Ocean County residents are still keeping these types of

materials out of the landfill. Director Bartlett noted that the materials are kept out of the landfill which is a benefit for everyone. The Director stated that it is easier for people to recycle with single stream recycling which also makes it easier for municipalities to pick up the materials. Freeholder Lacey stated that since the inception of the program, over \$15 million has been returned to municipalities.

Mr. Scarantino reviewed the items listed on the attached Engineering Department agenda which included the recommended award for the reconstruction and resurfacing of portions of County roads. The County Engineer noted that this project contains seven road segments in six municipalities and includes ADA upgrades at intersections. Freeholder Lacey stated that the County has 248 bridges and culverts that need to be maintained. Director Bartlett noted that maintaining these bridges and culverts is a function of County government that is costly but the County knows they must be maintained. Mr. Scarantino stated that Ocean County has no structurally deficient bridges. Director Bartlett stated that there is only one reason for this and that is that this Board puts the public's money where it should be in maintaining our bridges. Freeholder Kelly stated that this Board continually, over many, many years, has made the investments necessary to maintain our bridges; this County does its job. There were no questions or other comments, and all items will be listed on the agenda for the March 4, 2015 Board meeting.

Ms. Vasil reviewed the Clerk of the Board's agenda for the Board meeting of March 4, 2015. There were no questions or comments.

Director Bartlett asked the Board members for comments.

Freeholder Kelly gave a brief update of his discussions with the Fire Marshal, on the fire in Stafford Township, noting that a call was received at 8:58 AM reporting a strong odor of natural gas located at Oak Avenue and Route 9 in Stafford. The Freeholder stated that a leak existed in front of 59 Oak Avenue and fire and police evacuated nearby residents; the house then exploded; the house was unoccupied, no one was living there at the time. The Freeholder advised that it was his understanding that the leak was outside the building and workers attempted to open the road when the explosion occurred. The Freeholder reported that five NJ Natural Gas workers were injured, 2 of which were taken to Atlantic City Trauma Center. Four fire companies were on scene and a number of EMS. A lot of damages in the neighborhood were reported. All Ocean County fire agencies were at the scene. Freeholder Kelly advised that this is being investigated by the Prosecutor's Office.

There were no additional comments.

Ms. Vasil read the resolution to move to closed session.

Members of the Board of Chosen Freeholders February 26, 2015 Summary of the Pre-Board meeting of February 25, 2015 Page 3

On a motion by Freeholder Vicari, seconded by Freeholder Lacey, the meeting moved to Closed Session at 4:45 PM for personnel discussion, appointments, reappointments, property acquisition and possible litigation. The motion was unanimously carried.

3/20/2015

In response to your request, Bound Tree Medical is pleased to offer 25% off of the list prices in the currently published Bound Tree Medical Emergency Medical Product catalog 2014 / 2015.

In order to provide a percentage off list discount, it is necessary for Bound Tree to exclude certain product categories or manufacturer products. Manufacturers Excluded	Product Categories Excluded
CAS	Backboards
Junkin Safety	Hot and Cold Packs
Ferno (Stretchers / Stair Chairs	King Tubes (not kits) and Airways
